After decisions on the agenda items were taken, the members started general discussion.

(1) On a point raised by Dr. (Mrs.) Madhu Prashar and Dr. Karamjit Singh regarding last date for submission of applications by the Colleges for grant of affiliation and extension of affiliation, Shri Ashok Goyal said that rules could not be inconsistent with the Regulations. The entire schedule from submission of applications to placing the recommendations of the Inspection Committees before the Senate is well defined in the Calendar. Though they were following different dates than prescribed in the Calendar for receipt of applications for grant of affiliation/extension of affiliation under the garb of order of the Court. He emphasized that they must stick to the Regulations. However, if any change is required, the Regulations should be amended.

(2) Shri Ashok Goyal said that one of the Colleges was granted extension of affiliation for M.A. Part I, but the Inspection Committee in its wisdom had not recommended extension of affiliation for M.A. Part II. He pleaded that the matter should be reviewed; otherwise, the students who had

passed M.A. Part I and took admission in M.A. Part II would be in trouble.

- (3) Shri Ashok Goyal said that they had taken a decision to make centralized admission to B.Com. course in the affiliated Colleges situated in Chandigarh, Hoshiarpur and Ludhiana. He suggested that after the last date of admissions, no migration should be allowed to those Colleges where admission to B.Com. course had been made through centralized process.

**The Syndicate directed the Registrar not to allow migration of any student admitted through centralized admission process unless and until the same is approved by the Vice-Chancellor.**

- (4) Shri Ashok Goyal stated that there should be separate Regulations for Intra-University and Inter-Universities migration. The University had taken a decision that the students having re-appear in the College/P.U. Regional Centre, would also be allowed migration, but the Directors of P.U. Regional Centres said that they did not have any knowledge about the said decision. Secondly, the students were not being allowed to migrate to University Institute of Legal Studies, Panjab University, Chandigarh.

Continuing, he said that migration was also allowed against vacant seat/s. The information about number of vacant seats could only be had after 31<sup>st</sup> August 2010 (now 15<sup>th</sup> September 2010), i.e. the last date of admission with late fee with the permission of the Vice-Chancellor. They treated migration admission by way of migration. They said that since the last date for admission was 31<sup>st</sup> August, no migration could take place after that because it is admission by way of migration. He did not know how they have fixed 31<sup>st</sup> August 2010 as last date for submission of migration. But there was no such provision under the Regulations as migration could even be allowed in the month of December.

Professor B.S. Ghuman said that there was no seat vacant at the University Institute of Legal Studies.

Shri Gopal Krishan Chatrath clarified that since P.U. Regional Centres were part and parcel of the University, they would allow migration, but on first-cum-first-serve basis.

- (5) Dr. Dinesh Talwar said that certain affiliated Colleges had sought some seats in courses where admission was to be made without OCET. The admission of students against such seats was being made by charging Rs.1500/- per student late fee with the permission of the Vice-Chancellor and a sum of another Rs.1500/- per student was being charged. He did not know for what an extra sum of Rs.1500/- per student was being charged by the University from the poor students.

The Vice-Chancellor said that another sum of Rs.1500/- was being charged as Development Fund. However, if any genuine poor student came/write to him, his/her

admission would be made free of cost, as had been done in many other genuine cases.

- (6) Shri Ashok Goyal pointed out that it had come to his notice that the students of B.Sc. (Biotechnology) were not eligible for admission to B.Ed. course, which was unfair. Similarly, the students, who had done B.Sc. (Hons.) from Delhi and Calcutta, Universities, were also not eligible for admission to B.Ed. because honours was not done in core subjects.

The Vice-Chancellor said that the candidates should send their representations so that these could be examined.

- (7) On a point raised by a member that instead of preparing Waiting List, First, Second and Third Counselling for admission to Law Course should be held, the Vice-Chancellor said that this point would be examined by the Dean, Faculty of Law. However, he added that it will be tried that from next year, the admission to Law Course/s would be On-line.

- (8) On a point raised by Shri Ashok Goyal that certain teachers of the Colleges were not being given the retiral benefits, including Provident Fund, the Vice-Chancellor said that individual cases should be sent to the University so that the same could be looked into.

- (9) On a point raised by Shri Ashok Goyal that a girl who had represented India in Asian Games twice, needed a chance to clear a compartment/ reappear of M.A., the Vice-Chancellor said that her request (as and when received) would be considered favourably.

- (10) Shri Ashok Goyal also pointed out a case of a student who had appeared and passed M.A. Part I examination and issued Detailed Marks Card. At the time of seeking admission to M.A. Part II, he/she disclosed in good faith to the Principal of the College that he/she had compartment in B.A. Resultantly, the Principal refused admission to the student in M.A. Part II.

- (11) Shri Ashok Goyal said that a student (topper) of University Institute of Chemical Engineering & Technology could not take his practical examination as he was suffering from Jaundice. Information of his disease was given to the Chairperson by his parents in writing. But the request of the student did not reach the Controller of Examinations from the University Institute of Chemical Engineering & Technology.

**The Vice-Chancellor said that the matter would be looked into.**
