NOTE: The following information enclosed:

- (a) Relevant Regulations regarding composition of the Committees.
- (b) Present membership of the Committees.

Dr. Dinesh Talwar, referring to the note given in the appendix, said that it is not understandable as to why the Revising Committee, Youth Welfare Committee and Publication Bureau Committee were not constituted for the year 2011.

Shri Ashok Goyal observed that Dr. Talwar had asked a very pertinent question, the same should be replied to. Moreover, if the Revising Committee, which approves the examiners recommended by various Boards of Studies, was not constituted, how the examiners for the examinations held in 2011 were approved?

The Vice-Chancellor said that, in fact, the Vice-Chancellor was authorized to appoint these Committees with a rider that he should consult Shri Gopal Krishan Chatrath. Therefore, the files were sent to Shri Chatrath, which were never received back. However, the examiners for various examinations held in 2011 were got approved from the Revising Committee constituted for the year 2010.

Shri Gopal Krishan Chatrath stated that since the Committees were constituted with green ink and had started functioning, he did not feel proper to change the same. That was the reason as to why he did not take any action.

The Vice-Chancellor clarified that he had only constituted the Standing Committees to consider and decide the cases of the alleged misconduct and use of unfair means in the examinations because these Committees were to consider and decide the cases of the alleged misconduct and use of unfair means in the examinations held in April 2011.

Shri Ashok Goyal said that Regulations 1.1. and 1.2 at page 32 of Panjab University Calendar, Volume II, 2007, stipulate that the Syndicate shall appoint in the month of December every year, a Committee for scrutiny and revision of the lists of examiners suggested by various Boards of Studies. When the term of the Revising Committee was only for one year i.e. 2010, how it approved the examiners for the year 2011? He further said that as per Regulations, the Syndicate was supposed to constitute Revising Committee every year. As such, the Committee could not approve the examiners for the year beyond its tenure.

Shri Jarnail Singh suggested that let they burry the past and take corrective measures to put the things in right perspective.

Dr. Dinesh Talwar stated that he was a member of the Revising Committee for the year 2008. The said Committee in one of its meetings had changed the names of certain examiners which were recommended by the concerned Boards of Studies. This meant that the Revising Committee was empowered to alter the recommendations of the Boards of Studies. Could the Revising Committee constituted for one year, approve the examiners for two years, he enquired?

Shri Gopal Krishan Chatrath stated that not only the examiners were appointed by the Revising Committee, but were also approved by the Syndicate. In fact, somebody had played a mischief by incorporating the note.

Shri Ashok Goyal, referring to the bold footnotes mentioned in the Appendix, stated that he wanted to know whether they were to believe in what has been circulated to the members or to the statement given by one of the members. As per Regulations, some of these were Statutory Committees and it should be disclosed who and under what authority he/she had delayed/denied the constitution of these Committees. He pleaded that the person responsible for the lapse should be taken to task.

Shri Jarnail Singh said that several Boards of Studies recommended outlines of tests, syllabi and courses of reading for 2-3 years. Hence, according to him, the Revising Committee constituted for the year 2010 had not done anything wrong while approving the examiners for the year 2011 also. It was for the convenience of the University.

The Vice-Chancellor clarified that, in fact, the Revising Committee in its meeting held in the month of December 2010 had approved the examiners for the year 2011. He, however, said that though there was a need to appoint the Revising Committee for the year 2011, the same could not be appointed.

Shri Ashok Goyal reiterated that the accountability and responsibility for not appointing the Revising Committee should be fixed.

Principal Janmit Singh said that instead of pointing out the discrepancies in the procedure, they should take corrective measures and move ahead; otherwise it would be a sheer wastage of time of the House.

Shri Jarnail Singh said that he knew the functioning of the Publication Bureau Committee as he was a member of the Publication Bureau Committee about 4-5 years ago, but no meeting of the Committee was held.

To this, Shri Ashok Goyal stated that were they befooling themselves or the outsiders? Earlier, the Committees were constituted, but the constitution of the Committees had not taken place, which was due to somebody's fault. They should introspect and find out where the fault lay. Sometimes the Committees were constituted as per practice and sometimes on the basis of traditions.

Shri Ashok Goyal proposed that this time also the Vice-Chancellor be authorized to constitute the Revising Committee, Regulations Committee, Standing Committee to deal with the cases of

alleged misconduct and use of unfair means in connection with the examinations, Youth Welfare Committee and Publication Bureau Committee, on behalf of the Syndicate.

Dr. Dinesh Talwar seconded the proposal made by Shri Ashok Goyal.

As soon as Shri Gopal Krishan Chatrath started proposing the names of the Committees, Shri Ashok Goyal intervened to say that though he was not against any name to be proposed because all are great persons and he had full respect for them, his dissent be recorded for the way the meeting was being hijacked by one of the members.

Dr. Dinesh Talwar endorsed the viewpoint expressed by Shri Goyal.

Shri Gopal Krishan Chatrath proposed the names of the following persons for the **Revising Committee for the year 2012**, i.e. 1.1.2012 to 31.12.2012, under Regulations 1.1. and 1.2 at page 32 of Panjab University Calendar, Volume II, 2007:

1. Dean, Faculty of Science
2. Dean, Faculty of Arts
3. Dean, Faculty of Languages
4. Professor A.S. Ahluwalia, DSW

Principal Gurdip Sharma seconded the above proposal made by Shri Gopal Krishan Chatrath.

As Shri Gopal Krishan Chatrath stated proposing names for Regulations Committees, the Vice-Chancellor pointed out that let the other members be also given a chance to propose.

Shri Jarnail Singh proposed the names of the following persons for **Regulations Committee for the year 2012**, i.e. 1.1.2012 to 31.12.2012, under Regulation 23.1 at page 33 of Panjab University Calendar, Volume I, 2007:

1. Shri Chaman Lal Sharma, Fellow (Chairman)
2. Dr. D.P.S. Randhawa, Fellow
3. Dr. Kamaljit Singh, Fellow
4. Dean, College Development Council

Shri Gopal Krishan Chatrath seconded the proposal made by Shri Jarnail Singh.

Shri Gopal Krishan Chatrath proposed the names of Justice G.R. Majithia (Retd.) as Chairman of one Committee and Justice J.C. Verma (Retd.) as Chairman of the other Committee and requested other members to propose the names of other persons, which were proposed by Principal Gurdip Sharma. As such, the following persons were proposed for the two **Standing Committees** to deal with the cases of alleged misconduct and use of unfair means in connection with the examinations for the year 2012, i.e. 1.1.2012 to 31.12.2012, under Regulation 31 at page 14 of Panjab University Calendar, Volume II, 2007:

Committee-I:

1. Justice G.R. Majithia (Retd.) (Chairman)
2. Principal Kailash Nath Kaul, Fellow
3. Dr. Jagpal Singh, Fellow

Committee-II:

1. Justice J.C. Verma (Retd.) (Chairman)
2. Dr. R.K. Sharma, Fellow
3. Ms. Anu Chatrath, Fellow

Shri Jarnail Singh seconded the above proposal made by Principal Gurdip Sharma.

Shri Ashok Goyal stated that earlier there was no Standing Committee and all the cases were decided by the Vice-Chancellor. But as the number of unfair means cases started increasing, it was decided to constitute a Standing Committee for deciding the UMC cases and a provision was made in the Regulations. The decision with regard to constituting one or two Standing Committee/s was taken by the Syndicate from time to time. Despite there being no such decision, two Standing Committees had been proposed.

Shri Gopal Krishan Chatrath proposed the names of following persons for the **Youth Welfare Committee for the years 2012-2013**, i.e. 1.1.2012 to 31.12.2013, under Regulation 4 at pages 155-156 of Panjab University Calendar, Volume I, 2007:

1. Vice-Chancellor (Chairman)
2. Dean of University Instruction (Ex-officio)
3. Dean of Student Welfare (Ex-officio)
4. Registrar (EX-officio)
5. Dean, College Development Council (Ex-officio)
6. Finance & Development Officer (Ex-officio)
7. Principal Gurdip Sharma (Syndic)
8. Dr. Emanuel Nahar, Fellow

13. Dr. P.S. Gill, Fellow (Lecturer)
14. One Lecturer from Panjab University
15. President, Panjab University Students' Council
(Ex-officio)
16. Two students from affiliated Colleges to be nominated
by the Dean, College Development Council.
17. Director, Youth Welfare (Member-Secretary)

Shri Jarnail Singh seconded the above proposal made by Shri Gopal Krishan Chatrath.

Shri Gopal Krishan Chatrath proposed the names of following persons for the **Publication Bureau Committee for the years 2012-2013**, i.e. 1.1.2012 to 31.12.2013, under Regulations 3.1 and 3.2 at page 179 of Panjab University Calendar, Volume I, 2007:

Manji Sahib, Kotan
Distt. Ludhiana

Dr. Dinesh Talwar said that he did not want to be associated with any of these Committees.

Majority of the members were in favour of constituting the Committees as proposed above.

The Vice-Chancellor stated that he had his own strong reservations to the constitution of Standing Committees to deal with the cases of alleged misconduct and use of unfair means in connection with the examinations and if anything wrong happened, he would not be responsible.

Shri Ashok Goyal observed that since the Vice-Chancellor, the Chairman of the Syndicate, had recorded his strong reservations, the above proposals regarding constitution of various Committees could not be treated as approved. Unless and until the issue is put to vote and the Vice-Chancellor cast his vote, the majority view could not be carried.

Shri Gopal Krishan Chatrath said that it had been mentioned in Regulation 5 at Page 35 of Panjab University Calendar, Volume I, 2007, that the decision of the majority of the members present will prevail.

At this stage, the Vice-Chancellor stated that he had made a complete data of the affiliated College. If he started pointing out the discrepancies, it would be too much disaster for the University. 30 Affiliated Colleges had not convened the meetings of the Selection Committees despite getting panel from the University.

Resignation of Ms. Shivani Sobti, Asstt. Professor in Commerce at P.U. Constituent College, Guru Har Sahai, Distt. Ferozepur

5. Considered if, resignation of Ms. Shivani Sobti, Assistant Professor in Commerce at P.U. Constituent College, Guru Hari Sahai, District Ferozepur, be accepted w.e.f. 06.09.2011 with the condition that she will deposit one month salary in lieu of notice period under Rule 16.2 at page 83, P.U. Calendar, Volume-III, 2009.

NOTE: 1. Rule 16.2. at page 83, P.U. Calendar, Volume-III, 2009 reads as under:

“The service of a temporary employee may be terminated with due notice or on payment of pay and allowances in lieu of such notice by either side. The period of notice shall be one month in case of all temporary employees which may be waived at the discretion of appropriate authority...”

2. Ms. Shivani Sobti has tendered her resignation with immediate effect i.e. 6.9.2011 and has not given any notice period before resignation. Therefore she has to deposit the salary of the period short in lieu of one month notice.

Principal Gurdip Sharma said that as far as he knew the U.G.C. had withdrawn its approval regarding the setting up of a P.U. Constituent College at Guru Har Sahai, District Ferozepur. He enquired whether the College at Guru Har Sahai, District Ferozepur, is still a Constituent College of Panjab University or not.

Professor Naval Kishore stated that the University had written a letter to Secretary, Higher Education (Punjab) that if the Punjab Government did not release the promised non-recurring grant, admissions for next year, i.e. 2012-2013 session would not be made in Guru Har Sahai College, District Ferozepur.

RESOLVED: That the resignation of Ms. Shivani Sobti, Assistant Professor in Commerce at P.U. Constituent College, Guru Har Sahai, District Ferozepur, be accepted w.e.f. 06.09.2011 with the condition that she will deposit one month salary in lieu of notice period, under Rule 16.2 at page 83, P.U. Calendar, Volume III, 2009.

Recommendation of the Committee dated 11.10.2010

6. Considered recommendation of the Committee dated 11.10.2010 (**Appendix-I**) constituted by the Vice-Chancellor that another provision be made in the existing guidelines that a candidate can also apply to see his/her answer-book within 7 days from the date of despatch of Detailed Marks Card (D.M.C.).

NOTE: As per existing guidelines the candidate can apply to see his/her answer-book **within 10 days** from the date on which the result was declared by the University.

Principal R.S. Jhanji said that since sometimes the candidates received Detailed-Marks-Card (DMC) late, they should be allowed apply to see his/her answer-book within 7 days from the date of receipt of DMC instead of despatch.

It was clarified that since the DMC were being sent to the candidates through ordinary post, it would not be possible to ascertain the date of receipt. Hence, the University would face a lot of problems on this count.

Shri Jarnail Singh said that in one of the cases, the result of re-evaluation was declared on 4th January and the DMC was despatched on 21st January, which was received by the candidate on 28th January. When the candidate went to submit his examination form, he was told that he had to pay a late fee of Rs.9,000/-.

The Vice-Chancellor asked the Controller of Examinations to examine the matter and see that maximum benefits should be given to the students.

RESOLVED: That the Vice-Chancellor be authorized to take decision on the recommendations of the Controller of Examinations, on behalf of the Syndicate.

Recommendations of the Committee dated 21.11.2011 for grant of Travel Subsidy

7. Considered minutes dated 21.11.2011 (**Appendix-II**) of the Committee constituted by the Vice-Chancellor for the grant of Travel Subsidy for attending International Conferences outside India out of the "Un-assigned Grant" for the financial year 2011-2012.

Principal Gurdip Sharma suggested that the grant of Travel Subsidy should be given to only those teachers, who presented papers in the Conferences/Seminars/Symposia, etc. outside India and not for attending these.

Dr. Mukesh Arora urged that grant of Travel Subsidy should also be given to the teachers of the affiliated Colleges. He pointed out that several objections are raised by the Auditors on the T.A. bills of the members.

Dr. P.S. Gill said that the Auditors should raise the objection once. Once the objection/s raised by the Auditor is removed, he could not raise again.

Shri Gopal Krishan Chatrath stated that nobody could take decisions contrary to the decisions of the Syndicate and Senate. The University had adopted internal audit system, which is audited by the Accountant General. The unfortunate part was that here the auditors had the courage to object to the decisions of the Syndicate and Senate. He suggested that some corrective measures should be taken about it and, if need be, a firm step should be taken. If not, they should have their own internal audit and thereafter request the Auditor General to do the auditing. He also suggested that a small Committee should be constituted to reply and satisfy the auditors. He knew the accounts procedures as he remained Chairman of the Public Accounts Committee for a period of about 5 years.

Shri Ashok Goyal stated that there are merits and demerits of pre-audit system, which is adopted by the University. In the case of post audit system, what has happened/done that could not be undone. That was why in some of the institutions where they need expert advice, they got that after pre-audit. But the question was how were they sure that whatever had been done by the Syndicate and Senate was within the Regulations/Rules. If the Syndicate and Senate worked within the parameters of the Regulations, the RAO could not raise any objection, but if the Syndicate and Senate go beyond the Regulations/Rules, the RAO was supposed to raise objection.

The Vice-Chancellor said that whatever money was got by the University is a public money and required to be spend according to the Regulations, Rules, etc. and the RAO had to see it.

RESOLVED: That the recommendations of the Committee dated 21.11.2011, as per **Appendix**, be approved.

Recommendation of the Committee dated 2.12.2011 regarding UGC's CAS Proforma

8. Considered minutes dated 2.12.2011 (**Appendix-III**) of the Committee constituted by the Vice-Chancellor to finalize the UGC's CAS Proforma for the Librarian/Deputy Librarian/Assistant Librarian & University Director/ Deputy Director/Assistant Director of Physical Education, Panjab University, Chandigarh.

RESOLVED: That the UGC's CAS Proforma for the Librarian/Deputy Librarian/Assistant Librarian and University Director/Deputy Director/Assistant Director of Physical Education, be adopted in toto.

Recommendations of the Committee dated 12.12.2011

9. Considered minutes dated 12.12.2011 (**Appendix-IV**) of the meeting of the Committee of the Principals' Association Executive members and some Principals of the affiliated Colleges regarding affiliation, approval of the Teaching staff and other allied problems, which made following recommendations:

(i) Uniformity in the number of seats at P.G. level be maintained in the Courses having practical component and those without practical, subject to the UGC/University norms of availability of space or practicals as required under the norms and also the availability of necessary infrastructure in the labs:

- | | |
|------------------------------|----------|
| (a) Course with practical | 40 seats |
| (b) Course without practical | 60 seats |

The increase in the number of seats, as detailed above, shall come into force with immediate effect;

(ii) The assurance of the Dean, College Development Council to consider reviewal of the fine only if the compliance of the stipulated condition(s) by the Inspecting Teams/College(s) is reported in time was accepted.

(iii) In order to allay the apprehension of some members, it was resolved to work out some modalities which are in consonance with defined parameters of UGC w.r.t. appointment of teachers and the payment of salary to them in the light of the decision of the Syndicate/Senate.

Referring to recommendation (i), Dr. Dinesh Talwar said that the Committee had recommended that the increase in the number of seats, as details above, shall come into force with immediate effect. He suggested that the immediate effect should be specified.

The Vice-Chancellor said that the increase would be effected with effect from the next academic session, i.e. 2012-2013.

The Vice-Chancellor further stated that they had collected data from various affiliated Colleges according to which the Colleges are

making admissions without any consideration to number of seats. Seats are being increased by the Colleges to the extent of 300. One of the Colleges had admitted about 1300 students without sufficient infrastructure and the same was going on for the last about 13 years. Moreover, how many seats should be there in a unit for a course, also needed to be specified.

Principal Janmit Singh said that it was a serious matter. But nowhere the seats for B.A. had been mentioned. One of the reasons for admission of a large number of students in the Government Colleges was that the fee in the Government Colleges was much less than the private aided and unaided Colleges.

The Vice-Chancellor stated that the University has to conduct examinations of about 2.87 lac students this year and it had been observed that the number was increasing year after year. Since the University had limited resources, the seats for each course needed to be specified, for which a Committee should be constituted.

Shri Gopal Krishan Chatrath said that the Colleges must have requisite number of teachers to teach the students whatever number it had admitted.

Shri Ashok Goyal stated that it was not evident as to who had constituted this Committee. For the smooth functioning of the affiliated Colleges, they had their own College Development Council. He did not know as to what was the Executive of Principals' Association. Unless and until the Committee is constituted by the Vice-Chancellor, the item concerned could not come to the Syndicate. He pointed out certain Colleges had been given half unit (15 seats).

Dr. Mukesh Arora said that the issue regarding maximum number of seats to be given to the affiliated Colleges should be decided at the earliest as the Inspection Committees for grant of affiliation/extension of affiliation to the various Colleges had started visiting the Colleges. Once the decision in this respect is taken, the Inspection Committees should be informed accordingly. Referring to the statement that a large number of students sought admission in the Government Colleges, he said that less number of students had taken admission in his College. He suggested that Principal/s of Government College/s should also be appointed member/s of the proposed Committee.

Shri Ashok Goyal stated that one of the members of the Principals' Executive had reasoned that the seats be increased, which would help the Colleges to increase the source of income for the development of infrastructure and payment of salary to the teachers as per U.G.C./Punjab Government norms. According to him, this reason is unjustified.

RESOLVED: That the matter be referred to a Committee to be constituted by the Vice-Chancellor under the chairmanship of Dean, College Development Council, for in depth consideration and making recommendations.

Dr. Dinesh Talwar pointed out that the members of the Committees and Inspection Committees were still being paid the T.A. @ Rs.8/- p.k.m.

Shri Gopal Krishan Chatrath stated that in one of the meetings of the Syndicate the members desired that the rates of T.A. should be increased substantially and the Vice-Chancellor agreed to increase the T.A. Rate from Rs.8/- p.k.m. to Rs.9/- p.k.m. till the same are increased by the Government.

Dr. Mukesh Arora stated that the Vice-Chancellor made announcements, but in fact, the same are not implemented. Citing an example, he said that in the Golden Jubilee Hall the Vice-Chancellor had announced that the rates of Flying Squad had been increased, but the members of the Flying Squads are still being paid @ Rs.170/-.

NOTE: The Chairperson, Department of Guru Nanak Sikh Studies has suggested the name of the members (**Appendix-VI**) from different departments as there is no sufficient faculty members in the department for the nomination of the said Committee.

Shri Gopal Krishan Chatrath proposed the names of following two persons for nomination on the Research Degree Committee in Guru Nanak Sikh Studies, which was seconded by Dr. P.S. Gill:

1. Professor Pam Rajput, Fellow

2. Dr. Gurpal Singh
Professor of Punjabi

Panjab University, Chandigarh.

There being no other proposal, the following persons were unanimously nominated on the Research Degree Committee in Guru Nanak Sikh Studies for the next term i.e. 1.1.2012 to 31.12.2013, under Regulation 5.1 (a) at page 190 P.U. Calendar, Volume, II, 2007:

Representation of Professor Kiran Pawar (Retd.) Department of History for grant of family pension to her daughter

12. Considered representation (**Appendix-VII**) received from Professor Kiran Pawar, (Retd.), Department of History, for grant of family pension to her daughter Ms. Shalini Pawar who is suffering from a Chronic Nervous disorder. Information contained in the office note (**Appendix-VII**) was also taken into consideration.

Dr. Dinesh Talwar enquired why this item had come to the Syndicate.

The Vice-Chancellor said that, normally, every case relating to pension on which regulations/rules are silent, went to the Punjab Government. The Syndicate should take a decision that, henceforth, wherever regulations/ rules of the Panjab University are silent, the Punjab Government regulations/rules should be followed or the case be referred to the Punjab Government.

Shri Gopal Krishan Chatrath said that in the case of non-teaching staff wherever University Regulations are silent, they follow Punjab Government Regulations/Rules. But the teaching staff is not debarred in the Regulations.

Shri Ashok Goyal said that, as far as Pension is concerned, the Punjab Government Regulations/Rules are applicable for all, including teaching staff.

The Vice-Chancellor said that there were many Regulations in the Pension Scheme which are contrary/unclear, the same should be amended by the Pension Committee and approved by various University bodies and then sent to the Government of India for approval.

Shri Ashok Goyal suggested that the office should identify the regulations wherever it faced difficulties and put the same before the Pension Committee for amendment.

RESOLVED: That family pension be granted to Ms. Shalini Pawar, daughter of Professor Kiran Pawar, (Retd.), Department of History, who is suffering from a Chronic Nervous disorder, under Rule 6.17 of Punjab CSR.

RESOLVED FURTHER: That the office should identify the regulations/rules wherever it faced difficulties and put the same before the Pension Committee for amendment.

Introduction of On-line application forms for various Entrance Tests

13. Considered minutes dated 23.11.2011 (**Appendix-VIII**) of the Committee constituted by the Vice-Chancellor for introduction of online application forms for various Entrance Tests to be conducted during the year 2012.

Dr. P.S. Gill said that last year the teachers put in a lot of hard work for making the On-line admissions successful, but till date the University had not paid them any honorarium.

The Vice-Chancellor said that the payment to all such teachers is being made.

Shri Gopal Krishan Chatrath said that with the introduction of API Score by the U.G.C. majority of the teachers were more interested in attending Conferences/ Seminar/Symposia, etc. and several bogus cases had been detected.

The Vice-Chancellor said that whatever was available to them, they were supposed to go by that.

Shri Gopal Krishan Chatrath suggested that every paper should be screened by a 5-member Committee to be constituted to check the quality/standard of research paper. Once the paper is approved by the Committee, only then the person concerned should be allowed to present the same in the Conference/ Seminar/Symposia, etc.

RESOLVED: That the recommendations of the Committee dated 23.11.2011, as per **Appendix**, be approved.

Issue regarding re-evaluation in B.Sc. (Radiodiagnosis) exam.

14. Considered the request dated 14.12.2011 (**Appendix-IX**) received from Professor Raj Bahadur, Director, Principal, Government Medical College and Hospital, Sector 32, Chandigarh, regarding re-evaluation of six candidates of B.Sc. (Radiodiagnosis) 2nd year Examination September, 2011. Information contained in the office note (**Appendix-IX**) was also taken into consideration.

NOTE: Rule I at page 434 of P.U. Calendar, Volume III, 2009 read as under:

Re-evaluation is permissible in case of Annual, Supplementary, Biannual and Semester Examinations conducted by this University except in the following:

- (i) Examinations in the Faculty of Medical Sciences.
- (ii) Practical Examinations in different subject/s or paper/s; sessional marks, internal assessment, project report, dissertations, thesis and viva voce.

Shri Gopal Krishan Chatrath suggested that if the students applied for re-evaluation, they should be allowed.

Dr. Mukesh Arora said that the request for re-evaluation should have come from the students rather than Director-Principal of the College.

The Vice-Chancellor stated that there is no provision for re-evaluation in the courses where the internal system existed. In the University wherever internal system is prevalent, an appellate authority existed there. But it seemed no such appellate authority existed in the Government Medical College & Hospital, Chandigarh. The College could be asked to constitute a 3-member Committee which should act as an Appellate Authority. He also suggested that if the students had exhausted their all chances of re-appear, they could be given an additional/special chance to reappear in the said examination.

Shri Ashok Goyal stated that the request had been received from the Director-Principal, Government Medical College and Hospital, Chandigarh, because there is no provision for re-evaluation in this course. Even if the provision was allowed now, the students in question could not be allowed because the same could not be implemented with retrospective effect. After going through the papers, it smelt that there are some serious allegations against the evaluator. On the suggestion of the Controller of Examinations that "the observations of Director-Principal, GMCH, are serious nature. Although, rules do not permit re-evaluation, the Syndicate, in the interest of the students may take a decision for independent evaluation", the Vice-Chancellor had placed the matter before the Syndicate. Do the University have any mechanism for independent evaluation, he enquired? Whether they could go for re-evaluation of all these students? But at the same time, according to Dr. Raj Bahadur these students are demoralized and one of them was topper in the previous semesters. This issue had been discussed in the media also. But according to him, it was wrong to say that one of these two students had been the topper. However, if it was found to be correct, why nothing had been mentioned about it in the office note except that the observations of Director-Principal are serious in nature? He could not understand as to what the item is. Such allegations had not come to the Syndicate for the first time. Earlier, the Medical Faculty had recommended that the practical examinations should be held much after the theory papers had been evaluated. But what was happening was that the teachers come for practical examination and they were given the answerbooks of theory examination for evaluation then and there, which was wrong. In fact, the marks were being awarded to the students seeing their faces and not on the basis of answers given by them to the questions. He remembered that in one of the meetings of the Faculty of Medical Sciences, Dr. K.K. Talwar had given an observation that they should not have any doubt about the integrity of their faculty members. To which, one of the members had said that let they do not have any police in the country as they did not have any doubt over the integrity of their fellow citizens. He stated that, in fact, the Committee constituted by the Faculty of Medical Science in its meeting held on 5.12.2010 met on 31.12.2010 and *inter alia* recommended that the theory examinations should be conducted well before the conduct of practical examinations. The recommendations of the Committee were considered by the Faculty of Medical Science in its meeting held on

1.10.2011 and the recommendations of the Faculty had been placed before the Syndicate in January 2012, i.e. after four months. He did not know why the recommendations were kept pending for such a long period. Had these recommendations been placed before the Faculty of Medical Science in its March 2011 meeting and thereafter before the Syndicate, this problem might not have arisen. Four students did not want re-evaluation and two wanted re-evaluation and both the parties are lobbying and the issue had become a matter of controversy. If they were really convinced that something wrong had been done, they should go for independent evaluation of the two students only and nothing should be done in the case of four students.

Professor M. Shakeel Khan was of the view that re-examination of the two students should be conducted.

Shri Gopal Krishan Chatrath said that if the re-examination of the two students was conducted, it would be kind of punishment, which was wrong.

Dr. Dinesh Talwar stated that the two students had already availed the two re-appear chances, one in September 2010 and another in May 2011. In addition to it, total four types of students studied in this course, i.e. 12+12+12+4. But at present 33-34 students are there. He did not know whether they are governed by the regulations/rules of the Medical Council of India, but the course is being run under the Faculty of Medical Sciences.

Shri Gopal Krishan Chatrath said that this course is just like B.Sc. (Nursing) where the provision for re-evaluation existed as was in the case of other Graduate and Postgraduate courses. Moreover, the Rules for re-evaluation were available in Panjab University Calendar, Volume III, which are decisions of the Syndicate. Hence, the Syndicate was empowered to allow re-evaluation in this course also.

After some further discussion, it was –

RESOLVED: That the Government Medical College & Hospital, Chandigarh, be asked to constitute a Committee comprising of 2-3 members to look into the issue and submit a detailed report, which would be placed before the Syndicate for consideration.

Policy with regard to grant of affiliation for short-term courses

15. Item 15 on the agenda was read out, viz. –

15. To lay down a policy with regard to grant of affiliation for the short-term course/s introduced by the U.G.C., under Human Rights & Education Scheme under Plan. The U.G.C. had sanctioned a financial assistance for introduction of following Certificate courses/Foundation Course/s (3-6 months):

1. Foundation course (2-3 months)
2. Certificate course (3-6 months)
3. P.G. Diploma course (9-12 months)

NOTE: 1. The Principal Dev Samaj College of Education, Sector 36-B, Chandigarh vide No. 2572 dated 17.10.2011

(Appendix-X) has sought permission to start the Certificate course under the Scheme of Human Rights Education under Plan w.e.f. the session 2011-12 as the grant sanctioned by the UGC will lapse if the courses not started from this session.

The Principal, S.G.G.S. Khalsa College, Mahilpur, Hoshiarpur vide No. 708 dated 2.6.2011 **(Appendix-X)** has also sought affiliation of Certificate course (3-6 months) as the College has received a financial aid from the UGC for introduction of Certificate course (3-6 months) duration under the above scheme.

2. The University rules pertaining to affiliation, there exists no provision for grant of affiliation for the courses of short duration of (3-6 months).
3. The University Grants Commission have not defined the parameters of the courses mentioned above, but have granted financial assistance to the Colleges. Since the utilization of grants by the College needs certifications of the office of the Dean College Development Council the issue may be resolved.
4. An office note enclosed **(Appendix-X)**.

Principal R.S. Jhanji said that since the sanction of the U.G.C. for certain courses came late, the affiliated College should be allowed to run those courses; otherwise, the Colleges would suffer a lot.

The Vice-Chancellor said that if the affiliated Colleges sent the proposal of such courses through the University, the University would look into them favourably.

Principal Tejinder Kaur said that how the Colleges could apply to the University, when the sanction for the same had not been received from the U.G.C.

The Vice-Chancellor said that let there be a provision of refund of affiliation fee, if the course/s is/are not sanctioned by the U.G.C.

Because the University had to provide a lot of services for such courses even though it had depleted manpower; otherwise, the University would crumble. If they did not care for the University, the Colleges should be allowed to conduct the examinations of such courses at their own and issue the Certificates.

Shri Gopal Krishan Chatrath said that under Section 22, University was the only competent body to issue the Certificates to the successful students.

The Vice-Chancellor said that, earlier, in one of the meeting of the Syndicate Shri Chatrath himself had said that some of the affiliated Colleges are admitted more than 900 students in certain Add-On courses.

Shri Gopal Krishan Chatrath said that, in fact, he had said that some of the Colleges admitted students with the condition that they had to opt for certain particular Add-On courses.

Principal Tejinder Kaur said that only those affiliated Colleges should be quoted or punished where such like mal-practices are going on rather than punishing all the affiliated Colleges on this pretext. She added since there were authenticated proofs/evidences against two Colleges where the mal-practices are going on, they should be taken to task.

Principal R.S. Jhanji enquired as to how many affiliated Colleges apply for Add-On courses. He said that, in fact, only a few Colleges apply for Add-On courses and despite this the results of the students were declared much late.

Professor Naval Kishore said that the Colleges could not apply for Add-On courses in the month of October/November because by then they did not have sanction from the U.G.C. He suggested that a Committee should be constituted to consider whether their cases could be considered for affiliation after the stipulated date.

Shri Jarnail Singh said that, in fact, the Colleges were admitting 800 to 900 students only in the additional optional courses, but not in the Add-On courses.

Principal Tejinder Kaur said that decision regarding grant of 20 seats for Add-On courses was wrong as if these were professional courses and the same is against the interest of the Colleges. Moreover, if the sanction of the U.G.C. came in the month December/January, what the Colleges could do?

Professor Naval Kishore said that the item is laying down of policy for grant of affiliation for short-term courses, for which no policy existed.

Principal Gurdip Sharma said that under the Regulations, 80 seats subject-wise are allowed for B.A. courses and they were facing problems in the subject of English and Punjabi. Since a section of 80 students is allowed, they might admit about 800 students.

Shri Ashok Goyal stated that the item pertains to framing of policy for grant of affiliation for short-term courses. The College which had been granted these short-term courses by the U.G.C. had applied

through the University. As such, the policy should have been framed before sending their proposal to the U.G.C.

After some further discussion, it was –

RESOLVED: That a Committee comprising of following members be constituted to frame policy for grant of affiliation for short-term courses sanctioned by the U.G.C. and consider and make recommendations whether cases of the Colleges, which received sanction from the U.G.C. late, i.e. after stipulated period, could be considered:

1. Shri Jarnail Singh, Syndic & Fellow (Chairman)
2. Principal Gurdip Sharma, Syndic & Fellow
3. Principal Tejinder Kaur, Syndic & Fellow
4. Principal R.S. Jhanji, Syndic & Fellow
5. Dr. Dinesh Talwar, Syndic & Fellow
6. Assistant Registrar (Add-On courses) (Convener)

- (ii) Memorandum of Understanding (MoU), as per **Appendix-XI**, be executed between Panjab University, Chandigarh and National Bureau of Animal Genetic Resources, Karnal (I.C.A.R.).

Extension in validity date of advertisement No.14/2008

17. Considered if the validity date of advertisement No. 14/2008 for filling up various B & C class posts be extended for six months from the lapse of the date of advertisement i.e. 14.2.2012. Information contained in the office note (**Appendix-XII**) was also taken into consideration.

RESOLVED: That the validity date of advertisement No. 14/2008 for filling up various B & C class posts, be extended for six months from the lapse of the date of advertisement i.e. 14.2.2012.

Arising out of the above, Dr. Mukesh Arora suggested that last year the last date for admissions to various courses offered at University School of Open Learning (under the Annual System), with the permission of the Vice-Chancellor, was extended up to 31.1.2011. He pleaded that this year the said date should be extended up to 7th February 2012.

The Vice-Chancellor said that the last date for admissions to various courses in University School of Open Learning, with the Vice-Chancellor permission, had already been extended up to 15th February 2012.

Issue regarding creation of an additional seat at Government College of Art, Chandigarh, in Special Advanced Diploma in Sculpture

18. Considered if an additional seat be created at Govt. College of Art, Chandigarh for Ms. Reetu Bhardwaj (deaf and dumb student) in Special Advanced Diploma in Sculpture and her admission be allowed as a special case by granting relaxation in the last date of admission by 15.9.2011 on humanitarian grounds.

NOTE: The candidate in question is deaf and dumb, having 72% marks in the Special Diploma in Fine Arts Sculpture. The candidate is a most deserving for consideration on humanitarian grounds. Her admission may be allowed against the seat as a special case in the light of discussion held in the meeting of the Syndicate on 27.9.2011 by granting relaxation in the last date of admission by September 15, 2011.

Shri Ashok Goyal enquired whether additional seat at this stage could be sanctioned as there was a provision of 3% reservation for physically handicapped candidates. In fact, the issue was not limited to grant of additional seat because if the additional seat was granted by the Syndicate, the date of admission was also to be extended, which was not within the purview of the Syndicate.

Shri Gopal Krishan Chatrath said that to grant additional seat and to extend date of admission was the power of the Syndicate, but the Syndicate had delegated this power to the Vice-Chancellor.

The Vice-Chancellor said that, in fact, the College converted the 3% seats reserved for the physically handicapped candidates in to general category and made admissions. When the candidate in question approached the College and enquired about her admission, she was told that since she did not mention about her disability in the relevant column, the seats were converted and admissions were made accordingly. Thereafter, on her request the College gave her admission and requested the University to sanction an additional seat.

Shri Ashok Goyal said that the facts should be verified and action taken accordingly.

RESOLVED: That the Vice-Chancellor be authorized to take decision in the matter, on behalf of the Syndicate, after verifying all the facts.

At this stage, Shri Jarnail Singh stated that there was provision for opening of new colleges for which seven acre land was required. One of the Societies in Hoshiarpur had been allowed by the R.C.I. to open a College in which the deaf and dumb students would also study. He pleaded that a Committee of Syndics should be constituted to visit the College and make recommendations.

Professor Naval Kishore said that the Committee had already been constituted for the purpose.

Shri Jarnail Singh said that though the Committee had been constituted, the same had not visited the College so far. The plea of the University official was that the Society did not fulfill the requisite conditions. As far as the condition of seven acres is concerned, the R.C.I. did not have such a condition.

Shri Gopal Krishan Chatrath said that special provisions should be made for such like institutions.

RESOLVED: That a Committee comprising of the following persons be constituted to visit the proposed institution and make recommendations:-

1. Shri Gopal Krishan Chatrath (Chairman)
2. Principal Janmit Singh
3. Principal R.S. Jhanji
4. Shri Jarnail Singh (Convener)

Additions in Regulation 3 for M.Com. (Hons.)

19. Considered the following additions recommended by the Board of Control dated 23.12.2011, for incorporating in Regulation 3 for admission criteria for M.Com. (Hons.) and be printed in the OCET-2012 prospectus:

- (a) "The number of candidates to be called for Group Discussion and Personal Interview will be equal to eight times the total number of seats of this course in each category or the actual number of eligible candidates whichever is lower".

RESOLVED: That the following additions as recommended by the Board of Control dated 23.12.2011, be incorporated in Regulation 3 for M.Com. (Hons.) (admission criteria) and printed in the OCET-2012 prospectus:

- (a) "The number of candidates to be called for Group Discussion and Personal Interview will be equal to eight times the total number of seats of this course in each category or the actual number of eligible candidates whichever is lower".
- (b) "Attendance in Group Discussion and Personal Interview is a must. If any candidate does not attend any one of the components Group Discussion **OR** Personal Interview his/her candidature shall stand cancelled".

Difficulties being faced due to long and tedious On-line admission for B.Com.I

20. Considered the minutes dated 22.12.2011 (**Appendix-XIII**) of the Faculty of Business Management & Commerce regarding difficulties being faced due to long and tedious On-line admission procedure of B.Com-I during the session 2011-2012. Information contained in the office note (**Appendix-XIII**) was also taken into consideration.

NOTE: The Syndicate in its meeting dated 30.1.2010 vide Para 22 and Senate dated 4.4.2010 vide Para XXVII, respectively has resolved that “the admission to B.Com. course from the session 2010-2011 in the affiliated College situated in Chandigarh, Ludhiana and Hoshiarpur cities be made through centralized admissions.

Principal Gurdip Sharma stated that, last year, during the On-line Counselling for admissions to B.Com. Part I several problems were faced by the Colleges, especially the Colleges situated at Hoshiarpur. He, therefore, suggested that On-line admissions to B.Com. Part I in the Colleges situated in Hoshiarpur, should be discontinued.

Shri Jarnail Singh stated that, last year, in the first counselling 60 students were allotted to D.A.V. College, but only 10 reported for admission and in the second counselling 50 students were allotted to D.A.V. College, but only 7 reported for admission and this process continued till 31st August.

Shri Gopal Krishan Chatrath stated that certain students faced the difficulty in the On-line admissions. Though they applied On-line, could not send the hard copy of their application as they were not aware of it. As such, several meritorious students were deprived of admission. He pleaded that solution to this problem should be found out.

The Vice-Chancellor said that almost every University/ Institution had gone for On-line admission and if they discontinue On-line admissions even in B.Com. course, it would be a retrograde step. He added that the University had developed a software in such a manner that now the students would not be required to send hard copy of their application while seeking admission On-line.

Dr. P.S. Gill said that even if the student/s committed some minor mistake while filling the admission form On-line, the same should be ignored.

The Vice-Chancellor clarified that the software was such that unless and until the previous column was not filled, the candidate could not go ahead.

Shri Ashok Goyal stated that everybody knew how smooth the admissions to B.Com. Part I were made last year in various affiliated Colleges situated in Chandigarh, Ludhiana and Hoshiarpur through the On-line counselling. Now, a plea is being taken that since they had faced some problems, the practice of making admissions through On-line counselling should be discontinued. However, in view of the difficulties faced by the students, the Colleges of Hoshiarpur, could be excluded from the centralized admissions that would be in the interest of the students. He further stated that there was a College (Aurbindo College of Education), which had been kept out of the centralized admission. Though technically the College was situated outside the octroi post, it was in the vicinity of Ludhiana which is most preferred/sought by the students. He pleaded that admission to this College should also be made through centralized admission process. They should not only show that they are transparent, but also look to be transparent. He, therefore, suggested that Department of Evening

Studies should be included in the process of centralized admissions through On-line counselling to B.Com. Part I class.

Dr. Mukesh Arora said that with the introduction of centralized most of the wrong doings of the Colleges had been curbed. He added that majority of the admissions in Aurbindo College were made against the management quota.

Principal Tejinder Kaur said that since the students belonging to rural areas did not know anything about the On-line counselling, the Colleges situated in rural areas should be excluded from On-line admission.

The Vice-Chancellor said that to my mind in the first go all the admissions to B.Com. Part I should be made through centralized On-line admission counselling, but in the second counselling the matter could be reviewed. In the meanwhile, he would talk to the experts.

Principal Tejinder Kaur said that the fate of the students of the rural Colleges could not be decided by the experts.

Some of the members were of the view that the Colleges situated in Ludhiana and Hoshiarpur should be excluded from the On-line counselling for admission to B.Com. Part I class.

The Vice-Chancellor said that since experts are already aware of the complaints of the students with regard to On-line B.Com. admission, an Experts Committee would be constituted. The Committee would look into the complaints and find out the solutions and make recommendations, which would be placed before the Syndicate.

This was agreed to.

Recommendations of the Committee dated 14.10.2011 regarding collection of fee during counselling

21. Considered the minutes dated 14.10.2011 (**Appendix-XIV**) of the Committee constituted by the Vice-Chancellor to decide the system for collection of Fee during the Counselling for various courses. Information contained in the office note (**Appendix-XIV**) was also taken into consideration.

RESOLVED: That the recommendations of the Committee dated 14.10.2011, as per **Appendix**, be approved.

Recommendations of Executive Committee of Directorate of Sports

22. Considered the following recommendations of the Executive Committee of Directorate of Sports dated 5.10.2011 (**Appendix-XV**), and be allowed to be incorporated in the official Handbook of PUSC:

1. Enhancement of officiating fee from Rs.400/- to Rs.800/- for particular games.
2. Introduction of P.U. Inter-College Competition in Gatka Game on the similar pattern of Circle Kabaddi from the next session i.e. 2012-2013 and further gave ex-post-facto approval to the P.U. Gatka (M&W) team for its participation in the All India Inter-University Gatka (M&W) Prize Money Tournament.
3. Increase in remuneration from Rs.400/- to Rs.1000/- to the Medical Officers during P.U. Inter-College/Inter-

Varsity tournaments with the condition that Rs.1000/- only (for Doctor) will be given for the whole day services.

4. Allotment of sports kit colours participate in various Inter-College sports tournaments.
5. Enhancement of provision of sumptuary fund of Rs.2000/- to Rs.4000/- and sanction of permanent advance of Rs.2000/- for day-today requirements out of PUSC budget head "Sumptuary".

Professor M. Shakeel Khan said that huge increase recommended by the Committee did not seem proper.

Dr. Dinesh Talwar pointed out that the Paper-Setters were paid an honorarium of Rs.280/- for three sets of question papers, whereas the officiating fee is being enhanced from Rs.400/- to Rs.800/- per game.

Principal Gurdip Sharma suggested that the officiating fee should be increased from Rs.400/- to Rs.600/- and the remuneration to Medical Officers from Rs.400/- to Rs.800/-.

Principal Janmit Singh said that since the increase had been recommended by the Executive Committee of Sports, the same should be approved.

Dr. Dinesh Talwar stated that, earlier, a Committee comprising of Professor S.K. Kulkarni, Dean of University Instruction, Professor S.K. Chadha, University Business School, Professor A.K. Bhandari, Controller of Examinations, he (Dr. Dinesh Talwar) and one more member was constituted which recommended that the rates of paper-setting and evaluation be at par with the other neighbouring/regional Universities. He did not know as to why those recommendations had not been placed before the Syndicate till date.

The Vice-Chancellor said that the examination fee of other Universities is much higher than the Panjab University. In fact, the examination fee of Panjab University is Rs.1800/-, whereas the examination fee of Baba Farid Medical University is Rs.4,500/- + cost of form Rs.1500/-, G.N.D.U. Rs.20,000/- for special chance + normal fee. If Panjab University decided to increase fee for examination from Rs.1800/- to Rs.1900/-, there would be a hue and cry in the meetings of the Syndicate and Senate.

Dr. Dinesh Talwar and Dr. Mukesh Arora pleaded that the honorarium for paper-setters should at least be increased to Rs.800/-.

RESOLVED: That the following recommendations of the Executive Committee of Directorate of Sports dated 5.10.2011 (**Appendix-XV**), be approved and allowed to be incorporated in the official Handbook of PUSC:

1. Enhancement of officiating fee from Rs.400/- to Rs.800/- for particular games.
2. Introduction of P.U. Inter-College Competition in Gatka Game on the similar pattern of Circle Kabaddi from the

next session i.e. 2012-2013 and further gave ex-post-facto approval to the P.U. Gatka (M&W) team for its participation in the All India Inter-University Gatka (M&W) Prize Money Tournament.

3. Increase in remuneration from Rs.400/- to Rs.1000/- to the Medical Officers during P.U. Inter-College/Inter-Varsity tournaments with the condition that Rs.1000/- only (for Doctor) will be given for the whole day services.
4. Allotment of sports kit colours participate in various Inter-College sports tournaments.
5. Enhancement of provision of sumptuary fund of Rs.2000/- to Rs.4000/- and sanction of permanent advance of Rs.2000/- for day-today requirements out of PUSC budget head "Sumptuary".

23. Considered if Department of Physics be allowed (Post facto) to restart the M.Phil in Physics from the session 2007-2008 and the Rules/Regulations (**Appendix-XVI**) as approved by the Faculty of Science, be also approved.

Dr. Dinesh Talwar said that though the M.Phil. in Physics was restarted in 2007-08, the approval is being granted in 2012. Where the case lied for so much time? He pleaded that a fine should be imposed on the Department as was done in the case of affiliated Colleges.

RESOLVED: That the Department of Physics, be allowed (Post facto) to restart the M.Phil in Physics from the session 2007-2008 and the Regulations/Rules, as per **Appendix**, be approved.

Shri Ashok Goyal stated that the information is to be supplied to the public by the concerned PIO and all these officers were already working as APIOs. If these are designated as PIOs, who would be the Appellate Authority? He, therefore, suggested that it should be examined whether it would be legally right.

Dr. Dinesh Talwar enquired as to why the minutes of the Faculty dated 1.10.2011 are being placed before the Syndicate so late i.e. after a period of four months.

RESOLVED: That recommendation 2 of the Faculty of Medical Sciences (**Appendix-XX**) regarding streamlining of examination/evaluation system of Undergraduate/Postgraduate Medical/Dental courses effective from 2012-2013, be approved.

Recommendation of the Committee dated 19.9.2011 regarding utilization of 'Overhead Charges'

33. Considered following recommendation of the Committee dated 19.9.2011 (**Appendix-XXIII**) constituted by the Vice-Chancellor to review the already framed guidelines and to sort out certain issues regarding utilization of 'Overhead Charges' being charged by the University from different funding agencies:

1. 35% of the Overhead Charges would be at the disposal of the Principal Investigator for developing infrastructural facilities for the project including repair of equipments, furniture/fixtures, books, augmentation of workshop/laboratory/office space facilities, extension, repair of building renovation of laboratory, maintenance and compelling associated developmental activities. Of course, the expenditure for the research activities will be incurred by following proper procedures and the bills pertaining to such expenditure will be submitted through the Dean (Research), P.U. for payment/audit as is done in the case of Non-plan expenditure.
2. 65% share of the 'Overhead Charges' will remain with the University which may be utilized for
 - (i) Development of infrastructural facilities including equipments, furniture/fixtures etc.
 - (ii) Justified payment of Overtime/Honorarium for efficient administrative management of the research projects to the staff, travel expenses, visiting UGC team, UGC meetings and other miscellaneous unforeseen expenses (on the recommendation of the Dean Research/HOD) so as to have effective coordination with the funding agencies for the projects work.
 - (iii) Welfare of the persons engaged/employed for the respective Research

Projects viz; medical facility, medical insurance, conveyance.

- (iv) Electricity and water charges as well as payment of secretarial assistance to the staff of the Departments for handling the work of the project.
- (v) TA/DA and hospitality expenditure in relation to evaluation of research projects.

Dr. P.S. Gill said that if 65 per cent is taken away by the University, how the Co-ordinators would work.

The Vice-Chancellor clarified that every funding agency gave 15% for the University as over head charges and out of these too they were giving 35% to the Co-ordinators.

Shri Ashok Goyal stated that the University is getting certain programmes, e.g. COSIST, SAP, etc. from the U.G.C. and while conducting these programmes, though the Co-ordinators or Principal Investigators (whatever nomenclature may be) were required to manage everything, but they are not empowered to spend even a sum of Rs.5/-, because the U.G.C. understood that it was the University which would personally support and make available the infrastructure, etc. to the Co-ordinator. As a result, some of the people, who were very smart, make adjustments by way of receipts, etc. and the ultimate sufferers are those who could not make such types of adjustments. He, therefore, suggested that while sending proposals to the funding agency, a provision of miscellaneous expenses should be made, which should be spent at the discretion of the Co-ordinator.

The Vice-Chancellor said that the matter would be looked into.

RESOLVED: That following recommendations of the Committee dated 19.9.2011 (**Appendix-XXIII**) constituted by the Vice-Chancellor to review the already framed guidelines and to sort out certain issues regarding utilization of 'Overhead Charges' being charged by the University from different funding agencies, be approved:

1. 35% of the Overhead Charges would be at the disposal of the Principal Investigator for developing infrastructural facilities for the project including repair of equipments, furniture/fixtures, books, augmentation of workshop/laboratory/office space facilities, extension repair of building renovation of laboratory, maintenance and compelling associated developmental activities. Issue regarding running of M.A. Russian under the Annual System for the examination of 2012

35. Considered if M.A. Russian Part-I & II be allowed to continue under Annual System for Examination of 2012. Information contained in the office note (**Appendix-XXV**) was also taken into consideration.

NOTE: As per decision of the Syndicate dated 30.4.2011 the students of M.A. Russian are required to appear in examination under Semester system from the session 2011-12. Accordingly the Board of studies in Russian was supposed to prepare the syllabi under the Semester system, but the Board of Studies in its meeting held on 5.9.2011 recommended that the syllabi for the examination 2012 will remain the same i.e. Annual System.

The recommendations of the Board of Studies are contrary to the decision of the Syndicate dated 30.4.2010 for which the reason may be that the Faculty of Languages had already approved the syllabi under the Annual System in its meeting 6.12.2010 for the examination of 2012. In such circumstances the University left with only the alternative to allow the

candidates to appear in M.A.-I (Russian) examination to be held in April/May 2012 under the Annual System as a special case on the clear understanding that the Chairperson, Department of Russian has got prepared the syllabus for the said course under the Semester System from the next session i.e.2012-13.

RESOLVED: That M.A. Russian Part-I & II, be continued to be run under Annual System for Examination of 2012.

Recommendations of the Committee dated 17.11.2011 regarding deduction of P.F. of temporary/daily-wage/contractual employees

37. Considered minutes dated 17th November 2011 (**Appendix-XXVII**) of the committee constituted by the Vice-Chancellor to formulate the procedure for the implementation of the decision of the Syndicate dated 27.09.11 (Para12) according to which the temporary/daily-wage/contractual employees of P.U. are to be made subscriber towards provident fund under Regulation 14.4 of P.U. Calendar Volume I, at page 129.

Shri Ashok Goyal pointed out that majority of the affiliated Colleges, including grant-in-aid Colleges which had to claim the same from the Government, did not deduct the Provident Fund of the employees in accordance with the Regulations of the University. Since they are under the impression that the Provident Fund was to be deducted from the date of confirmation, they unnecessarily extend the probation period, which was wrong. In fact, the Provident Fund was required to be deducted from day one, the one enter the service. He suggested that necessary instructions in this regard be issued to all the affiliated Colleges, through the Dean, College Development Council.

Shri Gopal Krishan Chatrath said that if the management did not contribute towards Provident Fund for two years, the employee's contribution was also to be contributed by the management and not by the individual concerned.

The Vice-Chancellor said that necessary instructions would be issued.

RESOLVED: That the recommendations of the Committee dated 17.11.2011, as per **Appendix**, be approved.

At this stage, Dr. Mukesh Arora stated that the Syndicate dated 19.11.2011 (Para 37) had decided that the candidates, who have done M.Phil. and are exempted from Ph.D. course work, be enrolled for Ph.D. as and when a vacancy arose in the concerned Department, but up to 30th April, 2012. However, inter-se-seniority of all such candidates be maintained. He suggested that if the seat is available and any candidates apply/applied after the stipulated date, his/her case should also be considered.

This was agreed to.

Agenda Items 39 and 40 being Ratification and Information Items, these be read under Items 48 and 49.

Issue regarding grant of two increments to Professor A.K. Bhandari on his appointment as Registrar 41. Considered if, two increments be granted to Professor A.K. Bhandari on his appointment as Registrar on the analogy of Professor Paramjit Singh and Professor S.S. Bari.

NOTE: There is no such mention in the appointment letter/Selection Committee minutes. As a special case two increments can be considered to be given to Professor A.K. Bhandari on the grounds that the post carries higher responsibilities.

RESOLVED: That two increments be granted to Professor A.K. Bhandari on his appointment as Registrar on the analogy of Professor Paramjit Singh and Professor S.S. Bari.

Issue regarding providing of DVDs of Proceedings of Syndicate/Senate, under RTI Act 42. Considered if, the DVDs of recording of the Proceedings of the Syndicate/Senate be provided to the Public under RTI Act.

NOTE: The office has received RTI application for providing the DVDs of the recording of the proceedings of the Senate meeting held on 20.12.2011. Whereas the written proceedings of the meeting of the Senate are public document and can be provided to the public

under RTI Act, it is not clear whether the video recordings of the meetings of the Syndicate and Senate are public document or are for private consumption of the office and the members.

Shri Gopal Krishan Chatrath said that the DVDs had been prepared by the University so that while preparing the proceedings no mistake is committed. These are not for supplying to the public.

Dr. Dinesh Talwar said that when the discrepancies pointed out by the members in the recording of minutes were incorporated in the final minutes, why the decision to videograph the meetings of the Syndicate and Senate had been taken.

Dr. P.S. Gill said that the decision to videograph the meetings of the Syndicate and Senate was taken to prepare the authenticated proceedings.

Shri Ashok Goyal stated that in what authority the Syndicate at its own level took a decision to videograph the proceedings of the Senate also? The Syndicate had decided this issue without looking into the legal complications. Now, if the Syndicate decided not to supply the DVDs to the public under RTI Act, he would not be party to such a decision because the DVDs are official documents and whatever had come into existence shying away from supplying the same would become a fishy.

Shri Gopal Krishan Chatrath suggested that the matter should be legally examined.

RESOLVED: That legal opinion be obtained from at least three legal luminaries whether the DVDs of recording of the Proceedings of the Syndicate/Senate be provided to the Public under RTI Act or not.

Referring to Sub-Item R (i), Shri Ashok Goyal stated that though he was not against the re-employment of Dr. Ajaib Singh, he wanted to know whether he was designated as Professor of Life Long Learning Studies. If yes, the decision of the Syndicate and Senate should be provided to him. According to him, a person could be Professor of a subject, whereas Life Long Learning Studies is not a subject, but a Department. As far as he knew, Dr. Ajaib Singh was Project Officer in the Centre for Adult, Continuing Education & Extension and was later appointed Director of the said Department. Moreover, his name never appeared in the list of voters for election of Senate from the Professors' Constituency.

Shri Gopal Krishan Chatrath said that when Dr. Ajaib Singh was appointed Director of Centre for Adult, Continuing Education & Extension, the then Vice-Chancellor denied him the benefit of a teacher and he was declared ineligible for the election. But the Court had declared him eligible for the election.

The Vice-Chancellor said that the Syndicate and Senate in 2009 had converted various Centres into full-fledged Departments and the persons working there were made teachers as per equivalence of their duty. As far as his re-employment is concerned, nothing wrong has been done. To be doubly sure, he would again check the file.

RESOLVED: That the information contained in **Item 48-R-(i) to R-(x)**, be ratified.

After decisions on the agenda items were taken, the members started general discussion.

(1) Shri Jarnail Singh stated that certain conditions, including evaluation work, were imposed by the University on D.A.V. College of Education, Hoshiarpur and management approached the Court against the decision of the University, except debarring of teachers from evaluation work and the Court had granted relief to the College by granting stay. Much delay had already occurred as more than five years had passed. Moreover, there was no fault on the part of the teachers. He, therefore, pleaded that the teachers working in that College should be allowed to take the evaluation work.

Shri Ashok Goyal said that there must be some reason as the case is still pending in the Court. He, therefore, suggested that the matter should be got examined.

Shri Gopal Krishan Chatrath stated that in a Government case, about 15 years ago the Division Bench of the High Court had held that the since the part time teachers could discharge the functions of the teachers other than this, they would have to be treated full time teachers, if entrance test and six months courses was passed by them. Now, the

question was whether the Principal could issue them a certificate that he/she had worked in his/her College.

The Vice-Chancellor said that the matter would be looked into.

- (2) Principal Gurdip Sharma said that one of the B.Ed. Yoga students had been asked by his/her College to deposit a sum of Rs.10,000/- as fine. In fact, the University had imposed a fine of Rs.10,000/- on the College, but the College being a Government College pleads that they could not pay the fine and is, therefore, asking the student to deposit a sum of Rs.10,000/- which it would ultimately pay to the University. He pleaded that the fine should be remitted.
