Information contained in the office note (**Appendix-V**) was also taken into consideration.

Welcoming the initiative of the Vice-Chancellor, Dr. Gurmeet Singh pleaded that the cases for protection of pay, which were pending in the office, should also be cleared on similar basis.

The Vice-Chancellor stated that the persons who had earlier been working in the Government Colleges/Institutions before joining the University, their pay had to be protected.

Shri Gopal Krishan Chatrath said that with a view to facilitate the mobility of the teachers, the pay of those persons who had been working in the Government Institutions, and national institutions, had to be protected.

The members observed that when the approved teachers join new institution in the jurisdiction of another University, the U.G.C. new qualifications should not be implemented in their case. In accordance with a circular issued by the University in 1995, the latest U.G.C. qualifications would not be applied on already approved teachers. Further, earlier in case of an approved Principal, who had been working in a College affiliated to Guru Nanak Dev University and who subsequently joined a College affiliated to Panjab University, his appointment was approved by the University. The persons who had not qualified NET, but had done Ph.D. under old Regulations and are approved teachers should be made eligible for Lecturership. Those who spoke on the issue were – Dr. Rabinder Nath Sharma, Shri Gopal Krishan Chatrath, Dr. Dharinder Tayal.

The Vice-Chancellor stated that the University had sought a clarification from the U.G.C. with regard to exemption from NET for those pursuing Ph.D. programme before notification of U.G.C. (Minimum Standards and Procedures for Awards of M.Phil./Ph.D. degree) Regulations 2009. Responding to the query, the Deputy Secretary, University Grants Commission, vide letter dated 3rd January 2011, has informed that the U.G.C. Regulations 2009 have been prescribed with the wide consultation of Ministry of Human Resource Development and is mandatory in nature. Any deviation in the U.G.C. Regulations 2009 is not possible at this stage. Hence, U.G.C. regrets its availability to provide any other kind of exemption beyond Regulations 2009. The Vice-Chancellor clarified that in view of the said U.G.C. clarification, a person who was working as Lecturer before 2009, would be required to clear the NET or have to do Ph.D. under U.G.C. new Regulations 2009, for being eligible for selection at a new place against a new post. **However, the circular handed over by Dr. Rabinder Nath Sharma would be got legally examined.**

RESOLVED: That the pay of Mr. Harpreet Singh, Assistant Professor, Department of Economics, be protected and his basic pay be fixed at ₹16250/- (i.e. Basic Pay which he was drawing with his previous employer) w.e.f. 12.12.2008 i.e. date of his joining in Panjab University in the pay-scale of ₹15600-39100 + AGP ₹ 6000/-.

Recommendations of the Committee dated 15.11.2010 with regard to grant of affiliation 'for the session' instead of 'with effect from the session'

28. Considered minutes dated 15.11.2010 (**Appendix-XX**) of the Committee constituted by the Vice-Chancellor with regard to granting affiliation/extension of affiliation 'for the session' instead of 'with effect from the session' as was decided by the Syndicate at its meeting held on 2.8.2009 and the Colleges of Education have challenged this decision in the Hon'ble Punjab & Haryana High Court.

NOTE: The Syndicate dated 2.8.2009 (Para 1) has resolved that all the provisional extension of affiliation so far granted **with effect from the session be treated as for the session.**

RESOLVED: That the recommendations of the Committee dated 15.11.2010, as per **Appendix XX**, be approved.

Issue regarding action against Guru Nanak College, Ferozpur Cantt.

29. Considered if any action is to be taken against Guru Nanak College, Ferozpur Cantt., for granting admission to 30 students to M.Sc. I (Mathematics) course without getting extension of affiliation for the year 2010-2011.

- NOTE:**
1. The Inspection Committee has opined that already enrolled 30 (thirty) students in M.Sc. I (Mathematics) be allocated to the nearby Colleges to avoid any embarrassment to the University at the earliest and the College be warned not to admit students in future without affiliation.
 2. In view of non-fulfilment of the imposed conditions as reported by the Inspection Committee, and the College failed to apply for affiliation for extension for the session 2010-2011.
 3. The Syndicate meeting dated 25.11.2010 (Para 23(xi)) has ordered to transfer the Students of M.Sc. II (Mathematics) for the session 2010-2011 who have passed out M.Sc. I (Mathematics) from Guru Nanak College, Ferozpur Cantt during the session 2009-2010 as the said College has not been granted extension of affiliation for M.Sc. II (Mathematics). The Girls students be transferred to Dev Samaj College for Women, Ferozpur City and the boys be transferred to the nearby College where the course is going on.

It was suggested that hefty fine should be imposed on Guru Nanak College, Ferozpur Cantt., as the College was habitual of making admissions without getting extension of affiliation.

Shri Gopal Krishan Chatrath suggested that the Judgement delivered by Justice Jasvir Singh should be gone through and action be taken against Guru Nanak College, Ferozpur Cantt., accordingly.

Ms. Jasvir Kaur Chahal pointed out that sometimes the Inspection Committees did not make clear recommendations, i.e. whether extension of affiliation was being recommended for a particular session due to which the Colleges take undue advantages.

Shri Avtar Singh Bedi stated that the teachers appointed to teach Add-On courses were being paid @ Rs.8,000/- p.m., whereas the University was insisting that these teachers should be paid at least Rs.25,800/- p.m. In view of this, it would be better if these Colleges were allowed to appoint part time teachers to teach these courses.

The Vice-Chancellor said that the payment should be made as per U.G.C. norms.

After some further discussion, it was –

RESOLVED: That –

1. a fine of Rs.2.5 lac be imposed on Guru Nanak College, Ferozepur Cantt., for making admission to M.Sc. I (Mathematics) course without getting extension of affiliation for the year 2010-2011. The fine so imposed is not to be collected from the students; and
2. The students of M.Sc. I (Mathematics) be transferred to other Colleges. The fee paid by the students be got refunded and got transferred to the College/s where the students would go.

Dr. Janmit Singh, Fellow, allowed to exercise statutory rights as member of the Senate

50. Considered the representation of Dr. Janmit Singh (**Appendix-XXXIII**) to restore his voting right as a member of the Senate on the basis of his lien.

NOTE: Dr. Janmit Singh has given the representation against the decision, based on legal opinion given by the Legal Retainer which allowed him to remain a member of the Senate but he is not allowed to vote for election of Added Members of Faculties.

As per the legal opinions, as Dr. Janmit Singh has retained his lien as Principal, therefore, as per past precedents, also quoted by Dr. Janmit Singh, he has been allowed to retain his membership of the Senate. Since, Dr. Janmit Singh has not been performing “whole time duties of the Principal” at the time of Registration of Voters for the by-election from the Principals’ Constituency, as per explanation given after Regulation 2, page 61, Panjab University Calendar, Volume I, 2007, his name was not included in the list of Voters.

In the Panjab University regulations, there is no provision of a Senate member who cannot exercise his statutory rights, i.e., a Fellow, who cannot take part in the election process of Syndicate or Added Members, as a Senator. The name of Dr. Janmit Singh was not included in the Voters List as a Principal. His statutory rights as a Fellow were not questioned at that time.

Also, the case of Principal Kuldeep Singh, quoted in legal advice is not parallel to that of Principal Janmit Singh, as Principal Kuldeep Singh was not a Fellow.

Since the decision of remaining a member of Senate but not having right to vote is not supported by any regulation, the Vice-Chancellor has ordered that the case be placed before the Syndicate for decision.

After discussion, it was –

RESOLVED: That Dr. Janmit Singh, Fellow, be allowed to exercise his statutory rights as a member of the Senate, but the decision will have to be got ratified by the Senate.

(1) Principal Hardiljit Singh Gosal and Shri Gopal Krishan Chatrath stated that earlier a delegation of Principals had met the Vice-Chancellor for removing Professor Keshav Malhotra from the post of Associate Dean, College Development Council as he was working against the interests of the Colleges and the Vice-Chancellor had committed to remove him. They demanded that he should be removed immediately. They were supported by several other members on this issue.

The Vice-Chancellor said that he would take appropriate steps. However, he informed that the interview for the post of Associate Dean, College Development Council, is likely to be held shortly.

(2) On the point raised by Dr. Rabinder Nath Sharma that Dr. Manoj Kumar, Reader, should be sent back to the University Business School, the Vice-Chancellor said that he will consider the matter.

(3) (i) Dr. Rabinder Nath Sharma wanted to know the outcome of the Enquiry Committee constituted to enquire into the removal of Dr. Dinesh Sharma, Superintendent in the Examination Centre at Dev Samaj College for Women, Ferozepur, in April 2010.

Dr. R.P.S. Josh informed that the Enquiry Committee constituted by the Vice-Chancellor for the purpose had already held three meetings and the outcome is expected shortly.

- (4) Dr. Dharinder Tayal said that there were certain Data Entry Operators in the A.C. Joshi Library and one of them had been promoted as Junior Technician Grade III. He pleaded that the remaining persons should also be promoted as Junior Technician Grade III on similar basis. He added that the posts of Junior Technician Grade III are lying vacant.

Shri Gopal Krishan Chatrath said that the only way to adjust them was that they should be merged into Clerical cadre as the University had already changed the nomenclature of post of Clerk to that of Clerk-cum-Data Entry Operator.

The Vice-Chancellor said that the matter would be looked into.

- (5) Dr. Dharinder Tayal said that the Department of Computer Science & Applications should be bifurcated to set up a separate Computer Centre.

The Vice-Chancellor said that if they wanted to set up a separate Computer Centre, it had to be done as per U.G.C. norms. He said that the matter is under consideration.

- (6) Principal Hardiljit Singh Gosal said that one of the Colleges had been imposed a fine of Rs.1 lac by the University for not appointing full-fledged faculty for teaching an Add-On course. In fact, the College was teaching the course by engaging guest faculty. He pleaded that in the case of certain Colleges the fine imposed was reduced and only 1/3rd of the fine was realized. He suggested that same yardstick should be adopted in case of other Colleges. As such, out of Rs.1 lac only Rs.33,000/- should be charged from the said College.

The Vice-Chancellor said that Dean, College Development Council, would look into the matter.

- (7) Principal Hardiljit Singh Gosal said that Khalsa College of Education, Muktsar, had been imposed a fine of Rs.16 lac for not appointing a regular Principal. The College had approached the court against the orders of the University and the court had granted stay to the College. Now the College had appointed a Principal on regular basis. Therefore, the fine imposed for the earlier period should be condoned.

The Vice-Chancellor said the University had imposed the fine as per the decision of the Punjab Government.

- (8) Dr. Gurmeet Singh stated that the students, who took admissions on sports basis, did not report for trails in the University despite representing their respective Colleges in Inter-College tournaments. The admissions of such students should be cancelled.

Professor Naval Kishore said that, in fact, the students represented their respective Colleges in the Inter-College tournaments, but when it comes to University, they ignore their participation in the Inter-University competitions.

Shri Gopal Krishan Chatrath suggested that some extra money should be charged from the students so that expenditure of sports persons during camps, tournaments, etc. could be borne out of the money so collected.

(9) Shri M.L. Aeri said that the University had imposed a fine on D.A.V. College, Sector 10, Chandigarh, for filling additional seats of B.Com. I without permission from the University. This all happened due to certain technical error. As such, the College should be given some time to sort out the problem.

(10) Dr. Dharinder Tayal wanted to know the fate of his Resolution that "The attire for the Convocation of the University be in Consonance with our culture and weather".

The Vice-Chancellor said that the status report on the Resolution would be communicated to Dr. Tayal.
