### **Condolence Resolution**

The Vice-Chancellor said, "I am pained to inform this august House about the void created in the literary circles with the sad demise of Dr. Harnam Singh Shan, Professor Emeritus, after a brief illness on June 9, 2011. In his sad demise, the University fraternity has lost a noble human being, who had very richly contributed for the growth of literary activities on the campus as well as at national and international levels. The entire literary fraternity of the country has plunged into gloomy despair with this sad happening. I am further pained to inform about the sad demise of Shri M.G. Sharma, former Finance & Development Officer of the University, on July 4, 2011, who had made rich contributions for the growth of this University.

**The Syndicate expressed its sorrow and grief over the passing away of Dr. Harnam Singh Shan, Professor Emeritus and Shri M.G. Sharma, former Finance & Development Officer, Panjab University, and observed two minutes' silence, all standing, to pay homage to the departed souls.**

**RESOLVED:** That a copy of the above Resolution be sent to the members of the bereaved families and the Press.

### **Vice-Chancellor's Statement**

The Vice-Chancellor said, –

- "(1) As per a survey of the professional Colleges conducted by a reputed Magazine 'Outlook' in its issue dated 27.6.2011, the University Institute of Engineering & Technology has been ranked at No.31.

- (2) Dr. Vishal Sharma, Assistant Professor, Institute of Forensic Sciences, has been awarded 'Young Scientist Research Award' for pursuing knowledge of this advanced study.
- (3) Dr. Purva Kansal, Assistant Professor, University Business School, has received award for Best Professor in Marketing by CMO Asia, a US based organization dedicated towards connected marketers at a common platform.

The Vice-Chancellor further stated that the office had supplied wrong information under RTI Act about the names of persons who had been awarded degrees of Doctor of Law (*honoris causa*) by the University. In fact, the name of Dr. Manmohan Singh, Hon'ble Prime Minister of India, who was awarded degree of Doctor of Law (*honoris causa*) by the Panjab University, had been omitted. Since it had brought a bad name to the University, the dealing Senior Assistant, Shri Satish Kumar, R&S Branch, who prepared the list in the first instance, has been placed under suspension with immediate effect. The possibility of conspiracy in omitting the name of Dr. Manmohan Singh from the list could not be ruled out. He had constituted a Committee to conduct preliminary enquiry. Based on the findings of the Preliminary Enquiry Committee, a regular enquiry would be conducted to go into the matter.

Shri Gopal Krishan Chatrath stated that they did not know the motive behind seeking information with regard to persons who had been awarded degree of Doctor of Law (*honoris causa*) by the University since 1947 by Shri R.K. Singla, RTI activist. Out of six names on the page of the record maintained by the University, five have been listed and the only name of Dr. Manmohan Singh, Hon'ble Prime Minister of India, has been omitted. In fact, the information regarding award of degree of Doctor of Law (*honoris causa*) to Dr. Manmohan Singh, Hon'ble Prime Minister of India, covered almost 1/4<sup>th</sup> of the page, which could not be overlooked. Some persons are taking undue advantage of the RTI Law, which is the baby of Dr. Manmohan Singh himself. Later on, it was given in the Press that the record regarding award of degree of Doctor of Law (*honoris causa*) to Dr. Manmohan Singh had been misplaced by the University. It was also given in the Press that perhaps the Doctor of Law (*honoris causa*) degree awarded to Dr. Manmohan Singh has been cancelled. In fact, it was the duty of every Public Information Officer to verify that information before supplying the same to the applicant. He assured that the report of the preliminary enquiry would be made available to the Syndicate in its next meeting.

The Vice-Chancellor informed that the NCTE Committee had visited the Panjab University for approval of B.A. Hons. (Education) B.Ed. course and they are waiting for the report.

**RESOLVED:** That –

- (1) felicitations of the Syndicate be conveyed to –
  - (i) Dr. Vishal Sharma, Assistant Professor, Institute of Forensic Sciences, on his having been awarded the Young Scientist Research Award for

pursuing knowledge of this advanced study; and

- (ii) Dr. Purva Kansal, Assistant Professor, University Business School, on receiving award for Best Professor in Marketing by CMO Asia, a US based organization dedicated towards connected marketers at a common platform.

- (2) The information contained in Vice-Chancellor's Statement at Sr. No.1, be noted.

At this stage, the Vice-Chancellor brought to the notice of the Syndicate that Shri Prabhjit Singh, Fellow, Panjab University, Chandigarh; and Syndic in 2006 & 2009, H.No. 3015, Phase -VII, Mohali, Punjab, has made the complaint to the Chancellor and other Dignitaries alleging serious irregularities and violations by the affiliated Colleges with regard to University/U.G.C./Punjab Government rules and Regulations. The Vice-Chancellor said that it is only the Dean, College Development Council, who can throw the light in this regard as he had forwarded the complaint to him for necessary action.

Responding to the directions of the Vice-Chancellor, the Dean, College Development Council, while referring to the said complaint made the following statement, which was noted by the Syndicate:

He stated that at the outset it has been alleged that, "irregularities and illegalities ---- committed by the colleges affiliated to P.U. in express connivance with the University authorities for the reasons best known to the college and Vice-Chancellor only", which for that matter forces me to intervene and make a fact based statement.

I crave for your concentrated attention as I place the facts before you for your consideration.

1. that my statement is related to the 10 months of my being in this office, therefore, it may not be read into anything related to past nor is reflection thereon.
2. It is because of the concerted & continuous support, guidance & direction of the Senate, the Syndicate & and the Vice-Chancellor (I choose not to use the word 'only') because it has been a collective effort of all the three that steps could be taken to streamline the working of C.D.C. office & building a proper rapport with the colleges which cannot be termed as connivance as is alleged in the said complaint but a realization that has been made through persuasion, hard action which include punitive measures as also has financial implication for the defaulting colleges, a few of which are being placed on record;
  - a) Courses run by the colleges without seeking affiliation have been stopped during the last 10 months, I refer the case of Guru Nanak College, Ferozepur.

- b) Students given admission in this college and quite a few other colleges were shifted to other colleges with the approval of the Syndicate and penalties to the extent of Rs.2.5 lakhs were levied on the violators.
- c) Colleges making admissions of the students against seats more than the sanctioned strength were penalized refer the case of the college at Mahilpur.
- d) Colleges not complying with the conditions imposed by the Inspecting teams with reference to seeking affiliation in different subjects have been denied affiliation refer the cases of D.A.V. College, Chandigarh; Chandigarh College of Engineering; Gujranwala College, Ludhiana; Arya College, Ludhiana; D.M. College, Moga to name a few.
- e) Colleges that continue with the courses without affiliation, their returns of the student were returned and not accepted, as these colleges continued to defy the University like Govt. Home Science College, Sector-10 and Gujranwala College, Ludhiana.
- f) The colleges which did not comply the condition of appointing faculties as recommended by the Inspection team, for the additional seats, the said additional seats have been withdrawn (DAV College, Chandigarh - B.Com. 1 Unit, B.C.A.-I Unit D.M. College, Moga etc.)
- g) Colleges which do not have regular Principals have been made to appoint regular Principals in the stipulated period and the case of their dilly-dallying tactics, penalties have been imposed from the date of information of the requirement as per University rule.
- h) Senior-most member of the faculty has been allowed to officiate as Principal in such colleges to affect its proper working.
- i) Principals of affiliated colleges whose appointment was either conditional as per orders of the Punjab Government or who had been appointed without proper constitution of the Managing Committee have been shown the door refer the case of Dr. A.K. Sapru and Kamla Lohtia College, Ludhiana.
- j) Appointment of officiating Principals without proper resolution of the Management have not been allowed refer the case of GGSDS College, Sector 32, Chandigarh. The case of the present officiating Principal was approved only after the

Management made the recommendation and the earlier appointment made by the Principal was nullified.

- k) It has also been observed that the colleges for obvious reasons avoid meeting with the conditions imposed by the Inspection Committee with reference to the appointment of the faculty on regular basis and instead appoint the teachers as guest faculty either on *Ad hoc*/temporary basis. These colleges have been directed to comply with the recommendations of the Inspection teams within two months failing which they have been clearly told that their affiliation, which are temporary/provisional would stand withdrawn automatically and student return would not be accepted. To quote the case of the SGGS College, Chandigarh, apart from a few others also.
- l) It also remains a fact that the colleges for whatsoever the reason may be avoiding paying the full new UGC scales of 15600-600-39100 and other allowances to the regular faculty and the guest faculty is not being paid Rs.25,800/- as per U.G.C. norms. It goes to the exclusive credit of the Vice Chancellor “only” that the colleges are being prevailed upon to pay salary as per the said U.G.C. guidelines, but still a few of the colleges defy the University mandate in which cases both the affiliation and approval of the faculty so appointed are withheld and their cases returned to colleges for compliance (refer the case of Dev Samaj College, Sector-45) and others.
- m) A very close and careful scrutiny of the colleges seeking affiliations is being done with reference to the compliance of University rules and conditions before affiliation is granted to them, the case of Guru Tegh Bahadur Khalsa College, Dasuya and others is pending for affiliation as the Principal of the said college has been called telephonically to establish and confirm the compliance details as mentioned in her compliance report.
- n) Tabulated information has been prepared in respect of colleges that sought affiliation and for which Inspection teams have been appointed, but the Inspections have not been held because Principal/Management did not fix up dates for inspection. I have a list of 19 colleges with me, out of which 14 are educational colleges. Reminders have been sent to these colleges but no response has been received so far.

- o) I also wish to place on record that the penalties imposed on colleges for non-appointment of regular Principal do not remain confined to the files only. These are realized to their full value, I quote the case of Nankana Sahib College of Education, Kot Gangu Rai, Ludhiana, where the college was imposed a penalty of Rs.15 lakhs and the college was allowed to deposit the full amount in four instalments.
- p) The federation of Education Colleges in Punjab under P.U. had refused to pay salary as per rules to the faculty & insisted on paying salary @ Rs. 15600/- whereupon the University refused to send panels for selection. Later these colleges after persuasion & constructive dialogue agreed to pay salary as per rules & to the guest faculty @ Rs.25800/-.
- q) It is a duty of the Inspection teams/selection panels to ensure that the teachers are recommended payments of the salary as per norms in force & the revisiting teams/panels should check from the salary registers, the actual salary paid to the teachers. However, University cannot act as a policeman or as a CAG in this matter but as & when the cases are reported by the teachers these are processed & the managements/Principals are called upon to make fact based submissions with documentary evidence facilitating appropriate action in the matter.
- r) In case the complainant fellow makes specific complaint in this regard against any college, the University shall appoint a team of the sitting Syndics to probe the matter & take action as recommended by the team so appointed. The complaint if too general in nature, cannot be taken up as it would amount to disrupting the functioning of the colleges. I feel that it could be a great exercise if the 90 odd members of the Senate of P.U. take upon themselves this supervisory role of ensuring salary to teachers as per U.G.C. norms as each Senator would be interested with the responsibility of just two colleges.
- s) The admission to colleges on the basis of OCET examination have been regulated as per University rules but considering the request of the Colleges that many seats go vacant, a Committee was set up to streamline the admission process to avoid hardship to the students. The report is listed in the agenda for discussion. However, colleges such as Mahilpur that have been admitting students more than sanctioned seats have been penalized & directed strictly adhere to the sanctioned limit failing

which affiliation would be withdrawn. My fellow syndics Principal Randhawa may correct me if I am wrong.

- t) The C.D.C. office has been streamlined during my tenure & its working now is strictly as per University rules & regulations. Ample proof of this is available in the different Syndicates/ Senate proceedings wherein the irregularities/ illegalities, if any, have been placed on record & brought in to the notice of the Syndicate for taking appropriate action, which was certainly done by the Syndicate & the decision of the Syndicate have been intimated to the Colleges. A Committee was set up in this regard and the Committee in its wisdom has rightly diluted the penalties on the defaulting colleges with a clear message that the repetition of such defiant actions shall not find favour with the University.
- u) It would be pertinent to quote the case of Atam Vallabh College where affiliation was granted after confirming the claim of the College from revenue records through revenue official
- v) Even the case of Chella College, that finds reference in the complaint is subjected to strict scrutiny and the College has been sent reminders to undertake the affiliation process and fix date with the inspection team. The response of the College that it has already been granted affiliation and does not need any more inspection has not been acceded to because all temporary extensions are for a limited period that is for the session and do not extend beyond that. That is why the reminder to the college for inspections and if the college fails to undertake this, then the law will take its own course. I also take this opportunity to thank my fellow Syndic, Mr. A.S. Bedi, for having told me that the college should seek permanent affiliation and also having candidly informed me that a uniform action should be initiated against all such colleges where the persuasions through reminders fail to materialize.

At this point, I venture to inform the house that steps, means and ways be devised to ensure the appointment of the regular faculty viz.-a-viz. guest faculty in the stipulated ratio that is 90 : 10 as per U.G.C. norms and any violation thereof which lead to unregulated founding of the college should be checked. In this regard, the house shall be pleased to learn that the enormous task entrusted to a Committee under the Chairmanship of Shri G.K. Chatrath has been established and handbook of guidelines for affiliation/extension of affiliation/ Permanent affiliation has been finalized as per U.G.C. instructions and shortly it shall be made available in its print form. I acknowledge with thanks the tremendous work done

by the Committee in this regard and Shri G.K. Chatrath deserves encomiums for his stupendous effort.

**My fellow Syndics if all that is said in this statement of mine amounts to connivance as is alleged in the complaint of the fellow Senator then it is a misplaced, misguided and jaundiced perception, which needs to undergo a sea change for the facts recorded in my forgoing statement.**

Let the mindsets change and I acknowledge with a sense of satisfaction that the Managements & Principals of the affiliated colleges have now realized the importance of following the University Rules and Regulations in totality without any fear or patronage, in spite of the financial constraints. This is a welcome change in their attitude and the University times & again has taken steps to treat them as an extended family thereby adding new dimension to the relationship between the administrator and the administered, which no more remains that of the Master and the Mastered.

Finally as the complaint is addressed to the Vice-President of India and Chancellor of the Panjab University, a fact based detailed reply shall be sent to His Excellency for favour of information and perusal of the facts to settle and dismiss the complaint.

Dr. R.P.S. Josh pointed out that some teachers from the state of Punjab and Haryana had joined on deputation in the Union Territory Colleges. Their appointment on deputation was not being approved by the University.

Professor Naval Kishore clarified that some of the persons appointed on deputation were not eligible. In some cases the managements of the teachers, who had been transferred, were different. On a reference to the DPI (Colleges), Punjab, it was clarified that the person/s was/were not eligible.

**12.** Considered the following recommendation of the Committee dated 2.6.2011(**Appendix-XL**) constituted by the Syndicate to consider the issue of filling up the post of Director Public Relations-cum-Editor P.U. News-1 and make recommendations to look into the old qualifications laid down as well as new qualifications:

| one year in the first instance. The probationary period can be extended for another year. |                         |

Dr. Gurmeet Singh stated that since the post of Director Public Relations-cum-Editor P.U. News is a non-teaching post, teachers should not be made eligible for this post. Since the persons from journalism could deal with the Press more efficiently, they should be preferred while filling up this post. Secondly, since one could not be master in three languages, i.e. English, Hindi and Punjabi, two Public Relations Officers, who are well versed with Hindi and Punjabi languages, should be appointed, maybe on contract basis, to assist the Director Public Relations. Thirdly, the experience of 5 years in Publicity and Public Relations work/5 years experience in teaching as a Lecturer or Assistant Professor in Department of Journalism/Mass Communication OR Reader in the Department of Communication/ Public Relations of the University, should be retained instead of proposed 8 years as they did not find suitable person even with five years experience. Fourthly, since the Director Public Relations had to deal with the Press even through electronic means, the clause for having knowledge of computer should also be incorporated.

Shri Goptal Krishan Chatrath suggested that a Committee should be constituted by the Vice-Chancellor to restructure the qualifications for the post of Director Public Relations-cum-Editor P.U. News.

**RESOLVED:** That the Vice-Chancellor be authorized to review the matter and take decision on behalf of the Syndicate.

- (ii) Government Postgraduate College for Girls, Sector-11, Chandigarh, be allowed to start the Add-on course in the subject of Disaster Management from the session 2011-2012 instead of 2010-2011.

**NOTE:** The request of the Principal, Government Postgraduate College for Girls, Sector-11, Chandigarh enclosed (**Appendix-LII**).

**52.** Considered if the provisional extension of affiliation be granted to Malwa College, Bondli, Samrala for Diploma Add-on course in Fashion Designing as per UGC/self-financing for the session 2011-2012 as per Inspection Committee Report (**Appendix-LII**).

Shri A.S. Bedi said that there was a dire need to re-visit S.D. College, Hoshiarpur, by the Inspection Committee as no documents were made available to the first Inspection Committee by the College. Therefore, the issue regarding grant of extension of affiliation to S.D. College, Hoshiarpur, should be kept pending.

Shri Gopal Krishan Chatrath did not agree with the contention of Shri A.S. Bedi.

Principal S.S. Randhawa stated that once a College is granted provisional extension of affiliation in a subject, it should not be asked to apply for the same every year. Thereafter, the College should be asked only to seek permanent affiliation.

Shri Gopal Krishan Chatrath stated that the Inspection Committee while considering grant of provisional extension of affiliation for 2<sup>nd</sup> year, should verify the fulfilment of conditions laid down by the Inspection Committee for 1<sup>st</sup> year. Similarly, the Inspection Committee appointed to consider provisional extension of affiliation for 3<sup>rd</sup> year, shall also see the fulfilment of conditions imposed by the Committees during 1<sup>st</sup> and 2<sup>nd</sup> year. After five years the College is supposed to seek permanent affiliation in the concerned subject.

Shri Madan Lal Aeri stated that one of the Colleges had applied for a postgraduate course and the panel for Selection Committee was also given by the University. Though the College had appointed staff, the University had issued a letter to the College that unless and until the staff is appointed, the College would not be granted provisional extension of affiliation.

Dr. Rabinder Nath Sharma stated that earlier there was no Principal and no teacher (except one teacher) in Guru Nanak College, Gidderbaha. Last year, a lady Principal was selected, but was not allowed to join. This time, the College had sought panel for the post of both Principal and teachers. Now, when she applied again her application was rejected by the officiating Principal by leveling several allegations. Whether the officiating Principal had any right to reject any application? It was just an arbitrary act on the part of the College.

**The Vice-Chancellor said that he had not yet received the file.**

Continuing, Dr. Rabinder Nath Sharma stated that panel of subject experts for different subject on the Selection Committee was sent to a College. The Selection Committee met and made certain recommendations. But later on, when the Selection Committee met for appointment of teacher in the subject of Political Science, two subject experts, namely he (Dr. Rabinder Nath Sharma) and Dr. Emanuel Nahar were found to have been changed without any reason.

Principal Hardiljit Singh Gosal complained that the proceedings of the Selection Committee meeting conducted at Guru Govind Singh Degree College, Gidderbaha had been tampered with. Only Ms. Ranju Bala had been selected and nobody was placed on the Waiting List. Ms. Ranju Bala was not allowed to join. After tampering the proceedings, Shri Sandeep Singh was shown at No.2 (Waiting List) and his approval was sought from the University. He pleaded that the matter should be enquired into.

The Vice-Chancellor said that a Committee comprising Dr. Dayal Partap Singh Randhawa and Mrs. Jasvir Kaur Chahal be appointed to examine the complaint made by Principal Hardiljit Singh Gosal.

**This was agreed to.**

The Vice-Chancellor said that all the files pertaining to affiliation/extension of affiliation cases, including the case of S.D. College, Hoshiarpur, would be reviewed by the Dean, College Development Council and Dr. Rabinder Nath Sharma. The Vice-Chancellor should be authorized to take appropriate decision, on behalf of the Syndicate.

**This was agreed.**

**Recommendations of the Committee dated 16.3.2011 regarding effective running of Add-On/Innovative courses**

**32.** Considered minute dated 16.3.2011 (**Appendix-LIII**) of the Committee constituted by the Vice-Chancellor (i) to frame policy for effective running of Add-on/Innovative courses in the affiliated Colleges (ii) guidelines to be framed as per University rules and regulations with proposed relaxation/changes if any (iii) salary component to be resolved taking into account the new U.G.C. scales, 2006.

**RESOLVED:** That the recommendations of the Committee dated 16.3.2011, as per **Appendix-LIII**, be approved.

**Resolution proposed by Dr. Gurdeep Sharma and Dr. Narinder Singh Sidhu, Fellows**

**33.** Considered the following Resolution proposed by Dr. Gurdeep Sharma and Dr. Narinder Singh Sidhu, Fellows:

“Resolved that the non-government Colleges affiliated to Panjab University be allowed to make *ad hoc*/contractual appointments of Assistant Professors initially as follows:

- (i) for one year in case of a course of one year duration
- (ii) for two years in case of a course of two years duration
- (iii) for three years in case of a course of three years duration

All such Assistant Professors may be paid a consolidated salary of Rs.15,600/- per mensem, i.e. the minimum of the band pay admissible to the post of Assistant Professors.

It shall be mandatory for the Colleges to make regular appointments thereafter”.

**EXPLANATION:**

1. To allow time to assess the viability/success of the course and the situation to stabilize.
2. The University itself is initially granting extension of affiliation to such courses on session to session basis only. It is not possible to make regular appointments in such a situation.

Shri Gopal Krishan Chatrath clarified that while recommending grant of provisional affiliation/extension of affiliation, the Inspection Committee should lay down the condition of appointing a teacher on regular basis and not on permanent basis.

The Vice-Chancellor said that in the matter of appointments the affiliated Colleges should follow the P.U. Calendar.

**RESOLVED:** That the above Resolution proposed by Dr. Gurdeep Sharma and Dr. Narinder Singh Sidhu, Fellows, along with Explanatory Note, be forwarded to the Senate with the remark that it be **not** accepted.

**Resolution proposed by 34.** Considered the following Resolution proposed by Dr. Gurdeep Sharma and Dr. Narinder Singh Sidhu, Fellows:

**Dr. Gurdeep Sharma and  
Dr. Narinder Singh  
Sidhu, Fellows**

“Resolved that the non-government Colleges affiliated to Panjab University, Chandigarh shall be allowed to make ad-hoc/contractual appointments of Assistant Professors in the courses/subjects:

- (i) Where eligible persons are not available and
- (ii) Against the vacant posts covered under grant in aid scheme of the Punjab/Chandigarh Government on a consolidated salary of Rs.15,600/- per mensem, that is the minimum of the band pay admissible to the post of Assistant Professors, where regular appointment is not immediately possible till the posts are filled on regular basis.”

**EXPLANATION:**

1. The Syndicate in its meeting held on 9.8.2010 resolved to authorize the Vice-Chancellor to make contractual appointments of Assistant Professors on a consolidated salary of Rs.25,800/- per mensem against sanctioned posts where regular appointment is not immediately possible due to non availability of NET qualified persons, till the posts are filled on regular basis. Further, the Vice-Chancellor passed the orders that his decision is also applicable to Non-Government Colleges affiliated to Panjab University, Chandigarh.
2. A large number of ad-hoc/contractual appointments have to be made in the Colleges covered under the grant in aid scheme of the Punjab Government against the aided posts that are lying vacant and can not be filled due to a ban imposed by the Punjab Government on fresh recruitments against these posts.
3. Such appointments have also to be made against the posts in the subjects where regular appointment is not immediately possible due to non availability of eligible persons.
4. The Punjab Government has also decided to make appointments on a fixed monthly pay equal to the minimum of the pay band of the post to which she/he is appointed vide its notification of the Punjab Civil Services (Rationalization of Certain Conditions of Service) Act, 2011 (Punjab Act No. 8 of 2011) dated 5<sup>th</sup> April, 2011.

Mrs. Jasvir Kaur Chahal asked the Vice-Chancellor about the decision of Chandigarh Administration to have Guest Lecturers in place where there is deficiency in the permissible numbers; to which the Vice-Chancellor replied that the remuneration has to be ₹1000/- per lecture as per the latest UGC norms and the selection of the Guest Faculty has to be as per UGC guidelines.

**RESOLVED:** That the above Resolution proposed by Dr. Gurdeep Sharma and Dr. Narinder Singh Sidhu, Fellows, along with Explanatory Note, be forwarded to the Senate with the remark that it be **not** accepted.

**Enquiry Report**

**38.** Considered Enquiry Report (**Appendix-LIV**) submitted by Hon'ble Justice J.S. Sekhon (Retd.) regarding release of degrees of B.P.Ed. (4-Year integrated course) by the D.A.V. College, Sector 10, Chandigarh.

Dr. Rabinder Nath Sharma observed that in the instant case the conclusions/findings drawn by the Enquiry Officer were inconsistent. If the students of DAV College after doing 4-year B.P.Ed. can get degrees of M.P.Ed. from the University after joining M.P.Ed. course, how Dr. B.C. Josan was at fault in getting the degree of B.P.Ed. (4-Year) course released from the University. The course was started during the tenure of Principal Subhash Marriya. Principal Josan obtained the approval of the NCTE in October 2010. What was wrong in it? Therefore, where was the need for instituting an enquiry in this matter? Had the entire case been examined with a judicious mind, nothing could have been found against Dr. Josan. He was targetted by the management because of not obeying the transfer orders. He, therefore, pleaded that the Enquiry Report should be rejected and suspension of Dr. Josan should be revoked.

Principal S.S. Randhawa was of the view that the Enquiry Report was totally manipulated and biased against Dr. B.C. Josan. In fact, Dr. Josan was ordered to be transferred by the management elsewhere, but he did not obey the orders. Dr. Josan was not even zero percent at fault in wrong doings towards B.P.Ed. (4-Year) course. He, therefore, pleaded that the enquiry report should be rejected.

Dr. R.P.S. Josh said that the B.P.Ed. (4-year) course was started in the D.A.V. College, Sector 10, Chandigarh, in 2005. The Panjab University declined to give affiliation for the said course in 2006-07. In the year 2008, Dr. B.C. Josan took over as Principal of the College. The DMCs had already been released by the University. Thereafter, the degrees were got released by Principal Josan from the University only few months before the receipt of approval of the NCTE. The Enquiry Officer was supposed to establish the guilt and not to suggest punishment. As such, the Enquiry Officer has overstepped in recommending the punishment. Therefore, the enquiry report should be rejected.

Principal Hardiljit Singh Gosal said that when they had applied for affiliation for B.P.Ed. (4-Year) course, the NCTE approval was not required. His College had subsequently withdrawn their application for affiliation. Dr. B.C. Josan obtained the approval of the NCTE. Instead of appreciating him, he was placed under suspension by the D.A.V. Management. He might have been guilty, if he was not able to get approval for the course from the NCTE. Hence, Dr. B.C. Josan is not at fault at all. He, therefore, pleaded that the enquiry report should not be accepted.

Dr. Dharinder Tayal was of the view that probably the Enquiry officer has overstepped his jurisdiction by suggesting the punishment. He said that the problem of co-ordination amongst various Departments/Branches of the University needed to be looked into and loopholes, if any, needed to be plugged.

Shri A.S. Bedi, referring to the enquiry report (page 14), stated that the then Vice-Chancellor vide his order dated 1.3.2006 granted provisional extension of affiliation to D.A.V. College for 1<sup>st</sup> year of B.P.Ed. (4-Year) course and the same was endorsed by the Syndicate and Senate. B.P.Ed. (4-Year) course was started wrongly much before joining by Dr. B.C. Josan as Principal of D.A.V. College, Chandigarh. Therefore, Dr. Josan could not be made liable for facing the music. In all he said that the enquiry report should be rejected.

Dr. Dayal Partap Singh Randhawa referred to recommendation (ii) made by the Enquiry Officer i.e.

- (ii) Heavy penalty should be imposed on D.A.V. College, Sector 10, Chandigarh, for the conduct of the Principal in withholding material information from the University while applying for the release of degrees and his lopsided attitude in approaching NCTE belatedly. However, the D.A.V. Institution should be given option to realize the penalty from the Principal, if it so likes.”

There were only two points i.e. (i) Principal Josan joined the College in April 2008 when the students of B.P.Ed course were in the third year and (ii) Principal Josan got the course approved from the NCTE. In fact, no course could be started without the approval of NCTE.

Previously there was B.P.Ed. (3-Year) course. Further, the allegation that he withheld the material information from the University was also wrong. On the point that Principal Josan had lopsided attitude in approaching NCTE belatedly was also wrong because he (Principal Josan) acted very swiftly in approaching the NCTE, which was required to be done by the management. In view of all this, Principal B.C. Josan should not be held guilty and punished.

Ms. Jasvir Kaur Chahal stated that Dr. B.C. Josan could not be held responsible if certain documents were not found in the file maintained by the College Branch. Since the facts of the case were known to every one it was wrong to allege that Dr. Josan had withheld material information from the University. The NCTE was also at fault since it took much time in deciding the case. When the University was fully aware of the NCTE rules, why it allowed provisional affiliation to start the course? When the University completed the process for awarding the degree by conducting the examinations and declared the results, how the award of degree could be stopped? The recommendation regarding award of punishment by the Enquiry Officer is really overstepping. Therefore, the Enquiry Report should be rejected.

Dr. Raj Bahadur said that the Enquiry Officer had crossed his jurisdiction by recommending punishment.

Dr. I.D. Gaur suggested that a Committee should be constituted to review the Enquiry Report.

Dr. Gurmeet Singh said that no injustice should be done to Dr. B.C. Josan. He also suggested that a Committee should be made to study the report.

**RESOLVED:** That the conclusions drawn by the Hon'ble Justice J.S. Sekhon (Retd.), Enquiry Officer, be not accepted. However, for the good suggestions made to streamline the functioning of the University, a Committee of Syndics be appointed by the Vice-Chancellor.

**The Vice-Chancellor said that he was not a party to the decision arrived at in the resolved part as he has his own reservations.**

Shri M.L. Aeri abstained.

**Extension in validity date of Advertisement No.10/2010 and 11/2010**

**39.** Considered if the validity date of Advertisement No.10/2010 & 11/2010 for filling up the various teaching/non-teaching/technical posts except the posts of COE, DCDC & Associate Dean, be extended for one more year from the last date of advertisement.

Dr. Rabinder Nath Sharma stated that he was surprised that despite having been given assurance by the Vice-Chancellor that the posts of Registrar, COE, DCDC & Associate Dean and Director, Public Relations-cum-Editor, P.U. News, would be filled up soon, these posts have not been filled till date. He persistently demanded for declaring a deadline by the Vice-Chancellor by which these posts would be filled up.

Dr. Dayal Partap Singh Randhawa, supporting the view point expressed by Dr. Rabinder Nath Sharma, said that the heavy workload put on a single person, who is handling three top positions i.e. Registrar, Controller of Examinations and Chairman of a Department, is really a matter of concern. He must be given some relief by filling up these posts.

**The Vice-Chancellor said that mostly the delay in filling up the above referred posts was due to the revision of qualifications/pointing out some discrepancies at the time of screening of applications. He was on the job and these posts would be filled up soon.**

**RESOLVED:** That the validity date of Advertisement Nos.10/2010 & 11/2010 for filling up the various teaching/non-teaching/technical posts, except the posts of COE, DCDC & Associate Dean, be extended for one more year from the last date of advertisement.

**NOTE:** The Committee observed that though there is a provision for condonation of delay for six months in the submission of synopsis and registration form, in the instant cases the candidate/s have not even submitted the synopsis and registration form which is a must as per following provision of Regulation 4 at pages 178-179 P.U., Calendar Volume II, 2005, applicable for the students who enrolled before 14.12.2003:

“4. xxx xxx xxx

If the candidate does not give the title of the thesis in his registration application form or wants to defer the submission of the tentative design of research work, he will have to get the title of the thesis and/or the design of his research project approved by the Joint Research Board at the later date. **But in either case the candidate must submit the registration form within the required period of one year from the date of his enrolment in the Department/Home Science College.**”

**Referring to Sub-Item R-(xxxviii)**, Shri A.S. Bedi pointed out that Maharaja Ranjit Singh College, Malout, had been making admission by clubbing of students of four academies situated nearby Malout. Thus, showing heavy admission whereas the actual number of students admitted in the College is very small. These academies published notices in the leading newspapers that regular Panjab University degree would be awarded to the students, who would get admission in these academies. Thus, they are tarnishing the image of the Panjab University. Moreover, the College had no infrastructure and regular faculty. He pleaded that a proper enquiry should be conducted against the College.

**The Vice-Chancellor said that the point raised by Shri A.S. Bedi would be looked into.**

**Referring to Sub-Item R-(viii)**, Dr. Rabinder Nath Sharma suggested that the post of Director Youth Welfare should be filled up at the earliest instead of giving extension to Dr. S.M. Kant again and again.

Dr. Rabinder Nath Sharma suggested that D.P.Is. (Colleges) should be requested to attend the meeting of the Syndicate.

(1) On a reference made by Principal S.S. Randhawa with regard to admission of Mr. Tanvir Singh against a Physically Handicapped reserved seat, the Vice-Chancellor referred the case to Dr. Raj Bahadur, Director-Principal, Government Medical College & Hospital, Sector 32, Chandigarh.

(2) Principal S.S. Randhawa pleaded that keeping in view the hike in prices of Petrol and Diesel, the rates of T.A. by travelling own car/taxi should be raised from Rs.8/- p.k.m. to Rs.16/- p.k.m. as existed in the U.G.C. and Punjab Government.

Dr. R.P.S. Josh pleaded for increasing the rates of travelling by own car/taxi up to Rs.12/- p.k.m.

The Vice-Chancellor said that the rates of travelling allowance in other Universities were much less.

(3) Principal S.S. Randhawa pleaded that the students who had been placed under compartment in +2 examination (Semester System), should be allowed admission to the 1<sup>st</sup> year of the undergraduate course by taking into consideration the marks obtained by them in Theory + Practicals + Internal Assessment.

The Vice-Chancellor said that matter is under consideration.

- (4) Principal S.S. Randhawa pleaded that there is a demand from the Principal of different Colleges for increasing the number of seats of the postgraduate courses. The increase should be allowed uniformly.

The Vice-Chancellor said that the Principals should send their demand and the same would be considered.

- (5) Professor Naval Kishore suggested that the vacant seats in the courses, where the admission was made on the basis of OCET, should be filled up on merit basis.

**This was agreed to.**

- (6) Shri D.P.S. Randhawa pleaded that interest on the CPF/GPF should be given to the retired persons after permissible period of 1 year also.

The Vice-Chancellor said that legal opinion was being sought on the issue.

Shri D.P.S. Randhawa said that since the University was issuing them CPF/GPF slips along with interest from time to time, they should be paid the amount shown in their respective accounts and no legal opinion should be sought.

- (7) Dr. R.P.S. Josh enquired as to what action had been taken by the University against those Colleges which neither get the meeting of the Selection Committees fixed, nor invited the Inspection Committees for inspection after seeking panel for the Selection Committees and getting the Inspection Committees constituted.

- (8) Dr. Gurmeet Singh stated that the University was not providing hostel accommodation to the students pursuing full time diploma courses. Instead of putting a complete ban, if the seats remained vacant in the University hostels, these should be allotted to the students pursuing full time diploma courses.

Professor Naval Kishore said that at present there is shortage of hostel accommodation on the campus. The case of providing hostel accommodation to the students pursuing full time diploma courses could be reviewed only after construction of new hostels.

- (9) Ms. Jasvir Kaur Chahal enquired whether the syllabus approved by the Academic Council and syllabus of M.Phil. approved by the J.R.B could be sent back to the Board of Control for comments? If not, this had happened in the case of approved syllabi of M.Ed. (Yoga) and M.Phil.(Yoga) which had been referred by the Dean of University Instruction to the Board of Control in Education for comments.

Shri Gopal Krishan Chatrath clarified that the syllabi recommended by the Faculty in the case of M.Ed. Yoga and by the Board of Control in the case of M.Phil. Yoga could be accepted or referred back by the Academic Council and the Joint Research Board, respectively.

The Vice-Chancellor said that the point raised by Ms. Jasvir Kaur Chahal would be examined.
