After the decisions on the Vice-Chancellor's statement were taken, the members started general discussions.

Shri Gopal Krishan Chatrath stated that he had written a letter to the Vice-Chancellor that Syndicate in its last meeting had rejected the request of certain Fellows and had requested that for defending the said decision of the Syndicate, they should appoint such a person who could defend them and for that the Vice-Chancellor may consult some of them or more, so that some senior person could defend the decision of the Syndicate.

The Vice-Chancellor said that he was looking into the issue. He added that the issue had also appeared in the newspapers, wherein it was alleged that the letter concerning the matter had been issued by the Vice-Chancellor and Dr. R.C. Sobti had taken all the powers. A copy of the letter was also sent to the Chancellor. The statement given by a senior Syndic appeared in the newspapers. As such, people were disrespecting the Vice-Chancellor.

Dr. Jarnail Singh said that it being a delicate issue, the role of the Vice-Chancellor should be impartial and fatherly.

Dr. P.S. Gill stated it was learnt that the Vice-Chancellor had appointed somebody to defend the University in the decision referred to by Shri Gopal Krishan Chatrath.

The Vice-Chancellor said that the file was lying with him.

Dr. Mukesh Arora said that it was learnt that the advocates of the University as well as of the petitioner are good friends.

The Vice-Chancellor said that as per Bar Council rules, no aspersion should be cast on the lawyers.

Principal Gurdip Sharma urged the Vice-Chancellor to consult Shri Gopal Krishan Chatrath before appointing a lawyer.

The Vice-Chancellor clarified that it was the prerogative of the Vice-Chancellor to appoint lawyers to defend the University in court cases.

Shri Ashok Goyal enquired as to which decision of the Syndicate was being discussed?

Dr. Dinesh Talwar enquired if the Syndicate could be made a party in the case?

Shri Ashok Goyal said that until the letter written by Shri Gopal Krishan Chatrath is placed before the Syndicate, how could it be discussed? When the Vice-Chancellor asked the office to place the said letter in the House, Shri Goyal said that it cannot be discussed at the spur of the moment especially when even the items listed in the supplementary agenda were not allowed to be taken up.

To this, Shri Gopal Krishan Chatrath said that it was a serious matter before his learned friend in the last meeting also had raised the issue of Professor Shelly Walia and had suggested at his own that the application written by the University for vacation of stay should be withdrawn. He had said that it is the decision of the Supreme Court that unless and until the regulations are amended, the same could not be implemented. He had also referred to the Osmania University case, but what had happened, the decision in this regard had been incorporated in the minutes and Professor Shashi Sharma had taken a copy of the same. How it happened?

The Vice-Chancellor said that the minutes of the meeting of the Syndicate were circulated to the members for pointing out discrepancies, if any. Had Shri Chatrath given in writing?

Principal (Mrs.) Tejinder Kaur wanted to know the status of the case of appointment of Dr. Dazy Zarabi of the Department of Community Education & Development.

The Vice-Chancellor stated that the case of Dr. Dazy Zarabi was to be taken up in the Senate after Dr. B.B. Goyal's case. The case was listed on the Current Agenda, which was refused to be taken up.

On insistence by some members to consult Shri Gopal Krishan Chatrath on the issue of appointment of a Lawyer, the Vice-Chancellor said that even legal opinions had gone to the extent of saying that the University was doing wrong things. With these words, the House was adjourned for half an hour.

Professor M. Shakeel Khan requested for constitution of the Pension Committee to consider amendment of pension regulations.

**Deferred Item**

**2.** Considered the following recommendation of the Committee dated 30.3.2012 constituted by the Vice-Chancellor to make master list of seniority of teachers in the University:

“that since the UGC Regulations, 2010 has been adopted by the P.U. in toto, the same may be followed and implemented and necessary steps may be taken to prepare a Master seniority list of teachers in the P.U. accordingly, at the earliest, after approval from the Syndicate”.

Shri Gopal Krishan Chatrath said that they had not been provided all the relevant documents including judgement of the court on the issue. He, therefore, suggested that the consideration of the item should be deferred and a Committee should be constituted to look into the matter in depth and make recommendations.

Dr. Dinesh Talwar enquired whether they accept the U.G.C. or not. The Committee headed by the Dean of University Instructions had made its recommendations, the same should be considered. Even if another Committee is constituted, as suggested by Shri Gopal Krishan Chatrath, who would be the Chairman of the Committee?

Shri Gopal Krishan Chatrath said that before arriving at a final decision for preparation of Master Seniority List of teachers, the judgement of the Court, including judgement in the case of Preeti Srivastava, should be studied.

Shri Ashok Goyal stated that the item related to preparing the Master's Seniority List of teachers. It did not relate to intra-department seniority. The dispute in seniority between Professor V.K. Bansal and Professor Veer Singh was related to intra-department seniority. As far as seniority list of non-teaching staff is concerned, the Registrar had given a wrong statement that there is no gradation list of non-teaching staff. He enquired as to what was the technical problem in considering the issue of preparing master Seniority List of teachers.

Shri Gopal Krishan Chatrath said that every now and then the Registrar should not be targeted.

The Vice-Chancellor said that there are so many ifs and buts. He added that PUTA had been demanding for the last so many years that a Master Seniority List of teachers should be prepared.

On a point of order, Shri Gopal Krishan Chatrath requested the Vice-Chancellor to give the ruling that the item had been deferred.

On a point of order, Shri Ashok Goyal enquired whether any Master Seniority List of Teachers existed in the University or not?

The Vice-Chancellor said that a seniority list of teachers was there, but it was a tentative one.

Shri Gopal Krishan Chatrath said that the issue was not so simple as was being observed because there were eight decisions of the Senate on the issue.

Principal Tejinder Kaur said that several promotions had already been made and technically it would be very difficult to change the date of promotion.

Shri Ashok Goyal said that it is the prerogative of the Syndicate to frame rules and regulations. The rules could be frame here in the Syndicate itself and there was no need to constitute any Committee. The issue needed urgent attention of the House as the University did not have Master Seniority List of the teachers.

Shri Gopal Krishan Chatrath said that, in fact, the Senate decision is that it will not affect the seniority of those who are appointed directly.

Professor Naval Kishore said that as per new U.G.C. Regulations there is no difference between the persons promoted under the CAS and appointed in open Selections and both are equal.

Principal Gurdip Sharma said that item with full facts and figures should be placed before the Syndicate so that it could be discussed properly and decision be taken.

**RESOLVED:** That the consideration of the Item be deferred and a Committee be constituted to look into the issue in depth.

Shri Ashok Goyal and Dr. Dinesh Talwar recorded their dissent.

The Vice-Chancellor said that though it was the decision of the majority to defer the consideration of the item, he should not be blamed later on as Master Seniority List of the teachers is must.

**Pay protection of Dr. Sunil Khosla, Principal, Baba Balraj P.U. Constituent College**

**3.** Considered if the pay of Dr. Sunil Khosla, Principal, Baba Balraj Panjab University Constituent College, Balachaur be protected at Rs.38,000/- + AGP of Rs.10,000/- w.e.f. 3.2.2012 i.e. the date of his joining in the College, along with usual increment as per rules.

**NOTE:** 1. An office note enclosed (**Appendix-II**).

2. The request dated 22.2.2012 received from Principal, Baba Balraj Panjab University Constituent College, Balachaur, along with LPC were enclosed (**Appendix-II**).

Principal Gurdip Sharma said that, as per U.G.C., the pay of Dr. Sunil Khosla should be fixed at Rs.43,000/-.

The Vice-Chancellor said that they had already written four reminders to the Punjab Government in this regard but no reply had been received so far.

Dr. P.S. Gill pointed out that the pay of Dr. Sunil Khosla in the last pay drawn certificate was Rs.38,800/-, whereas in the Item it is mentioned Rs.38,000/-. He suggested that his pay be fixed at least Rs.38,800/- plus AGP of Rs.10,000/- along with usual increment and allowance as per rules.

Shri Mukesh Arora said that the Syndicate on 20.01.2007 decided that the pay of the persons who come from private sector

should not be protected. When the cases of protection of persons who come from private sector were put up before the audit, the audit raised objection that their pay cannot be protected.

Shri Gopal Krishan Chatrath said that pay of Dr. Sunil Khosla should be protected and fixed as per U.G.C. rules.

Shri Mukesh Arora said that all lecturers of Baba Balraj Panjab University Constituent College, Balachaur, are going to be relieved on 30.04.2012. He enquired who would look after the College, especially in the absence of Principal.

Dr. P.S. Gill demanded that, in future, Examination Centres should be created in the P.U. Constituent Colleges; otherwise, students would not take admissions in these Colleges.

The Vice-Chancellor said that the issue is very serious and relevant. There are four Constituent Colleges and Principal was there only in one College. After 30.04.2012, in the absence of staff, who will look after the admission process, etc.

Professor Naval Kishore said that though advertisement for appointment of faculty in the P.U. Constituent Colleges would be given, who would look after the administrative work of the Colleges in between.

Principal R.S. Jhanji said that they should allow the existing staff working in the Constituent Colleges to continue till new appointments are made.

Shri Jarnail Singh said that since neither examination centres had been created in these Colleges nor other examination related work given to the teachers of these Colleges, they should be relieved on 30.04.2012. Moreover, there would be no classes after 30.04.2012. If they continued them beyond 30.04.2012 salary would be paid to them without any work.

The Vice-Chancellor said that let the teachers be relieved.

Principal Gurdip Sharma said that though advertisement for appointment of lecturer in economics on regular basis in one of the Constituent Colleges was given and interviews held, despite there being 16 eligible/qualified candidates, an unqualified person had been appointed on temporary basis. He demanded that an enquiry should be conducted how unqualified person had been appointed when qualified persons were available.

Professor Naval Kishore said that only a grant of Rs.3 crore had been received. If regular appointments were made, the liability would have gone up. That was the reason for not making regular appointments.

Shri Gopal Krishan Chatrath and Shri Jarnail Singh said that since there would neither be classes nor admissions during the months of May and June, the decision of the Syndicate regarding relieving of certain teachers of the Constituent Colleges should be implemented.

The Vice-Chancellor said that as soon as Punjab Government concurrence is received, the pay of Dr. Khosla would be re-fixed as per U.G.C. norms. Further, those who had been appointed in the Constituent Colleges up to 30.04.2012, would be relieved tomorrow.

**RESOLVED:** That the pay of Dr. Sunil Khosla, Principal, Baba Balraj Panjab University Constituent College, Balachaur, be protected at Rs.38,800/- + AGP of Rs.10,000/- w.e.f. 3.2.2012 i.e. the date of his joining in the College, along with usual increment as per rules.

**NOTE:** An office note enclosed (**Appendix-III**).

The Vice-Chancellor said that the University employees should be allowed to go on deputation but only for a maximum period of five-years during the entire service, including all kinds of leaves taken by him/her, except mandatory leaves. If one had already taken leave (E.O.L., Study Leave, Sabbatical Leave), the same would be deducted from the period of five years.

Shri Gopal Krishan Chatrath stated that the University should follow the Central Government/Punjab Government rules regarding lending/borrowing persons on deputation. He proposed that the period of deputation should be five years, but other leave i.e. E.O.L., Study Leave, Sabbatical Leave, etc. should remain intact.

Principal Gurdip Sharma seconded the proposal made by Shri GopalKrishanChatrath.

The Vice-Chancellor stated that the University was already facing shortage of staff. If the proposal made by Shri Gopal Krishan Chatrath was accepted, the work of the University would suffer a lot as numerous employees would remain outside for a period more than sixteen years (five years deputation, five years E.O.L., three years Study Leave and three years Sabbatical Leave). That way, the employees would rejoin the University just for a few days before their retirement and would get retiral benefits including pension.

**NOTE:** 1. The Syndicate meeting dated 13.12.2010 (Para 17) has resolved that 25% tuition fee concession be granted to serving University employees and their wards and also to the wards of retired University employees studying in Self-financing courses from the academic session 2010-2011.

This decision was extended by Senate Vide Para XXIV Dated 4.4.2010 item No. 19 (ii).

That the concession of 25% tuition fee concession in Self-financing courses be extended to the wards of College teachers studying in the University other than NRI/NRI sponsored category.

2. It is pertinent to mention here that there is no provision for fee concession in the above Syndicate/ Senate decision for the wards of Retired Teachers of Colleges affiliated with the Panjab University. As such, the request of Sh. Kuldeep Singh, Fellow of P.U. needs policy matter decision and it should be decided by the Higher Authority with the approval of Syndicate/Senate.

Dr. P.S. Gill said that the representation regarding grant of 25% tuition fee concession to the wards of retired College teachers was given jointly by him and Dr. Kuldip Singh but his name was missing in the item. He pleaded that 25% tuition fee concession should be given to the wards of retired college teachers and his name should also be included in the item.

The Vice-Chancellor said that if 25% tuition fee concession was allowed in this case as a one-time measure, all the retirees would demand this benefit. He, therefore, suggested that the matter could be referred to a Committee to be constituted by him.

Dr. P.S. Gill said that he should be associated with the Committee.

Principal R.S. Jhanji said that promotional avenues should be made available to those persons who are working on ex-cadre posts.

Shri Gopal Krishan Chatrath said that some qualified persons working on ex-cadre posts are doing extra-ordinary job. They should be merged in other cadres so that promotional avenues are made available to them.

**The Vice-Chancellor said that the matter would be looked into.**

**RESOLVED:** That the matter regarding grant of 25% tuition fee concession to the wards of retired College teachers be referred to a Committee to be constituted by the Vice-Chancellor.

**1. Shri Anupam Gupta**

“If Senate/Syndicate meetings are officially videographed, how can the video/DVD be denied under the RTI Act? Let us not forget that proceedings in Parliament (both Lok Sabha and Rajya Sabha) are duly televised and seen by the entire nation”.

**2. Shri B.L. Gupta**

**Re-fixation of fee structure of BDS course**

**17.** Considered following recommendations of the Committee dated 6.3.2012 (**Appendix-XII**) constituted by the Vice-Chancellor with regard to re-fixation of fee structure of BDS course from 4-year teaching plus 1-year paid internship to 5-year teaching without internship:

1. The Institute should revert back to original fee pattern of 4-year teaching plus 1-year paid internship for the fresh admissions from the coming academic session 2012-2013.
2. The issue of four intervening batches of 2008 to 2011 was discussed and resolved that the best option in the interest of the students would be to continue with the same fee pattern under which they were admitted. The students may be charged fee in the 5<sup>th</sup> year in lieu of recovering the deficit fee paid by them. It may be made clear to the students that the fee charged from them in the 5<sup>th</sup> year is not the fee for that year as there is no teaching but is the recovery of balance of fee that is due from each student of these four intervening batches. Any other option would have burdened the students, which in the present option is shouldered by the Institute.

**RESOLVED:** That the above recommendations of the Committee dated 06.03.2012, be approved.

**Recommendations of the Committee dated 12.03.2012 regarding Regulations/Rules, number of seats, syllabi and fee structure, etc. for Master in Fashion Designing & Management**

Principal R.S. Jhanji enquired whether M.Phil. in Physics is being kept in abeyance from July 2012 onwards due to shortage of staff?

Principal Gurdip Sharma said that shortage of faculty should be reviewed.

Dr. P.S. Gill stated that a few self-financing courses were introduced in the Department of Physics for which 3-4 posts were also sanctioned. As per his knowledge, the faculty members had already been given maximum workload. This might be the reason for keeping the M. Phil. in Physics in abeyance. **Temporary extension of affiliation to G.H.G. Khalsa College, Gurusar Sadhar, for B.C.A.**

22. Considered if the temporary extension of affiliation be granted to G.H.G. Khalsa College, Gurusar Sadhar, District Ludhiana, for B.C.A.-III (2<sup>nd</sup> unit) for the session 2011-12. Information contained in the office note (**Appendix-XVI**) was also taken into consideration.

**NOTE:** The Dean, College Development has observed that as perusal of the facts of the case vouches that the Inspection Committee had visited the College in May 2011 and had strongly recommended the compliance of the conditions before the start of the session in its Inspection Report, which the College for one or the other reason deliberately avoided complying and same is admitted in the letter dated 4.2.2012 (**Appendix-\_) of the Principal which “reads hardly any time left to take the necessary action in this regard but we undertake to implement these conditions from the new session”.** This admission of facts is nothing but willful defiance of the requirements of fulfillment of conditions imposed by the Inspection Committee every year. The position was none too different in 2010-2011 also as is pointed out in the Inspection Report. This scant respect for the University/U.G.C. Rules and Regulations coupled with willful disobedience cleverly executed to undermine the University mandate and to run the college autocratically calls for immediate withdrawals of BCA courses from the College since the undertaking given by the College is devoid of seriousness and commitment, wherein the UGC/ University mandate-of paying Rs.25,800/- is also violated with immunity. Therefore orders withdrawing affiliation for

BCA course in toto need to be passed after deliberation in the Syndicate.

The Vice-Chancellor stated that despite repeated assurance given by the College, it had not complied with the conditions imposed by the Inspection Committee. Now, the College was saying that hardly any time is left to take the necessary action in this regard but we undertake to implement these conditions from the new session. As such, the College was deliberately not fulfilling the conditions on one pretext or the other.

Principal Tajinder Kaur said that the College is offering B.C.A course since 1992 and is now demanding second unit. The only problem was that since the Vice-Chancellor had made a statement that no panel would be given for making contractual appointments. Under that impression the College had made appointments on contractual basis without seeking panel from the University. She demanded that temporary extension of affiliation should be granted to G.H.G. Khalsa College, Gursusar Sadhar, District Ludhiana.

Principal Gurdip Sharma said that the problem was that qualified teachers in the subject of computer were not available. He demanded that as had been done by Guru Nanak Dev University, Amritsar and Punjabi University, Patiala, the candidates having done M.C.A. degree should be allowed to be appointed on regular basis.

Endorsing the viewpoints expressed by Principal Gurdip Sharma, Principal R.S. Jhanji said that since qualified teachers in the subject of Computer Science are not available, candidates having the M.C.A. degree should be allowed to be appointed.

Principal Janmit Singh said that the suggestion put forth by Principal Gurdip Sharma and Principal R.S. Jhanji should be accepted with the condition that the teachers so appointed would have to qualify U.G.C.-NET within a period of three years, otherwise, it would become wrong precedent.

Principal Gurdip Sharma said that in all the affiliated Colleges of the University, there were only five NET qualified teachers in the subject of Computer Science. He suggested that M.C.A. and M.Sc.(IT) should be appointed as teachers but they have to clear UGC-NET within three years from their appointment.

Principal Tejinder Kaur said that earlier M.Phil. candidates are also allowed to be appointed as teachers but they had to qualify UGC-NET within a period of two years. Similarly, candidates having done M.C.A./M.Sc. (IT) should also be allowed to be appointed as teachers with the condition that they should clear the UGC-NET within a period of three years.

Shri Gopal Krishan Chatrath said that since NET qualified teachers are not available in the subject of Computer Science, M.C.A. and M.Sc. (I.T.) candidates should be allowed to be appointed as teachers in the subject of Computer Science subject to the condition that they would clear the UGC-NET within period of three years.

Professor Naval Kishore, Dean, College Development Council, stated that the issue was very serious as the College was habitual of giving undertakings, but not taking any action. In the year 2010-11

and again in 2011-12, the College gave undertakings that it would appoint the teacher/s and fulfil the conditions. Then it said that it could not pay Rs.15,800/- to the teachers. Now, it is saying that there is hardly any time left to take necessary action in this regard. Such a position was not prevailing only in this College, but many other Colleges. He, therefore, proposed that teachers should be appointed on regular basis. However, if qualified teachers are not available, appointment should be allowed to be made on contract basis after having panel from the University, but on a salary of Rs.25,800/- p.m.

**RESOLVED:** That a 3-members Committee be constituted by the Vice-Chancellor, which should inspect the College and make recommendations.

**Consideration of following Items 23, 24 and 25 on the agenda was postponed:**

“Resolved that Panjab University Calendar, Volume II, 2007 Chapter VIII(ii) (2.5)(d) page 38 may be amended as follow:”

| Existing Provision  | Proposed Provision  |
|---|---|
| A B.Sc. student must have out of the three elective subjects offered by him (excepting Geology, Geography and Anthropology) passed at least 2 Science subjects in the qualifying examination. He may offer the third elective subject from the faculty of Science or faculty of Arts. | A B.Sc. student must have out of the three elective subjects offered by him ( <b>excepting Anthropology</b> ) passed at least 2 science subjects in the qualifying examination. He may offer the third elective subject from the faculty of Science or faculty of Arts or passed at least 1 Science subjects in the qualifying examination. He may offer two elective subjects from the faculty of Science or faculty of Arts as such providing Science and Humanities an interdisciplinary approach. |

**EXPLANATION:**

- (i) In the present day of globalization there is an increasing demand for an interdisciplinary approach in teaching so as to better understand the natural and human environments as well the interactions among them. It is the need of the hour to understand the processes shaping environmental and societal development over space and time. However, our current curriculum is not conducive to creating a wider spectrum of opportunities to our students for achieving academic excellence.
- (ii) The importance of studying humanities, especially Geography and Geology with sciences leads to theoretical approaches and practical research finding can be applied to problems of environmental management in various physical, cultural, political and socio-economic contexts both at the national and global level.
- (iii) An interdisciplinary curriculum at undergraduate level will confer Bachelor in Science degree to the students. This will open doors to academic advancement in the following fields in India itself, as many reputed Indian Universities offers master programmes in Mineral Exploration & Processing, Cartography, Geographic

Information System, Meteorology, Space Science, Agriculture Meteorology, Hydrology, Remote sensing. A Bachelor of Science degree serves as a spring board for the students interested in undertaking the programmes mentioned above.

**(iv)** The proposed provision would help the students in more academic fashion and the specialist nature of these programmes would make our graduate highly marketable as well as give them a wide range of employment opportunities with government and private agencies, typified by Computer software development, Hydrology in developing countries, Meteorology, Remote sensing research and operations, River authority management, publishing, locational analysis and transport planning, Travel and research management and Environmental impact assessment (EIA).

**30.** To consider Executive summary of Inquiry Report submitted by Principal R.S. Jhanji with regard to excessive admissions made by Principal M.R. Government College, Fazilka, (Punjab) in the session 2011-2012.

**31.** To consider the following recommendations of the Standing Committee dated 20.4.2012 of the College Development Council:

1. that the prescribed *pro forma* as mandated in the University Calendar, Volume III, at page 184 be followed religiously and the Inspection Committees be directed to fill all column/said information from the certified related documents, the copies of which are mandated to be furnished by the concerned Principal of the affiliation College and which shall form a part of the Inspection Report, for grant of extension of affiliation to the courses being run in the Degree and Colleges of Education be approved with the modifications as suggested.
2. the Colleges which are running courses for the last 10-15 years or so, be granted permanent affiliation if already not granted after following the procedure. The College be instructed to apply for permanent affiliation with prescribed fee for considering the same based upon the report/s of the Inspection Committee/s to be made after the visit to the particular College.

3. that the Innova car (Diesel-top model) which is economical and fuel-efficient as of now, be purchased for Dean, College Development Council, to facilitate/develop better Colleges-University interaction through visits and outreach/contract programmes. The cost of the car and recurring expenditure on fuel, repair, salary to the Driver, etc., be met out of the C.D.C. funds.
4. that the extension of affiliation in the courses for which affiliation had already been granted for 2011-2012 but the College have not applied for extension of affiliation for the same for 2012-2013, due to conditions mentioned under circular No.Misc.A-4/1-188 dated 4.1.2011. It is recommended that temporary extension of affiliation to the Colleges which are covered under the decision of the University, be processed for grant of temporary extension of affiliation.

**NOTE:** The UGC's relevant norms for grant of affiliation, a copy of which is added at may also be kept in view while considering the matter at serial no. 4.

**32.** To consider if –

- (i) extension of affiliation for B.A. III (Public Administration) be granted to GGS DAV Centenary College, Jalalabad (W), District Ferozepur for the session 2010-2011 subject to the condition that College will follow the other Instructions/guidelines of the UGC/PU/Punjab Government as per Inspection Report.

- (iii) provisional extension of affiliation be granted to Arya College, Ludhiana for Certificate Add-On course as per UGC guidelines under UGC/Self-financing course in Human Rights Career Oriented course for the session 2012-13 as per Inspection Report.

**33.** To consider the appointment of Shri Varinder Kumar as Lecturer in Bio-Informatics at G.G.D.S.D. College, Sector 32, Chandigarh w.e.f. 2.7.2007 for teaching degree classes on temporary but likely to continue basis w.e.f. 2.7.2007 as the UGC has not conducted UGC NET in Bio-Informatics.

**NOTE:** 1. The Law Officer, Panjab University, has given his opinion as under:

In the advertisement dated 15.4.2007 published in the Hindustan Times and the Tribune, there is no condition of passing of NET for appointment of Lecturer in Bio-Informatics. The interview of the eligible candidates was held on 30.5.2007 and Shri Varinder Kumar, M.Sc. in Bio-Informatics was selected as Lecturer in Bio-Informatics on temporary but likely to continue. But, in the appointment letter dated 12.6.2007, Shri Varinder Kumar was appointed in the pay scale of Rs.8000-275-13500 with a condition for clearing NET by 31.3.2008 failing which the appointee will be reverted back to the fixed/consolidated pay Rs.15000/- per month. Shri Varinder Kumar joined on 2.7.2007 as Lecturer in Bio-Informatics. The Syndicate in its meeting dated 20.4.2008 in Para-27 resolved that for the post of Lecturer in Bio-Informatics, NET is compulsory for the candidates who have passed M.Sc. in Bio-Informatics. The Principal sent letter No. 4285 dated 31.7.2008 for approving the appointment of Shri Varinder Kumar as Lecturer in Bio-Informatics stating that NET is applicable only in the subjects where NET examination is conducted by UGC/CSIR and till date no NET examination has been held in Bio-Informatics. Vide letter No. Misc./A-2/7653 dated 12.8.2008, the College was informed by the Deputy Registrar (Colleges) that according to the approved qualifications, Shri Varinder Kumar does not fulfill the requisite qualifications and, moreover, as per the appointment letter he has failed to acquire the requisite qualification of NET by 31.3.2008, failing which he will be reverted back to fixed/consolidated pay of Rs.15000/- per month and the Principal was requested to clarify the position. The College sent letter No. SDC/1043 dated 14.6.2011 enclosing the clarificatory letter of UGC addressed to Shri R.S. Bawa, Registrar of Guru Nanak Dev University, in which it was stated that

that the UGC does not hold NET in Bio-Informatics and the persons having 55% marks in M.Sc. Bio-Informatics are eligible for the post of Assistant Professor. In the letter No. F.3-1/2009 dated 30<sup>th</sup> June, 2010 issued by the UGC prescribing the minimum qualification at page-42 to 48, under Regulation-3.3.2 at page-44 and Regulation-4.4.1(iv), NET/SLET/SET shall not be required for such Master's degree programme in disciplines for which NET/SLET/SET accredited test is not conducted. From page-50 of this file, it is also very much clear that the Council of Scientific and Industrial Research (CSIR), New Delhi does not conduct any examination in the subject of Bio-Informatics conducted by UGC-NET. At page 53 the Dean College Development Council of Guru Nanak Dev University vide his letter No. 1705/Col dated 3.3.2011 has certified that as per letter no F 18-1/2004 (NET) issued by the UGC, the UGC-NET examination is not conducted in the subject of Bio-Informatics and also as per the office note, no qualification was laid for the post of Lecturer in Bio-Informatics and the recommendations of the Selection Committee constituted by the Vice-Chancellor were approved by the Syndicate vide para-27 on 20.4.2008.

Therefore, as per the UGC Regulations 2010 and the letter of Council of Scientific and Industrial Research (CSIR), there is no requirement of passing of NET by the Lecturers having M.Sc. in Bio-Informatics as neither the UGC nor the CSIR is holding any NET examination. Consequently, the appointment of Sh. Varinder Kumar as lecturer in Bio-Informatics in the pay scale of Rs.8000-275-13500 may be approved.

2. The Dean, College Development Council has opined as under:

The above information, as is the basis of this note as procured from CSIR & G.N.D.U. needs validation from the Syndicate since the resultant deviation from the prescribed norms thereof will take the shape of policy in

the subject of Bio-Informatics. The issue calls for adjudication in the Syndicate.

**34.** To consider the following recommendations of the Committee dated 22.4.2012 constituted by the Vice-Chancellor to look into/examine the recommendations received from the members of the Committees submitted by them after conducting the Periodical Inspection of the affiliated Education Colleges:

1. The appointment of faculty for the courses of B.Ed./M.Ed. Colleges is to be regulated according to the latest NCTE Regulations in force (July 26,2010).
2. All other conditions with regards to office and material infrastructure as laid down by NCTE, the regulatory body for B.Ed. and M.Ed. courses, be followed in letter and spirit.
3. The process of carrying out periodic inspections in those colleges/institutes (which are running B.Ed./M.Ed. courses) where the same has not been undertaken so far, should be initiated **WITH IMMEDIATE EFFECT** and be got completed within 20 days and the subsequent reports be tabled immediately thereon to be appended with this preliminary report.
4. The Hon'ble Vice-Chancellor be requested to substitute those committees which have not been able to go on inspection visit due to some compelling reasons but wherever the Principals of the concerned colleges/institutes are not inviting the committees for the visit, there the DCDC office be requested to intervene and fix the visit for inspection within a week or so.
5. **Inspection reports of all the Colleges/ Institutes offering B.Ed. and M.Ed. courses** be compiled together **in a single attempt** on the newly devised *Pro forma (Appendix)* for one comprehensive action against all the defaulters ensuring **TRANSPARENCY AND UNIFORMITY.**
6. Salaries of Principals/Directors/Lecturers/ Assistant Professor/Associate Professor/ Professor must be paid according to the latest UGC/NCTE/PU norms and the same should be paid through cheque and the salaries be paid through e- mode from the session 2012-2013.
7. Salaries of the office and Administrative staff should also be paid in accordance with UGC/NCTE/PU/State/UT norms and the mode of payment be the same as for the officials listed at no. 6.

8. On a more critical and closer perusal of the tabled periodic reports it was strongly suggested that the concerned relevant documents of the Colleges having been given clean chit be verified by the office of the DCDC just to ensure that no injustice is being done and that no inadvertent mistake has found place in the report. And while doing so, if the DCDC office does not find the related documents (duly attested by the College Principal) in place the same be asked from the College immediately and it should be binding on the College to provide the same in stipulated time frame.
9. The consolidated *pro forma* thus prepared be compared with the college returns which had been filed by the colleges/institutes by 15.4.2012 for the forthcoming elections of the Senate as that will authenticate this process and will ensure justice and transparency.
10. The final consolidated report be communicated to the concerned college (preferably through electronic medium) and the college be asked to fulfil the deficiencies within the stipulated period as laid by the University (which shall be uniform for all colleges). The college/institute will also be required to submit duly certified documentary evidence for the same with the DCDC office, failing which the University may take any action as deemed fit in accordance with the rules/regulations.

**NOTE:** The Vice-Chancellor constituted a Committee consisting of Dr. S.S. Sangha, Dean, Faculty of Education and Dr. Naval Kishore, Dean College Development Council, to look into the recommendation received from the members of the Committee and submit recommendations met on 25.4.2012 and resolved as under:

**“that the recommendations of the Committee are in order except at Sr. No. 5 as the devised *Pro forma*, should relate to the Colleges Branch and is designed for tabulation of information received through Inspection Reports, but a bare reading shows that the information with regard to Inspection is to be furnished by the Inspection Committees on this *Pro forma* whereas the *Pro forma* for Inspection Report is already detailed in the University Calendar”.**
