**I.** The Vice-Chancellor said "I am pained to inform about the death of Shri Bhairon Singh Shekhawat Ji, former Vice-President of India, who remained the Chancellor of the Panjab University from August 19, 2002 to July 21, 2007, after a brief illness on 15.5.2010. In his sad demise, the country has lost a noble human being, a great patriot and an excellent administrator who made rich contributions to the growth of the country and the Panjab University. Shri Shekhawat Ji made politics respectable and credible and lived a life of purpose."

As a mark of respect to Shri Bhairon Singh Shekhawat Ji, the Senate expressed its sorrow and grief over his passing away and observed two minutes' silence, all standing, to pay homage to the departed soul.

**RESOLVED:** That a copy of the above Resolution be sent to the family members of Shri Bhairon Singh Shekhawat Ji, former Vice-President of India.

**II.** The Vice-Chancellor said –

- (1) “I welcome Shri Raj Chengappa, Editor-in-Chief, ‘The Tribune Group of Newspapers’ (in place of Shri H.K. Dua), Professor Jaspal Kaur Kaang, President, PUTA and Dr. Ronki Ram, the newly nominated/elected Fellows to the present Senate. I expect a lot of guidance from all the Hon’ble members of the Senate and full support and co-operation for the growth of this prestigious University to achieve many new goals and a new vision.
- (2) The Panjab University is to host Indian Economic Association Conference in December, 2010. It is expected that 3000 delegates including 300 VVIPs would be attending this Conference. It is also expected that the Hon’ble Prime Minister will be inaugurating this Conference and the International Conference on “Leveraging Agriculture Health and Malnutrition” at Delhi on Feb. 12, 2011. I request the hon’ble members to participate in the Conferences being held at Panjab University from December 27-29, 2010 and at Delhi on February 12, 2011.
- (3) A decision had been taken in the Senate meeting held on December 6, 2009 that in future in the proceedings of the meetings of the Syndicate and Senate only resolved part of the agenda item may be included. However, there were certain after thoughts and discussions took place through Media and in person also. I propose that this august house re-look in the matter as I am for clear-cut transparency in the total working of the University. Even four of our members have given resolution in this regard which is appearing as a separate Item. I request the House to approve that in future, the proceedings of Syndicate and Senate be recorded in toto.
- (4) In order to change the funding pattern of Panjab University, 3 meetings have been held at PM Office & 3 Committees have visited the University and every Committee had given positive report and complimented each other. A Consultative Committee was constituted to look into the issue in totality. Three meetings have been held. A final meeting is yet to be held to finalize the issue, meanwhile the Ministry of Home Affairs has asked the Chandigarh Administration to provide 80 crore as one time *ad hoc* grant to tide over the financial crunch through revised estimates for 2010-2011 which are to be sent by the Chandigarh Administration to MHA. The meeting of Governor, Punjab, who is the Administrator of Union Territory Chandigarh and his Advisor had been already held on the issue. It will take 2-3 months for the funds to be with the University.
- (5) The Vice-Chancellor has been invited to give speech in the opening function of East Asian Education Consortium to be held at Kunming, China wherein Vice-Chancellors of more than 16 countries are going to participate. He is the only Vice-Chancellor

from the Universities all over India, who has been selected to give a speech, which is a rare distinction for the Panjab University.

- (6) As per the website “highimpactuniversities.com” rankings, the Panjab University is ranked at 380 among the 500 Universities in the world. The status of Universities/Institutions from India quoted is as under:

1.	IIT, Kanpur	:	222
2.	Indian Institute of Science Bangalore	:	273
3.	<b>Panjab University</b>	:	<b>380</b>
4.	IIT, Madras	:	413
5.	IIT, Roorkee	:	497
6.	IIT, Kharagpur	:	507
7.	IIT, Bombay	:	507.”

**This ranking is for Pure, Applied and Mathematical Sciences. He is proud of the faculty, students and administrative staff for achieving this ranking. As such, they deserved congratulations. This is not the end on which we should depend and we must make efforts to achieve this ranking within 100.**

**The Senate applauded the above achievement of the Panjab University by thumping desks.**

Dr. Rabinder Nath Sharma welcomed the decision with regard to revocation of the earlier decision that only resolved part of the proceedings of the Syndicate and Senate be recorded. That way the democratic set up of this House has been restored. He said that the proceedings of August meeting of the Syndicate contained discussion, whereas the decision to this effect was taken today by the Senate. He pleaded that every resolution/proposal/representation made by the Fellows must be acknowledged, but in the instant case neither their representation was acknowledged nor replied to.

Dr. Gurmeet Singh suggested that for proper maintenance of transparency, the University Website should be updated regularly.

The Vice-Chancellor said that the proceedings of all the meetings of Academic Council, Syndicate and Senate would be put on the University Website and assured that the Website would be updated regularly.

**RESOLVED:** That –

- (1) the information contained in the Vice-Chancellor’s statement at Sr. Nos. (2), (4), (5) and (6), be noted; and
- (2) the proposal contained in the Vice-Chancellor’s statement at Sr. Nos. (3), be approved.

#### WAITING LIST (For General Category post)

1. Dr. (Ms.) Neelam Yadav
2. Dr. (Ms.) Tammanna Ravee Sahrawat

(Syndicate dated 29.6.2010 Para 2(xxxix))

- NOTE:**
1. The above appointments would be on one year's probation, except Sr. Nos. 22, 24 and 25.
  2. The competent authority could assign them teaching duties in the same subject in other teaching department/s of the University in order to utilize their subject expertise/ specialization and to meet the needs of the allied department(s) at a given point of time, with the limits of workload as prescribed in the U.G.C. norms.
  3. The letters of appointment to the above persons (Sr. Nos. 1 to 42) have been issued in anticipation of the approval of Senate. Their appointment will be strictly subject to fulfilment of U.G.C. conditions/guidelines.

Shri Ashok Goyal stated that some appointments had been made on contract basis in different departments. But the persons appointed on contract basis had not been paid House Rent and other allowances. As has been mentioned under sub-item I-23 on the agenda, all teachers appointed on temporary/regular basis on the Campus/Regional Centres would be given full salary according to the revised scales from 1<sup>st</sup> August 2009.

The Vice-Chancellor clarified that an objection had been raised by the audit with regard to payment of allowance to the persons appointed on contract basis. A Committee had been constituted and the things would be clear in due course, but they could not violate the rules of Government with regard to payment of such allowances.

Continuing, the Vice-Chancellor said that as per the decision of the Syndicate dated 29<sup>th</sup> April 2010, a Committee under the Chairmanship of Shri Ashok Goyal had been constituted for the rationalization of salaries of teaching and non-teaching posts at University to ensure that all the temporary/contractual persons employed at Panjab University get salary in accordance to the latest University Grants Commission grades. The Committee has been requested to submit its report as early as possible. He further said that in case the persons appointed on contract basis were to be paid full salary, i.e., including allowances, the nomenclature of 'contract' would have to be changed to 'temporary'. However, while doing so the legal aspect would not be ignored.

Dr. P.S. Gill said that he could not understand as to why there was discrimination in payment to the teachers appointed on contract basis as they were paid differently, i.e. Rs.15,600/-, Rs.25,800/-, etc. while some others were paid Basic Pay plus G.P. plus allowances. He pleaded that teachers should not be discriminated in one way or the other.

The Vice-Chancellor clarified that the University has taken a decision that NET qualified persons appointed on contract basis would have to be paid full salary as per UGC norms and wherein NET qualified teachers are not available, they be given a consolidated pay of Rs.25,800/-.

**RESOLVED:** That the recommendation of the Syndicate contained in Item 1 on the agenda, be approved.

**IV.** The recommendation of the Syndicate contained in Item 2 on the agenda was read out, viz. –

She pleaded that the pending cases should also be taken up. She further said that those cases in which the persons have already published two research papers and the reports have also come, should be placed before the Selection Committees immediately.

The Vice-Chancellor said that any person who is eligible should send the application along with the published papers to him and the same would be got reviewed within three months. He further informed that UGC has decided that the notification of 14<sup>th</sup> July 2010 would be implemented prospectively, but a notification to this effect was yet to come.

Professor N.K. Ojha said that in some cases, persons who were eligible from 2008 for promotion under Career Advancement Scheme, interviews fixed were postponed and later they proceeded abroad. He pleaded that their reports should be considered for promotion.

The Vice-Chancellor replied that the cases, in which the reports have come, were being processed.

**NOTE:** That the letter of appointments to the persons placed in the Senior Scale of Lecturer, under Career Advancement Scheme, have been issued in anticipation of approval of the Senate. Their appointment/ designation will be strictly subject to U.G.C. guidelines.

The Vice-Chancellor said that since the notification for effecting the University Grants Commission notification dated 14.7.2010 prospectively was yet to come; the consideration of the item could be kept pending. The cases of those who would fulfil the new conditions would be cleared and others would be asked to fulfil the conditions.

Shri G.K. Chatrath said that it is a settled proposition of law that the persons appointed against sanctioned posts before amendment of rules/regulations shall be governed by the rules/regulations governing the conditions of their service prevalent at the time of their appointment. This law is as old as 1975. He did not know why the University had started implementing the University Grants Commission regulations from retrospective effect. The rules in existence, when the post is advertised, shall be applied.

Shri Prabhjit Singh said that the Panjab University had adopted the Punjab Government pay-scales in September 2009, according to which the designation of Reader did not exist. The designation of teachers was changed w.e.f. 1.1.2006. The only difference in the revised scales was that AGP to the extent of 6000, 7000 and 8000 with the respective scales was paid.

Dr. Ronki Ram said that under the revised pay-scales, persons who have not completed 3 years' service as Reader would not be re-designated as Associate Professors, as such the Reader's designation would still exist in the revised pay-scales.

**RESOLVED:** That the Vice-Chancellor be authorized to take decision in the matter, on behalf of the Senate.

However, their promotion is subject to attendance of 2<sup>nd</sup> Refresher Course in one year from the date of issuance of letter. But the selection of Dr. Ashwani Sharma would depend on the recommendation/s of the Committee constituted to designate him as Lecturer, in the first instance.

On the issue raised by certain members that Dr. Ashwani Sharma should be given the designation of Lecturer, the Vice-Chancellor said that at the time when he was initially appointed, he was not eligible for the post of Lecturer. Still after 20 years, he was being given consideration. However, a Committee under the chairmanship of Professor S.K. Sharma has been constituted to look into the issue of designating him as Lecturer in the first instance.

Professor S.K. Sharma informed that there was a legal problem in designating Dr. Ashwani Sharma as Lecturer.

The Vice-Chancellor narrated the facts about the case of Dr. Manjit Paintal.

On a point of information sought by Principal Tejinder Kaur, the Vice-Chancellor stated that Dr. Daizy Zarabi was not confirmed anywhere and her period of appointment was being extended from time to time. Moreover, she was appointed without having faced any Selection Committee.

On a point made by Dr. Dharinder Tayal that they were only talking about two unresolved cases, i.e., of Dr. Ashwani Sharma and Dr. Daizy Zarabi, the Vice-Chancellor said that he was looking into other cases as well.

The Vice-Chancellor said that he was happy to inform the House that the University has been permitted by the Hon'ble Court to make admissions in the Fifth Year at Dr. H.S. Judge Institute. **(Syndicate dated 29.4.2010 Para 6)**

Professor Keshav Malhotra pleaded that even the teachers who had approached the Court for extension in age of superannuation from 60 years to 65 years, as per UGC recommendation contained in its revised pay-scales, should be given the benefit of re-employment scheme.

The Vice-Chancellor clarified that two benefits could not be granted simultaneously, i.e. re-employment and approaching the Court for extension in the age of superannuation.

Endorsing the viewpoint expressed by Professor Keshav Malhotra, Professor M. Shakeel Khan said that the teachers had the right to approach the Court and those who had approached the Court could not be denied the benefit of re-employment.

Shri Ashok Goyal stated that, in fact, the Court had granted stay to the teachers who had approached it in their retirement with the directive that they shall continue to work, but without payment of salary. If they were allowed the benefit of re-employment, they would be made payment on account of salary which would attract Court contempt. Recently, in a similar case, Professor A.K. Saihjal was the petitioner and simultaneously he was paid full salary on re-employment. However, he pleaded that nobody should be put to a disadvantageous position if he/she had moved to the Court. He added that Professor A.K. Saihjal had not vacated University accommodation after his retirement, which was against the re-employment rules. As per re-employment rules, if a person did not vacate the University accommodation within 2 months from the date of his/her re-employment, his re-employment would automatically cease.

The Vice-Chancellor clarified that Professor A.K. Saihjal was not re-employed, but was appointed Additional Advisor (Guidance & Placement Cell), so he was eligible to retain accommodation for 6 months, who did not seek re-employment. He added that some teachers go to Court and retain University accommodation and after a year or so seek re-employment.

Shri Prabhjit Singh said that earlier the petition of the University teachers for extension in age of superannuation from 60 years to 62 years was dismissed by the Hon'ble Punjab & Haryana High Court. He did not know why the teachers were again approaching the Court for extension in age of superannuation. Moreover, re-employment was not a matter of right.

Dr. Kuldip Singh said that the case was simple. The University should continue with its re-employment scheme. The Court had directed that the petitioners shall continue in service, but no salary be paid to them till final decision was taken by the Court.

The Vice-Chancellor said that because of this reason, as had been elaborated by Dr. Kuldip Singh, the re-employment cases of the teachers who had approached the Court, had been kept in abeyance.

Dr. Rabinder Nath Sharma stated that it was totally against basic rights that those who had approached the Court would not be given re-employment. Under the UGC revised pay-scales, the provision of re-employment was there. Secondly, the Guru Nanak

Dev University, Amritsar, had been extending the benefit of re-employment to even those teachers who had approached the Court for extension in the age of superannuation. As such, the re-employment of teachers should continue.

Professor N.K. Ojha said that the persons appointed on contract basis as well as given re-employment were paid differently.

The Vice-Chancellor said that this is not true as a uniform policy is followed.

Professor N.K. Ojha stated that when the re-employment scheme was approved by the Senate, it was decided that the actual pension to be drawn by the re-employed teacher should be deducted from his salary. But the University has started deducting pension calculated for 33 years of service, which was wrong. He pleaded that actual pension should be deducted from the salary of the re-employed teachers instead of pension calculated for 33 years of service.

Shri Gopal Krishan Chatrath said that only the pension for which the re-employed teacher is entitled should be deducted from his salary.

**The Vice-Chancellor said that the matter would be looked into.**

**RESOLVED:** That recommendations of the Syndicate contained in Item 17 on the agenda, be approved.

**XIV.** The recommendations of the Syndicate contained in Items 18 and 19 on the agenda were read out and unanimously approved, i.e. –

**XV.** Considered the Enquiry Reports (**Appendices-I (Item 20 on the agenda)**) with regard to the charge of fudging of data in order to obtain higher rating among the Business Schools in India against Dr. Manoj Kumar Sharma, University Business School (Now transferred to the Department of Evening Studies) and Professor Satish Kapoor, University Business School.

**(Syndicate dated 29.6.2010 Para 5)**

The Vice-Chancellor said that the enquiry report may be accepted.

Shri Ashok Goyal stated that he was also for the acceptance of the enquiry report. But he believed that there was no other document/ evidence/s besides what had been placed before the Enquiry Officer. He added that in the last meeting of the Senate the enquiry report submitted by Professor Varinder Kumar, Enquiry Officer, was not accepted by the House and it was decided that charge sheet be served on Dr. Manoj Kumar Sharma keeping in view the deliberations which took place in the House. As

such, he also believed that the charge sheet as per decision of the Senate was served on Dr. Manoj Kumar Sharma.

The Vice-Chancellor said that all the documents pertaining to enquiry, including the files were made available to the Enquiry Officer.

Continuing, Shri Ashok Goyal stated that he just wanted to confirm and ensure that the person whose report had not been accepted by the Senate, had been produced before the new Enquiry Officer as a prosecution witness. Further, the enquiry report considered by the Senate today also said that the data had been fudged, but unfortunately none had been held accountable. The enquiry report submitted by Professor Varinder Kumar revealed that Dr. Manoj Kumar Sharma was associated with the preparation of data which enabled the University Business School to be placed in the first 10 Business Schools of India. As far as enquiry report relating to paper setting was concerned, no charge for setting the question paper had been framed. However, Dr. Manoj Kumar Sharma had accepted that he had written the question paper in his own hand. When Dr. Manoj Kumar Sharma had in the beginning accepted before the Vice-Chancellor that he had written the question paper in his own hand, then where was the need to hold enquiry in the matter. That was why he was saying with full responsibility that there was no intention on the part of the University to prove the charge/s levelled against Dr. Manoj Kumar Sharma. Now it was being said that whatever had happened, should not recur.

The Vice-Chancellor said that the proceedings of the enquiry could be seen from the records.

Principal Virander Kumar Tewari suggested that the Enquiry Report should be accepted.

After discussion, the Senate, by raising hands, unanimously –

**RESOLVED:** That –

- (1) the Enquiry Reports submitted by Justice R.K. Nehru (Retd.), Enquiry Officer, be accepted;

**XVII.** The recommendation of the Syndicate contained in Item 22 on the agenda was read out, viz. –

**24.** That salary of 8 part time Lecturers of University Law School be enhanced from Rs.8000/- p.m. fixed **to Rs.15600/- p.m. fixed**, i.e. the minimum of the pay-scale (Rs.15600-39100 +AGP Rs.6000) of Assistant Professor as per revised pay-scale. As earlier, no allowances are to be paid.

**Syndicate dated 22.7.2010 Para 12)**

Initiating discussion, Dr. Dalip Kumar said that the payment made to the part-time Lecturers was less and it should be at least minimum of the pay-scale, i.e. Rs.15600 plus Rs.6000 AGP because AGP is considered part of the basic pay for all intents and purposes.

Shri Gopal Krishan Chatrath said that in case the part-time lecturers could not be paid minimum of the pay-scale i.e. 15600 plus Rs.6000 AGP, they should be paid per lecture basis, which would come to Rs.32,000 p.m.

The Vice-Chancellor clarified that as per rules only fixed salary is paid to the part-time Lecturers and per lecture payment is made to the persons appointed as Guest Faculty.

Professor S.K. Sharma pointed out that in the Department of Laws, against one period four lectures were counted. In case the student missed one period, he/she would fall short of four lectures. He stressed that such a practice should be stopped.

Dr. Ronki Ram said that the issue is important because the dignity of teacher was involved. He said that making part-time and *ad hoc* appointments against permanent posts had become a regular feature in the University. This practice is also prevalent in the affiliated Colleges as well. This august House should decide that minimum of the pay-scale plus AGP be paid to the contract teachers and this would be a step in the right direction. In case good education is to be imparted, the dignity of the teachers is required to be maintained.

Professor R.P. Bambah said that part time Lecturer could not be equated with those who are appointed on regular basis and had full time work load. Secondly, the part time Lecturers in the Department of Laws are mostly Advocates by profession, who had other source of income and do not depend solely on the earning by working on part-time basis.

Dr. Karamjeet Singh said that the contract appointments could be made only to the extent of 10 per cent of the sanctioned posts.

The Vice-Chancellor said that the University was paying full salary to the persons appointed on contract basis and the part-time Lecturers could not be equated with them and would be paid fixed salary.

**RESOLVED:** That the Vice-Chancellor be authorized to take decision, on behalf of the Senate.

**XVIII.** The recommendation of the Syndicate contained in Item 25 on the agenda was read out, viz. –

That the action taken by the Vice-Chancellor in approving the following recommendations of the Board of Control in Physics dated 12.1.2010 in anticipation of approval of the Faculty of Science and Academic Council, be noted:

“The Department started B.Sc. (Honours School) in Physics & Electronics as well as M.Sc. (Honours School) in Physics & Electronics as self-financing courses from the academic session 2008-09. In the session 2008-09, admissions to both the courses were carried out on the basis of merit only with the approval of the Academic Council. The Board recommended that admission to both these courses may be carried out on the basis of merit only, with the approval of appropriate University authorities, for the session 2010-2011. All other weightages be carried out as per University rules.”

**(Syndicate dated 29.6.2010 Para 64)**

Dr. Gurmeet Singh stated that in the University many new courses have been introduced. The Diploma in Journalism was like a regular course, but hostel facility was not being provided to the students of this course. Also the voting right had not been given to these students. Similar was the position with T.V. Diploma course, which was a regular course.

**The Vice-Chancellor said that point made by Dr. Gurmeet Singh would be looked into by the Dean Student Welfare.**

**Referring to Sub-Item III**, Principal Gurdip Sharma stated that in the recommendations, the students having domicile of Punjab were being exempted from taking Punjabi (compulsory) subject, which was against the language policy of the Government of Punjab.

Dr. I.S. Sandhu stated that this decision would benefit those students of Punjab who were studying in the schools affiliated to CBSE and ICSE.

The Vice-Chancellor said that the decision was perhaps taken keeping in view the problem faced by the University. A student who had not studied Punjabi at all was being exempted from taking Punjabi (compulsory) subject.

Continuing, the Vice-Chancellor added that anybody appointed as teacher in the P.U. Regional Centres, shall have to clear examination of Punjabi of Matriculation standard within two years of their appointment. But the examination would be conducted by the Panjab University.

Professor N.K. Ojha stated that the teachers appointed on the University campus should also be required to clear examination of Punjabi of Matriculation standard within two years of their appointment as they were also supposed to evaluate the answer-scripts of the student offering Punjabi language as a medium of examination.

Dr. Kuldip Singh appreciated the decision of the University referred to by the Vice-Chancellor regarding passing Punjabi paper of 10<sup>th</sup> standard by the teachers because the assignments written in Punjabi were not being evaluated by certain teachers, who did not know Punjabi at all.

Professor Rupinder Tewari wondered how the teachers teaching for the last about 20 years and who did not know Punjabi, were evaluating the answerbooks of the students written in Punjabi medium.

Shri Ashok Goyal stated that there did seem no logic in allowing the students of Punjab not to opt for Punjabi, but those who had made this recommendation might have some logic.

Shri Madan Lal Aeri said that it was good to ask the teachers to study Punjabi. However, he suggested that the item should be referred to Board of Studies in Punjabi.

Professor R.P. Bambah suggested that the item should be reviewed by the Academic Council whose recommendation was before the Senate.

Referring to adoption of semester system, Professor R.P. Bambah stated that, earlier, they had faced a lot of problems which should be looked into seriously, e.g. students getting re-appears in 1<sup>st</sup> or 2<sup>nd</sup> or 3<sup>rd</sup> semester appeared in the last semester examination. The students accumulated a lot of re-appears, which resulted into a number of court cases. In fact, the semester system was an American system and it should be based on credit system so that the problems earlier faced by the University did not recur and the results of the students were declared within a stipulated period.

The Vice-Chancellor said that they had already introduced credit system. Both examination and evaluation are internal. In almost all the Departments results are prepared internally barring some Departments which include Departments of Laws and Psychology. Only the notifications of results were issued by the Controller of Examinations. In Dr. Harvansh Singh Judge Institute of Dental Sciences & Hospital, they were following the Dental Council of India norms.

Attention of the House was drawn to the fact that the compartment rate in BCA I was very high.

Principal A.C. Vaid informed that at the time of introduction of B.C.A. course the eligibility condition was laid down as +2 with Mathematics. However, subsequently it was felt that if such a condition continued the intake to this course would be much less. Therefore, this condition was changed to Mathematics up to matriculation.

Continuing, Principal A.C. Vaid stated that the students who had passed +2 examination with Mathematics had been made eligible for admission to M.C.A., whereas those who had passed Mathematics at the Matriculation level were eligible for admission

to B.C.A. course. Since the students who had done B.C.A. were also eligible for admission to M.C.A., if the syllabus of B.C.A. was diluted, they would face difficulties while doing M.C.A. and the standard of M.C.A. would also be lowered and there would be no difference between the M.C.A. of Panjab University and other Universities. Secondly, Mathematics was relevant to operation of computer. He added that 33% of the students of B.C.A. admitted without studying Mathematics up to +2 level get compartment in Mathematics and those who studied Mathematics up to +2 level easily crossed the channel.

Shri Rajinder Bhandari said that some discussions in the House should be held and only thereafter a decision with regard to constitution of a Committee should be taken. However, unnecessary restriction should not be applied.

Shri Jarnail Singh said that since the syllabi of Mathematics prescribed for B.C.A. students was really tough, a Committee should be constituted to review the syllabi as the students with Mathematics up to 10<sup>th</sup> class was eligible for admission to B.C.A. course.

Professor S.K. Sharma said that first they admitted the students, who had studied Mathematics only up to Matriculation and when faced certain problems, were ready to dilute the standard even.

Professor B.S. Ghuman suggested that the students without Mathematics background should be asked to do a Bridge Course before appearing for B.C.A. I examination.

Ms. Junesh Kumari Kakaria observed that bridge course for non-mathematics students was the only right way out.

The Vice-Chancellor said that a Committee under the Chairmanship of Professor A.K. Bhandari, Controller of Examinations, would be constituted, which would include persons from the Departments of Mathematics & Computer and Principals & teachers of affiliated College where B.C.A. course is offered, to consider the issue and make recommendations. The members may submit their suggestions, in writing, to Professor A.K. Bhandari.

**This was agreed to.**

The Vice-Chancellor requested the Principals of the affiliated Colleges to shoulder the responsibility of conduct and evaluation of all the undergraduate examinations at 1<sup>st</sup> Year level, especially keeping in the view fact that the Government of India was insisting for the ratio of 1:1.3 between teaching and non-teaching staff. However, the question papers and other facilities would be provided by the University. Presently, the ratio between teaching and non-teaching staff was 1:2.9. For the time being the Government of India had agreed at 1:1.7 and asked to bring it down to 1:1.3. Secondly, the Government of India had asked the University to prepare the Budget in two streams, i.e. one for regular courses and another for Self-Financing courses. The grants sanctioned for regular courses would not be allowed to be used for self-financing courses in any manner. The self-financing courses would be run on the sole income generated from such courses. In the coming months, the University had to achieve this. He assured that some methods were being evolved so that none of the staff member was retrenched.

Shri Prabhjit Singh was afraid as to how the transparency in the examination system would be maintained if the proposal of shifting the first year examinations to the affiliated Colleges was accepted. Further, how the secrecy could be maintained in the Colleges where more than one teacher was teaching a class. However, the evaluation work would be completed where only one teacher is appointed for teaching a class.

Dr. I.S. Sandhu and Dr. S.S. Randhawa did not agree with the observations made by Shri Prabhjit Singh and added that the Colleges where only one teacher is appointed to teach a class should be closed down.

Principal Tejinder Kaur stated that the shifting of 1<sup>st</sup> year examinations to the Colleges was a serious issue. She was for transfer of 1<sup>st</sup> year examinations to the Colleges. But the procedure adopted for grant of affiliation to the Government Colleges which did not have requisite number of teachers must be looked into. The system could work in the private Colleges by increasing the strength of their faculty, but it could not be so in the Government Colleges. In any case if the Colleges take over this responsibility, she was doubtful if it would bring down the load of the University. The problems faced by the students at P.U. Regional Centre, Muktsar, needed to be redressed. The University should also think as to how the teaching – learning process could be strengthened.

Principal Virander Kumar Tewari said that the proposed ratio of the Government of India between teaching and non-teaching staff was not sacrosanct. The Government of India must be informed about the ground realities.

Principal A.C. Vaid said that in case first year examinations were to be shifted to the Colleges, the work relating to examination and evaluation should be entrusted only to Principals at the district level.

Shri Gopal Krishan Chatrath said that in Government College, Zira, only one teacher had been appointed. He stressed that no hurried steps should be taken in shifting over the first year examinations to the Colleges. The issue should be thrashed out by a Committee. Principal A.C. Vaid has suggested for conduct of first year examinations/evaluation at the district level, which could be considered. The University should strengthen its Regional Centres, which might be assigned this job. The proposal of the Government of India regarding ratio between teaching and non-teaching staff had no relevance in education. How man could be substituted by Machine?

Principal Gurdip Sharma welcomed the idea and appreciated the University for reposing faith in the affiliated Colleges for conducting 1<sup>st</sup> year examinations. He did not agree with the contention made by a member that due to shortage of teachers in the Colleges, the Colleges might not be in a position to shoulder this responsibility. Earlier also, they were conducting the examinations in these Colleges. Though certain Colleges were having less number of regular teachers, but they were imparting instructions to the students by appointing part-time teachers. As such, they must do this experiment as it was the responsibility of the affiliated Colleges to share the burden of the University.

Ms. Jasvir Kaur Chahal stated that there were certain courses at the Masters level which were being offered at P.U. Campus and the affiliated Colleges as well. But the syllabi of these courses were different and two types of degrees were awarded, which was not appropriate.

The Vice-Chancellor said that a Committee under the Chairmanship of Professor S.K. Sharma would be constituted to consider the issue of shifting of 1<sup>st</sup> year examinations of undergraduate courses at the College level in totality and make recommendations. The members may send their suggestions, in writing, to Professor S.K. Sharma or the Registrar.

**This was agreed to.**

Referring to **Sub-Item XXXII**, Principal Tejinder Kaur said that the proposed distribution of seats was not understandable. Whether the said distribution was applicable in Government Home Science College, Chandigarh, only.

Dr. P.S. Gill said that the provision under XXXII (f) that 'the use of simple non-scientific calculators in the examinations for the students of Postgraduate classes be allowed' should be mentioned on the Question Paper.

Dr. Dharinder Tayal stated that whenever there was a tie between two contestants, they shared the term half – half by mutual consent. He suggested that such an arrangement, i.e. sharing of half – half term, should be documented.

Shri Ashok Goyal stated that illegal could not be made legal by way of documentation. As far as this amendment was concerned, it was only in case of academic matters that the amendment/s could be implemented in anticipation of approval of Government of India/Publication of Government of India Gazette, but this amendment pertaining to elections could be implemented after it was notified by the Government of India in its Gazette. But at the same time the problem could be solved by making a Rule to this effect supplementing the Regulation.

Dr. Rabinder Nath Sharma said that there seemed a lapse in calculating the number of vacancies for Added Members in the Faculty of Arts, which had come to their notice at the time of election of an Ordinary Fellow recently held from the Faculty of Arts. According to him, since there were 51 Fellows, only 26 Added Members were to be added, whereas 27 Added Members had been shown.

Shri Rajinder Bhandari said that if any member ceased to be the member of any Body, an information to this respect should be sent to the concerned person. Recently, the name of Dr. Suresh Tandon was deleted without any information to him.

**The Vice-Chancellor said that the points made by Dr. Rabinder Nath Sharma and Shri Rajinder Bhandari would be looked into.**

**RESOLVED:** That the recommendation of the Syndicate contained in Item 41 on the agenda, be approved.

**RESOLVED FURTHER:** That to facilitate the early implementation of the above Regulation/s, Rule/s be framed.

**XXXI.** The recommendation of the Syndicate contained in Item 42 on the agenda was read, viz. –

- (i) the result of the students, who do not qualify/pass in all papers of a semester, be declared as “Reappear” in those subjects/ paper in which the student has not qualified/pass.
- (ii) the respective departments and the office of the DUI will regulate the promotion to next class as per regulations.

**(Syndicate dated 22.7.2010 Para 9)**

**(Syndicate dated 29.6.2010 Para 66)**

Dr. Dharinder Tayal said that there should be some distinction between Guest Faculty and persons appointed on part-time basis.

Principal A.C. Vaid clarified that the distinction between the Guest Faculty and persons appointed on part-time basis was that the Guest Faculty was paid on lecture basis, whereas the persons appointed on part-time basis was paid a consolidated pay.

**RESOLVED:** That the recommendation of the Syndicate contained in Item 44 on the agenda, be approved.

**XXXIV.** Considered the following recommendations of the Syndicate contained in Item 45 on the agenda:

**45.** That –

1. those who were admitted in USOL under relaxed provision in 2009-2010 (already approved by the Syndicate), be awarded a degree clearly stating year of admission and year of passing if such students were not fulfilling the requisite norms as per University Calendar;

Pharmacy 1<sup>st</sup> Semester be implemented from the academic session 2011-2012 instead of 2010-2011, considering the fact that the prospectus of the University published for 2010 admissions shows one seat reserved for Himachal Pradesh nominee and the Himachal Technical Directorate has also issued public notice in this respect.

**(Syndicate dated 29.4.2010 Para 14)**

**XXXVI.** The recommendation of the Syndicate contained in Item 49 on the agenda was read out, viz. –

**49.** That the following admission criteria be approved for admission to first year Integrated B.A. Hons. (Education) – B.Ed. course at Institute of Educational Technology and Vocational Education:

1. Number of seats be kept 50
2. Entrance Test-cum-Teaching Aptitude Test at departmental/ Institutional level be conducted to admit the candidates.

## 3. Criteria for admission:

Eligibility for application	50% in XII class (45% for SC/ST)
Qualifying marks for Entrance Test	40%
Weightage for Entrance Test	40%
Weightage for interview	10%
Weightage for merit in 12 <sup>th</sup>	50%

**(Syndicate dated 22.7.2010 Para 6)**

Dr. Dharinder Tayal wanted to know the need of Entrance Test for admission to first year Integrated B.A. Hons. (Education) – B.Ed. course.

The Vice-Chancellor said that because the students seek admission from different Institutes/Universities, with a view to assess their standard, the Entrance Test had to be conducted.

Professor R.P. Bambah remarked that the admission to almost every course was based on an Entrance Test because students were avoiding classes. How they could bring the students to the classes was the major concern. For this purpose an in-depth study by the experts was required. But in the meantime, the provision of Entrance Test should continue. This was only a remedial measure and in-depth study should be done later on.

Ms. Jasvir Kaur Chahal did not see any demerit in giving some credit to the merit of 12<sup>th</sup> class.

Professor S.C. Vaidya said that in certain cases the number of applicants was less than the number of seats, still there was Entrance Test for admission. At the end of the day, the move is towards an aptitude test, which would automatically solve most of the problems.

The Vice-Chancellor said that the item be approved. However, for future, the admission criteria would be reviewed.

**This was agreed to.**

**RESOLVED:** That the recommendation of the Syndicate contained in Item 49 on the agenda, be approved.

**XXXVII.** The recommendation of the Syndicate contained in Item 50 on the agenda was read out and unanimously approved, i.e. –

**XXXIX.** The recommendation of the Syndicate contained in Item 52 on the agenda was read out, viz. –

- 52.** That the fee of Rs.500/- be charged from the candidate for the lapses on his/her part, to curtail the practice of concealing of information in the examination forms.

**NOTE:** The lapse-wise fee may be worked out by the Vice-Chancellor, on behalf of the Syndicate.

**(Syndicate dated 29.6.2010 Para 18)**

The Vice-Chancellor stated that about 2.25 lacs candidates appeared in various University examinations at undergraduate level. Certain candidates did not fill up the examination application form properly and left various columns blank. The office faced a lot of difficulties when the candidate/s did not give the record of their qualifying examination. They did not care to respond in spite of various reminders issued by the University. Because of concealing of information by certain candidates, the office was not in a position to determine their eligibility and this process goes on till the examinations are held.

Dr. P.S. Gill pointed out that an answerbook of a candidate, who had applied for re-evaluation, had not been sent to the evaluator.

To this, the Vice-Chancellor said that answerbooks were sent to the evaluators for re-evaluation in lots. The answerbooks referred to by Dr. Gill had already been sent to the evaluator.

Dr. I.S. Sandhu pointed out that while inspecting D.A.V. College, Abohar, he had found that the names of 32 students were missing from the cut-list issued by the University.

The Vice-Chancellor clarified that the Superintendent of the Examination Centre could allow the candidate to appear only in one paper in case he/she did not have Roll Number issued by the University.

Ms Jasvir Kaur Chahal pointed out that the marks obtained by certain candidates in the University examinations were different on the University Website than the Detailed Marks Card issued by the University.

Shri Prabhjit Singh said that as had been said by the Vice-Chancellor, the proposed fee should be for discrepancies in the Examination Forms filled up by the candidates rather than for the lapses on his/her part. He added that mostly the

discrepancies in the Examination Forms were not found in case of Regular Students, but these were found only in case of Private Candidates, who did not fill up their Examination Forms themselves, but are filled in by the people of the Academies. Even the addresses of the candidates were written by the people of Academies.

Principal A.C. Vaid was of the view that instead of proposing a hefty fine on the students, the candidates involved in culpable offences could be debarred or their admissions cancelled.

The Vice-Chancellor said that in view of the Court directions, they could not prevent the candidates from appearing in the Examinations.

Principal Hardiljit Singh Gosal stated that Private Candidates are allowed to get their forms attested from the Principals and the Principals were to be held responsible for the wrong attestation made by them.

Dr. Dharinder Tayal suggested that only those candidates should be penalized who commit mistakes deliberately and a fine of Rs.500/- is not a deterrent.

**RESOLVED:** That the fee of Rs.5,000/- be charged from the candidates for the lapse/s on his/her part, to curtail the practice of concealing of information deliberately.

**XL.** The recommendation of the Syndicate contained in Item 53 on the agenda was read out and unanimously approved, i.e. –

Dr. Dalip Kumar said that the fine to be levied should be equivalent to the fee charged from the student/s.

Shri Rajinder Bhandari said that the fine on the colleges should be imposed in proportion to the mistake committed by them.

**RESOLVED:** That the Vice-Chancellor be authorized to take decision in the matter, on behalf of the Senate, after looking into the matter.

**The Vice-Chancellor said that the matter would be looked into.**

**(Syndicate dated 29.6.2010 Para 34)**

Professor Jaspal Kaur Kaang pleaded that the nomenclature of the Departments should stand under the University School of Open Learning.

The Vice-Chancellor stated that the University School of Open Learning was the teaching Department and there could not be Departments within the Department. If the nomenclature Section under the USOL was not appropriate, something else could be thought of.

- (4) the Heads of the University Teaching Departments/ Institutes/ P.U. Regional Centres, be directed to hold the Entrance Tests for admissions to be made

against the vacant seats, e.g. Masters in Social Sciences where 30 seats out of 40 seats are lying vacant.

**(Syndicate dated 31.8.2010 Para 19)**

Referring to the recommendation of the Syndicate that the candidates securing less than 20% marks in the subject of compartment at the +2 examination be made eligible to join B.A./B.Sc./B.Com. Part I courses, if they clear their compartment subject/s in the Supplementary Examination held in July/August, on or before the last date for admission with late fee with the permission of the Vice-Chancellor, provided the seat/s is/are available; Dr. R.P.S. Josh said that this decision was not going to benefit the students of 10+2 of Haryana Board of School Education, Punjab School Education Board and Himachal Pradesh Education Board because their Supplementary Examinations were held in September and the results were out even after that. With this decision only the students of CBSE would get the benefit.

The Vice-Chancellor said that the University could not wait for the result of Supplementary Examinations conducted by various Boards as the late declaration of their results would badly affect the functioning of various branches including R&S Branch, Examination Branch, etc.

Shri Prabhjit Singh said that the problem was being faced mainly by the Colleges in Punjab as the supplementary examination was held in September by the PSEB. A number of seats in the Colleges remained vacant. In view of this, provisional admission might be allowed and after clearing the supplementary examination, the admission of the students could be regularized.

Principal Hardiljit Singh said that presently the Supplementary Examination was held by the PSEB in the month of July and the result was out by 31<sup>st</sup> of August.

The Vice-Chancellor said that the item should be cleared. As and when the problem would arise, that would be examined.

**(Syndicate dated 29.6.2010 Para 7)**

Dr. Ronki Ram said that earlier the benefit of counting of past service rendered by Lecturers as Research Associates was given, but subsequently the same was withdrawn. The benefit should be given from the date of issuance of the letter by the U.G.C.

The Vice-Chancellor said that let the affected persons represent.

Dr. Dharinder Tayal said that for those Lecturers who were selected through the duly constituted Selection Committees, the period of service on contract basis should also be counted.

The Vice-Chancellor stated that as per court direction, the service rendered on contract basis was being counted.

**(Syndicate dated 29.6.2010 Para 77)**

Shri Prabhjit Singh enquired if the U.G.C. letter under consideration was being followed in toto.

To this, the Vice-Chancellor stated that the U.G.C. letter was being adopted in toto, so that it could facilitate the things clinched at the U.G.C. level.

Continuing, Shri Prabhjit Singh said that as per new Regulation 13.1, “the teachers should be appointed on contract basis only when it is absolutely necessary and when the student teacher ratio does not satisfy the laid down norms. In any case, the number of such appointment should not exceed 10% of the total number of faculty positions in the College/University. The qualifications and selection procedure for appointment of teachers on contract basis should be the same as is applicable for appointment of teachers on regular basis. The fixed emoluments paid to such teachers should not be less than the monthly gross salary of a regularly appointed Assistant Professor.....”. The quoted regulation should be strictly got implemented and ensured that such teachers were paid salary as per norms.

The Vice-Chancellor said that a proforma was being evolved and Committees would be visiting the affiliated Colleges without prior announcement for inspection. For the time being, the salary part is being implemented as rest of the regulation would be implemented by the Ministry of Human Resource and Development, Government of India.

Principal Tejinder Kaur said that there was also variations insofar as payment of salary to the Principals was concerned.

Principal Gurdip Sharma said that while fixing minimum salary of teachers appointed on contract/part-time basis, the ground realities should be kept in view; otherwise, the Colleges would not be able to follow the instruction issued by the University. Citing an example, he said that in Government College, Hoshiarpur, out of 102 teachers, 60 teachers were being paid a salary of Rs.7,500/- p.m.

**The Vice-Chancellor said that as a custodian of the Calendar, he had to make an appeal to all the managements to pay full salaries to the teachers and follow the University Calendar as well.**

Shri Madan Lal Aeri stated that about 1400 posts of teachers are lying vacant in aided Colleges. Government was giving only 65% grant-in-aid against 95%. Managements were getting the grants from the Government through Courts. There were no two opinions that teachers must be paid full salary. The Managements were doing at their level best. The Managements were making payment of salaries to the teachers according to revised pay-scale without getting enhanced grants from the Government. He suggested that it would be better if a Committee was appointed to look into the matter.

The Vice-Chancellor said that the Budget Estimates for the year 2010-2011 included arrear of Rs.121 crore and Rs.25 crore for payment of salary to the daily wagers working against substantive posts.

Shri Prabhjit Singh said that the daily wagers who were working against the substantive posts should be paid Basic Pay plus Dearness Allowance.

The Vice-Chancellor said that the daily wagers working against substantive posts would be paid revised pay w.e.f. 1<sup>st</sup> November 2010.

Principal Virander Kumar Tewari stated that in the last meeting of the Senate a resolution was passed by the House with respect to filling up of vacant posts in aided Colleges. According to his information since 27<sup>th</sup> July 2005 not even a single post had been allowed to be filled up by the Punjab Government. Recently, the Government of Kerala had allowed to fill up about 1599 vacant posts in the aided Colleges. Why can't the Punjab Government do it? In the previous meeting of the Senate, it was also decided to meet the Chief Minister, Punjab, to lift the embargo on filling up of vacant posts imposed by the Government. There was a time when the Punjab Government had decided to reduce the grant-in-aid to the College to a zero level by making 10% reduction every year and the Government was compelled to reverse its order. He informed that a Joint Action Committee from the Management and Principals Federation had been formed and it met on 26<sup>th</sup> February, but unfortunately thereafter nothing had been done. He pleaded that the Senate must represent to the Punjab Government on this issue.

Shri Gopal Krishan Chatrath stated that what could be done at the moment was that the members could make an appeal, through the Vice-Chancellor, to the the Punjab Government to allow to fill up the vacant sanctioned posts as per the U.G.C. norms.

The Vice-Chancellor said that the members might make an appeal to lift the embargo on filling up of vacant posts and the same would be forwarded to the Punjab Government.

- (iii) Memorandum of Understanding (MoU), be executed between Panjab University and Oxford Brookes University, UK under UK-India Education & Research Interaction Programme as twin Universities.

- (iv) the other operational details in pursuance of the above MoU, be worked out subsequently.

**(Syndicate dated 22.7.2010 Para 37)**

Dr. Dharinder Tayal enquired as to which Department of the University was going to be benefitted with the execution of MoU by the University with the Institute of Correctional Administration, Chandigarh.

Shri Gopal Krishan Chatrath clarified that the Department of Laws was going to be benefitted with the MoU with the Institute of Correctional Administration, Chandigarh, because this MoU would encourage the Department to initiate and undertake research and capacity building of Police/Prison Personnel on topics concerning Police and Correctional Administration.

Continuing, Dr. Dharinder Tayal pointed out that no MoU had been prepared as yet between the Panjab University and Oxford Brookes University, UK under UK-India Education & Research Interaction Programme as twin Universities. It was just a letter of intent.

The Vice-Chancellor stated that instead of treating MoU, it be treated a letter of intent as the MoU was yet to be prepared.

**RESOLVED:** That the recommendations of the Syndicate contained in Item 80 on the agenda, be approved, except that recommendation (iii) be treated as a letter of intent. As and when the MoU was executed the same be placed before the Syndicate and Senate for consideration.

**LIX.** Considered the following Resolution proposed by Dr. P.S. Gill, a Fellow (**Item 81 on the agenda**):

<b>Privilege Leave:</b> One month for every completed 11 (eleven) months of service. No one shall be granted more than four months leave at a time.	<b>Earned Leave:</b> Earned Leave as applicable to Non-Vocational staff of Govt. employees as per Punjab Govt. CSR Vol. I Part I rule 8.116.
<b>Half Pay Leave:</b> 20..... .....Service.	<b>Half Pay Leave:</b> <b>No change</b>
<b>Commutated Leave:</b> Commutated Leave..... .....on its expiry	<b>Commutated Leave:</b> <b>No change</b>

Further resolved that a Note 3 and 4 after Note 1 & 2 be incorporated on page 210

Note-3

In case of any clarification regarding interpretation of leave rules contained in Chapter, the Punjab Govt. leave rules as given in Punjab Govt. C.S.R. Vol. 1 Part I will be final.

Note-4

Existing employees have the option to be governed under Privilege Leave rules which existed before the introduction of Earned Leave for Non-teaching employees.

**EXPLANATION**

- (a) There is a provision of Privilege Leave for the Non-Teaching employees working in the Non-Govt. affiliated Colleges of Panjab University. The Privilege Leave does not entitle leave encashment in the Panjab University Calendar. Most of the Colleges are covered under 95% grant-in-aid scheme of Punjab Govt. It will be keeping in line with the rules of the Punjab Govt., which are amended from time to time.
- (b) In the Service conduct rules of the Panjab University, the teaching employees of Non-Govt affiliated Colleges are entitled to Earned Leave as per Punjab Govt. C.S.R. Vol. I Part I.
- (c) The existing employees may be allowed the option either to be governed by Privilege Leave rules as already existing in the Panjab University Calendar without Leave Encashment or they may be given option to be governed by the Earned Leaves rules proposed in the present amendment. This is required because Privilege Leaves are more than the Earned leaves admissible to Govt. employees.
- (d) If this amendment is incorporated in the Panjab University Calendar, it will avoid litigation between the Non-teaching employees of the Colleges and College Managements.

**NOTE:** The Syndicate dated 29.4.2010 (Para 8) has resolved that the above Resolution proposed by Dr. P.S. Gill, a Fellow, be forwarded to the Senate with the remark that the recommendation of the Committee dated 1.4.2010 (**Appendix-II**), be accepted.

Principal Gurdip Sharma said that if the proposed Resolution was accepted as such, it would put an additional financial burden on the Colleges. He suggested that the Resolution should be considered by an enlarged Committee which should include representatives of Managements and Principals.

**This was agreed to.**

**87.** That the recommendations of the Committee dated 2.2.2010, constituted by the Vice-Chancellor in pursuance of the Syndicate decision dated 2.8.2009 (Para 1), for grant of provisional affiliation/extension of affiliation to the Colleges to formulate certain procedure/ modalities, be approved.

**(Syndicate dated 29.6.2010 Para 41)**

Professor S.K. Sharma stated that there was hardly any College which fulfilled all the conditions imposed by the Inspection Committee. Almost all the Inspection Committees basically recommended grant of affiliation/extension of affiliation subject to certain conditions which never materialized. Secondly, the University did not have any mechanism for ensuring that the conditions were fulfilled by the Colleges at least before the next academic session. Thirdly, the Inspection Committee without verifying the fulfilment of the conditions imposed by the earlier Committee, again recommended grant of extension of affiliation. The affiliated Colleges had neither requisite faculty nor

infrastructure nor laboratories, etc., still the University went on granting affiliation/extension of affiliation. In this way, it has become a racket.

Dr. Dalip Kumar said that, this year, the University had granted extension of affiliation only after compliance of report of the first Inspection Committee.

The Vice-Chancellor said that out of 65 files, which were pending, 61 had been cleared by him a couple of days before. But four files could not be cleared because the concerned Colleges did not bother for compliance, in spite of reminders. One of the Colleges was asked not to make admissions in the 1<sup>st</sup> year of the course and the students of 2<sup>nd</sup> year of this College were transferred to another College. But the College made admissions to 1<sup>st</sup> year defying the orders of the University.

Shri Ashok Goyal stated that the Vice-Chancellor had said that the University was not granting any affiliation without compliance of conditions imposed by the Inspection Committee. Whereas extension of affiliation to DAV College, Maharishi Dayanand Marg, Abohar, for BBA-I (one Unit), B.Com. I and BCA-1 (3rd unit) was being given subject to fulfilment of conditions. Hence, they should not befool themselves. Referring to the suggestion put forth by Shri Gopal Krishan Chatrath that they should appeal to the Punjab Government through the Vice-Chancellor that the aided Colleges be allowed to fill up the vacant sanctioned posts, they are duty bound to tell the Government to fill up the posts lying vacant in Government Colleges. He added that there was a lot of discussion regarding payment of Rs.25,800/- as minimum emoluments to the NET qualified teachers, but the representatives of Managements and Principals of certain Colleges had said that they were not in a position to pay this much amount. Rather they had demanded that the Syndicate/Senate should evolve some methods by which some viable amount should be fixed. Notwithstanding the fact they knew that it was not within their purview to go beyond the U.G.C. norms. It was also a fact that these Colleges were not able to pay minimum of the pay-scales to the teachers neither according to 1986 pay-scales nor 1996 pay-scales nor 2006 revised pay-scales. But still the University had put the condition on the Colleges to pay full salary to the faculty as per new U.G.C. Regulations which was not practically possible. It meant 'what cannot be cured must be endured'.

The Vice-Chancellor said that the University had decided to send Committees to make surprise visits to the Colleges to ensure that the conditions imposed by the Inspection Committee/s were fulfilled.

Principal Virander Kumar Tewari was of the view that the stop-gap arrangement for appointment of Dean, College Development Council, should be put to an end by filling up the post on regular basis.

Dr. Rabinder Nath Sharma said that the short listing of the applicants who had applied for the post of Dean, College Development Council, should be done and the post should be filled up at the earliest.

**NOTE:** The Principal of the College advised to appoint one Reader and 3 Lecturers in Education through the prescribed procedure within two month of the dispatch of the letter.

- (ii) extension of affiliation be granted to Guru Gobind Singh College of Education, Gidderabha for B.Ed. course (200 seats) and M.Ed. course (25 seats) for the session 2010-11 subject to fulfilment of condition if any, as laid down in the Inspection Report.

**(Syndicate dated 29.6.2010 Para 54)**

Mrs. Jasvir Kaur Chahal suggested that in view of the new guidelines issued by the NCTE, 35 seats for M.Ed. course should be sanctioned instead of 25.

**(Syndicate dated 29.6.2010 Para 74)**

Principal S.S. Sangha stated that certain Colleges of Education were imposed fine for not appointing Principals on regular basis. In the process one of the Colleges was imposed a fine of Rs.16 lac, which was deposited by the College. When the said College asked for the panel, some delay occurred on the part of the University. Resultantly, the appointment of Principal was delayed and College was again asked to deposit a fine @ Rs.50,000/- p.m., which was wrong and undemocratic. He pleaded that the fine imposed on all such Colleges should be reviewed.

The Vice-Chancellor said that Principal Sangha should give his viewpoints in writing, so that the same could be examined.

**RESOLVED:** That the recommendation of the Syndicate contained in Item 92 on the agenda, be approved.

Dr. Dharinder Tayal said that the Committee constituted to look into the U.G.C. (Affiliation of Colleges by Universities) Regulations 2009 had recommended that the U.G.C. Regulations with regard to conditions of affiliation along with the existing provisions mentioned in Panjab University Calendar be placed before the Syndicate in the shape of comparative chart, which was missing in the Syndicate proceedings.

The Vice-Chancellor said that the U.G.C. Regulations considered by the Syndicate were with regard to acquiring of land by the Colleges while seeking affiliation. Earlier, as per University Calendar, there was a provision for acquiring 7.5 acres of land, but the U.G.C. brought it down to 5 acres and the University had accepted the same. Now, the Regulations/Rules of the University would be amended accordingly.

It was noted that the Senate at its meeting held on 28.3.2009 (Para XX) had observed that Guru Teg Bahadur Khalsa College of Education, Dasuya (Hoshiarpur), do not had the Principal on regular basis and further the post of Principal had not been advertised. Now, the College has complied with the conditions laid down by the Senate.

Dr. P.S. Gill stated that the Inspection Committee had visited DAV College, Jagraon, for the second time, but its outcome was not known. Since the nominee of the Vice-Chancellor was changed and members of the second Committee did not know as to what condition/s was laid by the earlier Inspection Committee. He, therefore, pleaded that in order to ensure better co-ordination and verification of fulfilment of condition/s by the Colleges, the nominee of the Vice-Chancellor should not be changed whenever the Committee visited the College for the second or third time.

**LXXXIV.** Considered the following Resolution along with Explanatory Note proposed by Dr. Dharinder Tayal, a Fellow **(Item 116 on the agenda)**:

“The attire for the Convocation of the University be in Consonance with our culture and weather”

**EXPLANATORY NOTE:**

There have been objections to carrying on with the Colonial legacy of wearing Gowns, Capes and Sashes at the Convocations. This was witnessed recently at the Convocation of Indian Institute of Forest Management and earlier at Devi Ahilyabai Vishwa Vidyalaya.

Oxford and Cambridge Universities seem to be the first to adopt this attire. Because of the pioneering role of these universities in Western education, copying of their dress-code by every university in the Western World was natural. For us, it is certainly a colonial legacy. These ‘Black’ legacies are grossly incongruent with our weather (heat) and also with our culture.

It is understood that the Academic world has many fine-tuned levels: D.Sc., Ph.D., M.Ch., M.Phil, Masters and Graduates. Symbols which signify the levels are therefore important.

Can we not replace those unwieldy and sweaty legacies by something which suits our climate? However, it must serve the same purpose. It must look elegant with every style commonly worn by Indian students. Significance to Indian heritage would be ideal.

As a premier University of the Country it is time Panjab University stepped forward to throw away the symbols of slavery and colonialism and join the ranks of top notch Universities of the Country like the prestigious Vishva Bharti University where an 'Uttorio' (angavastram) is worn. With its elegance, heritage stature and wide use for ceremonial occasions it could certainly fill the bill. It can be worn over any dress. Infinite variations in background colour and, number and design of gold and silver braids provide all the fine-tuning flexibility required for academics.

The Uttorio is a suggestion and possibly a better alternative can be found. But the crux of the issue remains to set the sun on the Empire and shine suitably under our own rising sun.

**NOTE:** The Syndicate meeting dated 29.6.2010 (Para 59) has resolved that the above Resolution proposed by Dr. Dharinder Tayal, Fellow, be kept pending.

Dr. Gurmeet Singh stated that he had talked to several students on the issue and found that majority of students wanted to wear gowns and did not think it a burden. He said that merely changing the attire to dhoti kurta was not reflective of Indian-ness. The change has to come from within. He, however, proposed that a survey should be conducted amongst the students and if they wanted to change the attire for the Convocation, it should be done; otherwise not.

Dr. Dharinder Tayal, referring to the observation made by Dr. Gurmeet Singh, enquired whether they were going to have a referendum on the proposal. He stated that when the British left India, the country did not start wearing dhoti kurta, but continued with the attire which the Britishers had imposed. The wearing of black robes at the Convocation, being a colonial legacy, should be done away with. Certain prestigious Universities of the country, including Vishva Bharti University, West Bengal, Central University, Chhatisgarh, had done away the legacy of wearing gowns, etc. in their Convocations. Moreover, the students of the Institute of Rural Management in Gujarat, wear 'angvastrams'. As a premier University of the country, the Panjab University should come forward to throw away the symbols of slavery and colonialism rather than waiting for other Universities of the country to do away with this system. The Panjab University should take an initiative rather than blindly following others. **Referring to Sub-Item R-(xxvi)**, Dr. Dharinder Tayal said that it was surprising that marks of 50 students had been increased by more than double after re-evaluation, which showed the casual approach of the examiners/evaluators.

Shri Prabhjit Singh sought information about the qualifications for appointment of Lecturers in Colleges of Education, i.e. the minimum percentage of marks in B.Ed. and M.A. was 50% and 55%, respectively.

Principal Virander Kumar Tewari said that the API proforma devised by the Panjab University was not as per UGC norms.

The Vice-Chancellor said that qualifications referred to by Shri Prabhjit Singh were with regard to new appointments.

**Referring to Sub-Item (R-xl)**, Principal Hardiljit Singh Gosal said that the Inspection Committee had recommended grant of 30 seats for M.Sc. (2-Year Course), but only 20 seats had been approved by the Syndicate.

The Vice-Chancellor said that the intake of 20 seats had been given to the College to maintain the uniformity.

**Referring to Sub-Item (R-xlv)**, on the point raised by a member that the letter with regard to increase in seats allowed by the NCTE for B.Ed. and M.Ed. courses from 50 to 100 and 30 to 40, respectively had not been issued to the Colleges of Education, the Vice-Chancellor said that the Dean, College Development Council, would issue the said letter.

**Referring to Sub-Item (R-xli)**, Dr. Dalip Kumar stated that in the Inspection Committee Report a condition had been put that only those students shall be eligible to seek admission to this Certificate Course who had studied Computer subject up to +2

level. Whereas, this programme had been launched by the U.G.C. and the U.G.C. guidelines were clear that it was open to everyone. He suggested that the rider imposed by the Inspection Committee should be lifted.

The Vice-Chancellor stated that they were facing problem in the case of B.C.A. where the students, who had not studied Mathematics at +2 level, had been allowed admission. If the condition of having studied Computer up to +2 level was dropped, they might face similar problem for this Course as well.

The Vice-Chancellor suggested that the examination of the Add-On courses should be conducted by the affiliated Colleges at their own and certificate issued.

The Principals of certain Colleges said that though the Colleges were ready to take up the responsibility of conduct of examination of Add-On courses, but in any case the certificates to the successful students should be issued by the University.

Shri Ashok Goyal stated that there was difference between Add-On courses and other courses being offered by the affiliated Colleges. But unfortunately the Inspection Committees which visited the Colleges were stipulating that the teachers appointed even for Add-On courses would have to be paid a minimum salary of Rs.25800/- p.m. As such, the Inspection Committees were treating both types of courses on the same footing.

Principal Virander Kumar Tewari said that the scheme of the U.G.C. was comprehensive, but the whole scheme was not adopted. He suggested that a Committee should be constituted to look into the other aspects of the scheme as well so that the money given by the U.G.C. was properly spent.

**The Vice-Chancellor said that a Committee would be constituted to look into the whole issue.**

**Referring to Sub-Item (R-iii)**, Dr. Rabinder Nath Sharma said that Guru Gobind Singh Degree College, Gidderbaha, was being given affiliation in several subjects for B.A. I, whereas the College did not have requisite infrastructure for teaching these subjects.

<b>Principal Gurdip Sharma</b>		
<b>Sr. No.</b>	<b>Question</b>	<b>Answer</b>
1.	How many times the various members of the Senate were sent as Vice-Chancellor Nominees or subject Experts for the selection of the Principals, Lecturers and as members of various Inspection Committees to various Colleges from Jan 2010 to September 2010.	It is the Prerogative of the Vice-Chancellor
2.	Which Non Senators/Principals were sent for the Selection of the Principals? What criteria were followed?  Whether Seniority or any other specific reason?	
3.	Is there any Panel of Principals prepared by the office in accordance with the seniority list?	

4.	<p>What are the qualifications for the post of Assistant Professor as per the new guidelines adopted by the P.U., Chandigarh.</p> <p>(a) Are the individuals with M.Phil before 1993, but without University Grants Commission-NET eligible?</p> <p>(b) Are the individuals with Ph.D. upto 2009, but without University Grants Commission-NET eligible?</p>	<p>A) As per 3<sup>rd</sup> Amendment in the Gazette of Govt. of India, candidates who have done M.Phil. are not eligible for the post of Asstt. <b>Dr. I.S. Sandhu</b>		
1.	<p>Affiliated Colleges are indulging in violation of rules and regulations of the Panjab University Calendar regarding payment of Salary and the deduction of Provident Fund. He asked that the compliance to the rules and regulations on such matter be insured and action against violating Colleges be initiated.</p>	<p>The Hon'ble Fellow has not specifically mentioned the names of the Colleges of their having been allegedly indulged in violation in compliance of the rules and regulations on Salary and Provident Fund. He is requested to please specifically mention such Colleges for initiating action against them as per the University rules. It may be mentioned that recently a circular No.Misc./A-1 &amp; 2/1402-1757 dated 1.4.2010 has been sent to all the affiliated Colleges to ensure, among other P.F. deduction and contribution by the employer in case of whole time teachers from the 1<sup>st</sup> day of joining the service by them . However, a general circular will again be sent to the all the affiliated Colleges for strictly compliance of the rules and regulations regarding payment of salary and deduction of the Provident Fund in case of teachers working in the affiliated Colleges.</p>
<b>Dr. Tarlok Bandhu</b>		
1.	<p>Malwa Central College of Education for Women, Ludhiana applied for its recognition as research centre for starting Ph.D. in Education, on 7.6.2010. The discrepancy regarding the prescribed fee for the said purpose (as pointed out by A.R. General) was removed by the College on 18.6.2010. Three months have passed but the</p>	<p>Reply attached at <b>Annexure-V</b></p>

	College is yet to receive any communication from the University. Please let me know why it is taking so long to take decision? Why and at what level/stage the file is held up and is retained as pending for so long. Why the College was not informed about the status of its application even after completing all formalities as per requirements of the University.	
	The University has recently introduced Academic Performance Indicators (APIs) criteria for direct recruitment of teachers. Please let me know whether the points earned by the candidates on API are meant only for scrutiny/short listing of candidates for interview or these points have also some weight for final selection?.	It is submitted that as per verbal information received from the Establishment Branch (Teaching) the Vice-Chancellor has constituted a Committee for Academic Performance Indicators (APIs) criteria for direct recruitment of teacher in the University. Now, on the basis of question raised in the Senate meeting by Dr. Tarlok Bandhu, Fellow, a separate note is being put up for the order of the Vice-Chancellor whether the matter regarding Academic Performance Indicators (APIs) criteria for recruitment of teaching faculty in the affiliated colleges may also be placed before the Committee, already constituted by the Vice-Chancellor.
<b>Dr. Dalip Kumar</b>		
1.	According to the latest University Grants Commission Guidelines a Ph.D. student who is a teacher of an affiliated college of Panjab University will have to undertake a course work for a minimum period of one semester. It is presumed that the teacher would like to proceed on academic leave for that particular semester where as at present there is no such provision of such academic leaves at the level of University Grants Commission/ Administration. Would the University initiate some steps to enable the teacher concerned to proceed on leave as academic leave without any administrative hindrance?	In this regard a separate note is being put up to the Vice- Chancellor with the request to constitute a committee to decide the matter.
2.	There is a provision of 25% concession in fees for self-financing courses to the wards of the employees/ retirees of Panjab University. But the teachers serving in the affiliated Colleges with Panjab University are bereft of this benefit. Panjab University has a good potential in 184 affiliated colleges to give it a global perspective. Would the University consider the proposal to extend such concession in fees in case	The Senate at its meeting held on 4.4.2010 has resolved that concession of 25% tuition fee concession in self-financing courses be extended to the wards of college teachers studying in the University other than NRI/NRI sponsored category; it be paid out of the College Development Council Fund and College Development Council fee be enhanced from Rs.35/- to Rs.50/- with effect from the next academic session.

	of self-financing courses for the wards of the colleges in the larger interest of homogeneity of teaching staff in University and colleges?	
3.	Presently the Panjab University send the inspection teams to colleges for the affiliated of courses like post graduation programs, Under graduate courses, post graduate diploma courses and also for add- on courses. It is worthwhile to mention that the University sends the full detail of the composition of team, particulars of the members and relevant information to the college concerned. The conveners of the team duly consult the college principal about the date and time of the inspection. On the other hand in case of inspections pertaining to add-on courses no such information is provided to the college concerned i.e., about the composition of team and related details of the inspection team. Would the university consider to adopt the similar policy for affiliated pertaining to both the types of courses? The reason behind not to disclose the name of the team members may be clarified in case of inspection for Add-on-courses.	<p>The Add on Course Cell was made operative in the month of May-2007. The Cell was functioning under the control of Advisory Committee under Chairmanship of Professor A.C. Julka and Professor R.K.Kohli.</p> <p>The Advisory Committee designed/ approved a proforma and the letter for the Principal and for the members of the Inspection Committee for holding inspection for grant of extension of affiliation for Add on Courses. The proforma and the letters designed/ approved by the Advisory Committee were totally different from the Colleges Branch.</p> <p>As per pervious practice the names of the Inspection Committee were not intimated to the Principal of the College and the same procedure is being adopted by the AOC Cell.</p>

Dr. Tarlok Bandhu stated that Malwa Central College of Education for Women, Ludhiana, had applied on 7.6.2010 for recognition as research centre for starting Ph.D. in Education. The discrepancy regarding the prescribed fee for the said purpose was removed by the College on 18.6.2010. He appreciated the General Branch for requesting the Chairperson, Department of Education, Panjab University, immediately, i.e. on 22.6.2010 to offer comments and even sent reminders. But no reply was received. At last, the meetings of the specially constituted Committee to consider the cases of Dev Samaj College of Education, Chandigarh and Malwa Central College of Education, Ludhiana, were held on 9.7.2010 and 12.8.2010 and the minutes were approved by the DUI/Vice-Chancellor on 29.9.2010. Finally, the Colleges were informed by the University on 4.10.2010 that their request for approval of Research Centre for pursuing research leading to Ph.D. had not been acceded to and the reasons advanced by the Committee were same for both the Colleges, i.e. Library is not equipped for undertaking Ph.D. work, number of theses, reference books, dissertations, indices, etc. are not sufficient, shortage of faculty, etc. etc. According to him, both the Colleges could not have same shortcomings. It was all due to discriminatory attitude of the Department of Education, which was undesirable.

Principal S.S. Sangha endorsed the viewpoints expressed by Dr. Tarlok Bandhu.

Principal A.C. Vaid suggested that all the applications of the Colleges for recognition as a Research Centre should be considered by sending the Inspection Committees to the respective Colleges and the process should not be left at the mercy of the relevant teaching Department of the University. He was supported by Ms. Jasvir Kaur Chahal, Dr. I.S. Sandhu, Principal S.S. Sangha, Dr. P.S. Gill, Principal Hardiljit Singh Gosal and Shri Manish Verma.

Professor R.K. Sharma said that a Committee under the chairmanship of Shri V.K. Sibal had been constituted to suggest reforms for election from the Registered Graduates' Constituency, but its outcome had not been known.
