Syndicate Proceedings dated 26<sup>th</sup> May 2018

Professor Keshav Malhotra congratulated the Vice-Chancellor as the Governor is coming to inaugurate two buildings in the University which were pending for a long time for which the PUTA and the Vice-Chancellor have made great efforts. Last time he had raised an issue to which the Vice-Chancellor had asked to take up the same with the House Allotment Committee. So, it could take 3-4 months. Due to some oversight the eligibility of Associate Professor for T-1 flats could not be included. He has studied the whole issue and it is clear that earlier the Senior Lecturers were also eligible for allotment of T-1 houses.

Shri Ashok Goyal suggested that a Committee of Professor Keshav Malhotra, Professor Navdeep Goyal and some teachers of the campus be formed.

Professor Keshav Malhotra said that this Committee be authorised to take decision on behalf of the Syndicate which would save the time.

Dr. Amit Joshi suggested that the name of Professor Ronki Ram and Dr. Ameer Sultana.

The Vice-Chancellor requested Professor Keshav Malhotra to chair the Committee.

This was agreed to.

The Vice-Chancellor while giving the background of T-1 flats said that the NOC for hostels took lot of time. He said let it be recorded in the proceedings of this Syndicate meeting.

At this point of time the Vice Chancellor said that the Registrar is suggesting if the Dean of University Instruction could be put in the Committee to which Shri Ashok Goyal and Professor Keshav Malhotra said okay, no problem.

Shri Amit Joshi said that the meeting could be held under the Chairmanship of the Dean of University Instruction.

Continuing, the Vice Chancellor said that let it be recorded as a part of the Syndicate meeting, a few factual things. Their University commenced as a part of the larger capital project to create a city. They were given a land and the University commenced. Somewhere it is written that whatever happens on the campus, it has not to be violative of everything in the city. So, they were given freedom to do things for themselves but overall whatever they were to do, it was not to be violative of the larger project. He discovered a letter to this effect. So, the then Chief Engineer of Punjab, Mr. Verma, to get the University going, asked the Architect of Punjab Government, Mr. Chaudhary to start constructing the Chemical Engineering Department building. The services of Mr. Agya Ram were loaned to the University on deputation. Mr. Agya Ram ji would assist and he will conceive. This is how they started. But at some stage Mr. Chaudhary left. When Mr. Chaudhary left, there had to be replacement of Mr. Chaudhary. By that time Pierre Jeanneret had been the real incharge of the capital project. He was the one who was staying in Chandigarh. Le Corbusier used to come twice in a year.

He used to stay here for a month and leave for his country. So, the entire thing was done by Pierre Jeanneret. So, Pierre Jeanneret took the charge of the University thereafter. The master plan of the University, after the first building was commissioned, all was done by Pierre Jeanneret. Pierre Jeanneret brought in Mr. Mathur from the Punjab government to the capital project and came to the University. So, after Mr. Chaudhary left, everything was now a creation of three people, namely Pierre Jeanneret, Mr. Mathur and Mr. Agya Ram. So, these three persons made the master plan. He does not know when the master plan of Chandigarh was made, but the master plan of this University was made by Pierre Jeanneret. In that master plan, everything was there before the Union Territory of Chandigarh came up. All the Hostels and Departments were already built up. Gandhi Bhawan had been there. The Library had been there and very importantly, that the Women Hostel No. 3, which was a 7<sup>th</sup> storeyed building, one plus six, was fully constructed by the year 1965. At that time, other than the Secretariat, there was no other high rise building in Chandigarh. This was an exception. But the master plan of the University drawn up by Pierre Jeanneret has put in there where would be hostel No. 3, 4, 5 and 6. These were to be on the Ground which was used as Dussehara Ground, and that it would get filled up by the hostels on the lines of hostel number 3, was already there. The whole master plan of Sector -14 was done before Pierre Jeanneret left Chandigarh and after a year he passed away. Whatever he has said, that was done. The only thing which did not get made was the Senate Hall of the University and the Vice Chancellor's Office, whose plan was published in the centre page of Tribune spread over 3-4 pages before Pierre Jeanneret passed away. Once he passed away and Chandigarh became a Union Territory. So, all this resurfaced this time, when they applied for an NOC. A last few years ago, they are asked to apply for NOC for every new building that they were completing. When they applied for an NOC for the flats and Hostel No. 10, then somebody pointed out that whosoever sanctioned the construction of 6+1 storeyed building, when it was not allowed anywhere in Chandigarh. There was no sanction letter with the Chandigarh Administration of a 6+1 storeyed building. So, then everything had to be pulled out and it was not a part of the UT Administration. The UT Administration had commenced only when the Punjab got re-organised and then only the UT Administration had come. Whereas Hostel No. 3 has 6+1 storeys is a pre-reorganisation thing and its document must be there in some Punjab office. This building was inaugurated in December of 1965 by the then Chief Minister of combined Punjab. Then all these facts had to be pulled in together. Luckily, they were able to get old photographs in the University. They have not to put much efforts for this. All he (Vice Chancellor) has to do was to write a note describing all these things. It took some days time but everything was based on facts and documents. So, quickly they gave them NOC with the rider that it is high time that the University gets all the buildings of Sector-25 post facto sanctioned.

Shri Sanjay Tandon wanted to enquire as to what is the meaning of sanction.

The Vice Chancellor said that for every building fire clearance is needed, every building needs quality construction clearance, clearance is needed as to what material is used in each building by the UT Administration.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

Shri Sanjay Tandon said that the first point is alright, but the other two points has no concern with the UT Administration. They need a completion certificate of the building, but as far as the quality of the material is concerned, it is the internal work of the University.

The Vice Chancellor said that the Chandigarh Administration wants that the University should certify. They have asked whether the construction is as per the specifications required. So, the University office has to certify and a statement has to be given as to what quality construction has been done. They want to have a record.

Shri Sanjay Tandon said that basically it is the internal part of any person who is submitting the papers to the Administration, that he wants this clearance. So far as fire is concerned, they need to be themselves sure. But other things, it is the domain of the University.

The Vice Chancellor said that the Administration has asked about all these certificates and then they would give them the clearance. So, it is a part of that order. They are being given the provisional NOC on the premise that in Sector-25 what has been constructed that should be got sanctioned. On being asked by Professor Keshav Malhotra about any written communication from Chandigarh Administration, the Vice-Chancellor said that he has received a letter from Chandigarh Administration yesterday only.

Professor Keshav Malhotra said that when the PUTA went to the office of the Architect, they had asked for the master plan of Sector-25.

The Vice Chancellor said that what they are demanding, they have got it in writing. They do not have any other option and they would try to maximally comply. He talked to X.E.N. and Architect. They say time it would take time, but they would get it.

Shri Prabhjit Singh said that they appreciate the efforts of the Vice Chancellor and requested to take up the agenda item.

**RESOLVED FURTHER:** That the letter of promotions to the persons promoted under Item **C-2(i) to C-2(xlvii)**, be issued, in anticipation of approval of the Senate.

### Deferred item

**3.** Considered minutes dated 09.05.2018 of the Committee, constituted by the Vice-Chancellor, to amend the service rules and regulations in the light of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Vice-Chancellor said that this item is an important one.

Dr. Subhash Sharma and Shri Ashok Goyal said that it needs to be thoroughly discussed.

The Vice-Chancellor said that this could be made as an agenda item for the Senate only when the Syndicate approves this.

Shri Ashok Goyal said that what is the purpose of incorporating it in the rules? Probably, it seems as if there is no provision in the Panjab University Calendar or in the Service Rules as far as this Act is concerned because this Act came into existence in the year 2013. But in the Act itself, it is provided that if somebody is proved guilty, he would be dealt with in terms of the service rules dealing with misconduct and there is already a provision of misconduct which could be of any kind. So, saying that there is no provision of punishing anybody as far as the existing rules are concerned is not sustainable. But probably they want to be very-very specific by saying that by that there are specific rules to deal with such cases also in the service rules and that is why this proposal seems to have been made which indirectly admits that under the service rules if a person is guilty under this Act, they do not have the power to punish a person.

The Vice-Chancellor said that it is not that they do not have the power to punish but the issue is of 2/3<sup>rd</sup> majority which is very restrictive. He collected the data and found that 2/3<sup>rd</sup> members hardly attend the meeting. He had all that statistics which had been supplied to all the members.

Shri Ashok Goyal said that its second part is that they have the power but whether it is of the 2/3<sup>rd</sup> or majority or 2/3<sup>rd</sup> of the total or present. That is the separate part. But first let them admit that the provision is already there to punish somebody who has been found guilty under this Act also in spite of the fact that this Act was not in existence when their service rules were framed. To take care of the other part, unfortunately, that could not be done until the regulation which is coming in the way is amended and no rule could be made which is in violation of the regulations. If they provide for any rule in Panjab University Calendar Volume-III but not in consonance with Volume-I, then that rule would not be applicable. It could not be applicable as it would be violative of the law of the land. He did not know why the Committee has not suggested keeping in

view the concern of the Vice-Chancellor suggesting amendment in the regulations.

Professor Navdeep Goyal clarified that under para 7 of its recommendations, the Committee has recommended the amendment of the regulations.

Shri Ashok Goyal said that the item is for amending the service rules.

Professor Navdeep Goyal said that the item should have been to amend the rules and regulations. So the item needed to be corrected.

The Vice-Chancellor said that they could modify the item now.

This was agreed to and accordingly the item has been modified.

Dr. Subhash Sharma suggested that the 2/3<sup>rd</sup> majority could be taken as 2/3<sup>rd</sup> of the present.

Professor Keshav Malhotra said that how it could be done. A Committee be formed and ask the PUTA whether it could be done or not.

The Vice-Chancellor said that where does the PUTA come into it.

Professor Keshav Malhotra said that it is affecting their rules, otherwise what is the purpose of PUTA.

The Vice-Chancellor said that there is no role of PUTA in it.

Professor Keshav Malhotra said that it could not be a case that anything could be decided.

The Vice-Chancellor said that the PUTA has no business.

Professor Keshav Malhotra said that PUTA has business. PUTA should be consulted as it is against PUTA and the teachers.

The Vice-Chancellor said that it is not against anybody.

Professor Keshav Malhotra said that it is against. The 3 College teachers who had been placed under suspension have been taken back with the help of the Registrar. Is there no provision for the University teachers that any decision could be taken against them?

The Vice-Chancellor said that Professor Keshav Malhotra could express whatever opinion he wanted to, he would not stop him but PUTA has no business.

Professor Keshav Malhotra said that why PUTA has no business. There was no representative of PUTA in this Committee to discuss the issue. There has to be participative management as PUTA representative is a part of every Committee.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

The Vice-Chancellor said that Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 is a Government of India Act.

Dr. Ameer Sultana said that PUTA has no role in it as it is a Government of India Act.

Professor Keshav Malhotra said that a separate Committee be formed and it should not be a case that if a Committee submits anything that is approved.

Dr. Amit Joshi said that since it has to be approved by the Senate where PUTA representative would be there.

Shri Gurjot Singh Malhi said that out of 6 members signing the minutes 5 are Professors.

Professor Keshav Malhotra said that it could not be a case that in future they could take the decision about 1/3<sup>rd</sup> majority.

The Vice-Chancellor requested Professor Keshav Malhotra not to vitiate the atmosphere and protect the guilty.

Shri Gurjot Singh Malhi said that the Professors also belong to PUTA.

Professor Keshav Malhotra said that PUTA has a separate executive.

Dr. Amit Joshi asked Professor Keshav Malhotra that then what decision they should take about it.

Professor Keshav Malhotra said that let PUTA discuss it.

Professor Ronki Ram said that why the PUTA has not made its view on such issue where the Panjab University Calendar says about 2/3<sup>rd</sup> and PUCASH is time and again saying that this is not possible.

The Vice-Chancellor said that he is not allowing more discussion. What is before them is a very important matter.

Professor Keshav Malhotra said that he is also saying that it is important matter because it is concerning them (teachers), it is pinching and hurting them.

Shri Gurjot Singh Malhi requested Professor Keshav Malhotra to let the Vice-Chancellor run the House.

The Vice-Chancellor said that the item before them is very important and as important that someone who engages in that kind of misconduct as PUCASH, it is a Government of India Act, which seeks a major punishment. When a major punishment has to be given and if a major punishment could not be given because the number of people who are supposed to come and be present to give the major punishment are not there. Then what they would do. So, it is to take care of such things. Otherwise also this job should have been done by the governing bodies of the University but these did not take view of it because no such case happened for a long time. The Act came into existence in 2013 when such a situation occurred and

the report said that some changes should be brought in the way a body is governed to see that whatever are the recommendations of PUCASH could be brought into effect. It is in that background that a member of the University came to him and said that some Committee should look into it. He constituted this Committee under the Chairpersonship of Dean of University Instruction, there are two former Deans of University Instruction, Professor Pam Rajput who pointed out to him that it should be done and somebody should do it, Shri V.K. Sibal is also a member and also put the Chairperson of PUCASH as a member. These are the recommendations of that Committee and they all know the spirit of what is before them and if they need more time to discuss, it is okay. He is not saying that more time could not be given. He has given them some time, may be a week's time which might be inadequate for them to form a view on it. He is okay with it, may be the members need more time to come back to it. No issue at all. They could come back to it but it is their responsibility as governing body of the University to see that people who are guilty and who have been pronounced guilty and the purpose of PUCASH is to have the University as a safe place and if they are not able to punish the guilty, the University would no longer be a safe place. They have already seen another report which has been given to them today. He did not know as to how many of them have cared to open that envelope. If they read that report, that report is so shameful as a conduct by one of their colleagues. He is also a teacher and Vice-Chancellor only for a few years. But if he is a part of the teaching organisation where the colleagues have this kind of an attitude, it is a matter of great shame for him that his colleague is doing such acts. This matter is very important and the members could take their own time. It is not a PUTA matter. He requested not to treat it as PUTA or non-PUTA. If the University has to be perceived as a safe place, let them not send a message that due to division amongst themselves or the technicalities they are failing to do what they are expected to do. Time is short though the number of agenda items before them is very large and he did not want to rush through it.

On a point of order, Shri Gurjot Singh Malhi said that in this one he just agreed to one thing that if they single out a teacher but if tomorrow the harassment is caused by the XEN or SDO or anybody. So they should go in for provision in case of 'A' class employees also. Let them not single out the teachers, anybody might be involved in the sexual harassment.

The Vice-Chancellor said that all the employees have to be covered under it.

Shri Gurjot Singh Malhi said that they have to replace with the employee. He agrees to Professor Keshav Malhotra that they should not single out the teacher.

Professor Navdeep Goyal clarified that there are regulations that for terminating a non-teaching employee, 2/3<sup>rd</sup> majority is not required.

The Vice-Chancellor said that let them study all the aspects of it and whatever has to be done, it has to be done on behalf of the Syndicate of the University and whatever they do, they should do it well.

Shri Ashok Goyal said that he wanted to say all these things and they should not think that anybody is against dealing with such cases sternly. They have to deal with such shameful cases and these should be foolproof. For that he wanted that it needs time.

The Vice-Chancellor said that he himself is saying so.

Shri Ashok Goyal said that it is not that it concerns PUTA or not, it is a concern of all. He is sure, let they forget about PUTA, no organisation could oppose such a proposal where they are trying to punish somebody whose conduct could not be tolerated by anyone. As Shri Gurjot Singh Malhi has said they have to take care that every section is covered under the proposed rules. The regulation which is coming in the way that could also be taken care of by not disturbing the existing regulations also, the reason being that they are specifically dealing with the cases which are covered under this Act. So, for that according to him some more time could be given and it could be taken up in the next meeting.

**RESOLVED:** That the consideration of the item be deferred.

#### **Deferred item**

**4.** Considered minutes dated 07.05.2018 of the Committee, constituted by the Vice-Chancellor, with regard to the implementation of Solar Power Project in Panjab University, Chandigarh.

**NOTE:** 1. The recommendations of the committee dated 07.05.2018 with regard to the implementation of Solar Power Project in Panjab University, were circulated to the syndics vide email dated 11.05.2018, with the request to send their concurrence by 14.05.2018, as the matter is of urgent nature because the validity of the RESCO model recommended by the Committee is upto 30.06.2018.

The reply of Dr. Navdeep Goyal and Dr. Subhash Sharma is enclosed.

2. An office note is enclosed.

Dr. Subhash Sharma and Shri Ashok Goyal suggested that it needs discussion, so it could be taken up later.

Shri Ashok Goyal pointed out that 30th June is the last date for the vendor and not for the University. So, they do not have any deadline of 30th June.

Dr. Subhash Sharma said that after 30th June, 2018 a new vendor could be engaged.

It was informed (by the Registrar) that the subsidy is to be given only upto 30th June to any organisation which installs the solar system for which the vendors have been identified.

Shri Ashok Goyal said that the subsidy is to be given to the vendor and not to the organisation because the organisation is not spending even a single penny, then how an organisation would get the subsidy as it is the vendor who is spending the money. The rate per

Syndicate Proceedings dated 26<sup>th</sup> May 2018

unit is mentioned as Rs.3.44 whereas the present rate is Rs.2.44 and this is going to make a difference of crores of rupees in the next 25 years.

**RESOLVED:** That the consideration of the item be deferred.

**Recommendation of the Committee dated 21.03.2018 to examine the cases for appointment on compassionate ground**

**5.** Considered minutes dated 21.03.2018 (**Appendix-XLIX**) of the Committee, constituted by the Vice-Chancellor, to examine the cases for appointment on compassionate ground.

Professor Navdeep Goyal said that the recommendation (i) of the Committee in case of Sr.No. 4 is to be accepted.

Shri Gurjot Singh Malhi enquired whether it is a class 'A' post to which Professor Navdeep Goyal replied that it is not 'A' class post. The condition of 5 years experience is being sought to be relaxed. According to him, it is not correct.

Professor Navdeep Goyal said that in the case of compassionate appointments, they could not relax the qualification but could relax the experience.

Shri Gurjot Singh Malhi said that they could relax the condition of experience from 5 years to 4½ years or 4 years but could not totally remove the condition. There is a difference between these two things.

Shri Prabhjit Singh said that since the recommendation at Sr.No.(ii) in this case is clear, it should be given.

Shri Gurjot Singh Malhi enquired as to how much relaxation in experience is required.

Dr. Subhash Sharma said that experience gained by the candidate be got checked and if the candidate is having an experience of 4 years or 3½ years, then it could be considered. If there is no experience, then the condition could not be relaxed.

Shri Prabhjit Singh said that since they follow the Punjab Government rules, why they should not follow the same in this case also. He said that since the wife of the deceased is an earning member, then they could not offer the job to the daughter as per Punjab Government rules. She is not dependent on her father. He enquired as to what is the policy for compassionate appointments or the Committee has some discretion.

Professor Navdeep Goyal said that generally they do not relax the qualification but the experience could be relaxed up to some extent.

The Vice-Chancellor said that he has seen in the University that the people have been given the job as Lecturer because the father who expired as a Professor. There have been such cases, the recent one being in the Department of Geology when the dependent was working somewhere else. Similarly, there is a case in the Dental Institute as the wife of the deceased employee was working somewhere else. So, the compassion has been taken in real sense and not as per Punjab Government rules. It has been done in the University as per

compassion as felt by the community of this University. In this case, the candidate is already having a Law degree and has an experience of 2½ years. So, offering her a Clerk's job is so demeaning. The appointment should be given in a dignified way.

This was endorsed by the members.

Shri Ashok Goyal said that they could do whatever they like. It is not that he has not any compassion for such families. Actually speaking, as per the law of the land, they are debarred from giving such appointments on compassionate grounds. They have already given in the Dental Institute and the Department of Geology also. What Shri Prabhjit Singh is saying that Punjab Government policy is based on the Supreme Court guidelines whether the appointment could be made or not. It has also been mentioned that even if one family member is earning, then there is no compassion and if a person is already working, they could not make the appointing by bringing from any place to the University. There are given guidelines in the Government of India and Supreme Court and elsewhere. They are also social animals and think that it is right. The guidelines say that while considering the appointment on compassionate grounds, they are not to see the dignity but they have to see that the family which has been thrown on road is not allowed to suffer on account of non-cooperation by the institution where the deceased was serving. Then there used to be clause that earlier that if a child is 14 years old and is ineligible to be appointed, there used to be a provision that the dependent has to wait for 4 years if the family requested so that the dependent attains the age of employment and thereafter on the basis of qualifications attained at the age of 18 years, the dependent was considered. That was the earlier provision. The Supreme Court came heavily that the family has been thrown on road today whereas it is to be compensated after four years. Is it compassionate appointment or compensatory appointment? Unfortunately, in the University, for all practical purposes, they have started using it as a tool of compensatory appointment whether for teaching or non-teaching. They have never taken into account whether any member of the family or spouse of the deceased or any other child of the deceased whether they are working or not. What to talk of that the person whom they are offering the job, the person is already working somewhere else and they are bringing that person in the University. Whatever decision is to be taken that should be taken knowing fully well that what they are doing, are not entitled to do but still they are doing it. He is not against it. Whatever they do, do it consciously.

Professor Navdeep Goyal and Professor Ronki Ram said that the case be approved.

Shri Prabhjit Singh said that as said by Shri Ashok Goyal, Punjab Government has issued guidelines in the year 2002 on the basis of the Supreme Court judgment. If the children of a deceased employee are minor, then the spouse has to be given the employment. If in the present case, the wife of the deceased employee is serving, then as per Government instructions, the employment could not be given. He pointed out that from a reading of the agenda, he could not know whether there is a policy or it is the discretion of the Committee as to on which basis the compassionate appointment has to be given. He clarified that there is no policy. The present cases be approved. A policy be prepared for future appointments on compassionate grounds so that such cases are not placed before the Syndicate.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

The Vice-Chancellor said that how they could make a policy against the Supreme Court guidelines.

Professor Ronki Ram asked Professor Keshav Malhotra as to where is the PUTA now.

Professor Keshav Malhotra said that he is a member of the Committee.

Shri Prabhjit Singh said that they should adopt the policy of the Punjab Government.

Professor Ronki Ram said that Panjab University is an academic body and an office where they have to adopt the rules of the Government. They are not getting the proper funds either from the Centre or the State. They have a small scheme in which Panjab University is a Interstate Body Corporate and have framed rules to help its employees. If a person who has become a Professor and has two children, so he would not be as much poor as anybody who is out of job. His spouse could be earning something and might be having some bank balance. If they say that the dependents are totally orphan, it does not suit someone to say so. There are some policies and the rules are made to help the persons in need and not to deny the benefit. But they are just thinking as to how to stop the appointments on compassionate grounds.

Shri Prabhjit Singh said that he is not saying so but only to streamline the things and make a policy.

Shri Ashok Goyal suggested that the appointment in the case at Sr.No. 6 be also approved.

Professor Navdeep Goyal said that in this case the appointment on the post of SDE could not be made.

Shri Ashok Goyal and Professor Keshav Malhotra suggested that the candidate could be appointed on the post of JE.

Dr. Amit Joshi enquired as to in which subject the candidates would pursue the Ph.D.

Shri Ashok Goyal said that it would in the subject in which a candidate would be eligible.

The Vice-Chancellor said that in pharmaceutical sciences there is a lot of research which is based on Ayurveda formulations.

Dr. Amit Joshi said that it would be a backdoor entry.

Shri Ashok Goyal said that since the Government has already taken the decision, they could not go beyond that.

Shri Ashok Goyal said that it is mentioned in the letter that Banaras Hindu University, Aligarh Muslim University and Jamia Milia Islamia are already granting the exemption.

**RESOLVED:** That exemption from University Entrance test for Ph.D. to AYUSH-NET qualified candidates be granted in view of the letter received from Vaidya Rajesh Kotecha, Secretary, Government of India, Ministry of Ayurveda, Yoga & Naturopathy Unani, Siddha and Homoeopathy (Ayush), New Delhi.

### Minutes of the Committee dated 01.05.2018 to give a special chance to the students of B.E. and M.E. from UIET

**9.** Considered minutes dated 01.05.2018 (**Appendix-LI**) of the Committee, constituted by the Vice-Chancellor to give a special chance to the students of B.E. and M.E. from UIET Department to appear in exams at the end of this year on the basis of the special chance granted to the students of Science Streams by the Dean (Sciences) having reappears in both odd and even semester.

Professor Navdeep Goyal said that a modification needed to be made as this should be applicable for the BE and ME courses at Regional Centre, Hoshiarpur and Chandigarh College of Engineering and Technology (CCET) also.

It was suggested (by the Controller of Examinations) that this could be made applicable to the subjects falling under the Faculty of Engineering and Technology.

**RESOLVED:** That the recommendations of the Committee dated 01.05.2018, **as per appendix**, be approved and this facility be also extended to all the Departments falling under the Faculty of Engineering and Technology.

**Minutes of the  
Committee dated  
04.04.2018**

**10.** Considered minutes dated 04.04.2018 (**Appendix-LII**) of the Committee, constituted by the Vice-Chancellor, to make policy decision with regard to part time job for the students in the Panjab University, which can be implemented in all the departments.

Professor Anita Kaushal said that the title of part-time job is not correct. It should be 'earn while you learn' as otherwise the students would have to be taken on the pay-rolls.

Shri Ashok Goyal said that the title could be 'stipend under earn while you learn scheme'.

Shri Gurjot Singh Malhi suggested that the experience certificate should be issued to the students under the scheme. There could be some poor students who really want to work while others could also be such students who just wanted to gain work experience and not for the money. If the stipend is paid, then the students would not be able to show it as work experience. IF a person has worked in the Library for 40 hours a month, then the experience certificate has to be issued.

Shri Ashok Goyal said that actually it is a scheme just to help the poor students only.

Shri Gurjot Singh Malhi said that their idea is to allow the students to gain experience while studying and not earn money.

The Vice-Chancellor said that this is an idea to provide financial support to the needy students.

Shri Gurjot Singh Malhi said that the scope of the scheme should be expanded.

The Vice-Chancellor said that at the moment he has no way of expanding the scheme because it has been devised to help the needy students.

Dr. Subhash Sharma said that they want to help the needy students and there is no harm if an experience certificate is also issued.

The Vice-Chancellor said that the experience certificate would be issued.

Dr. Amit Joshi said that the experience certificate be issued and there is no need to mention the stipend in it.

Professor Navdeep Goyal said that if any student is not interested in taking the payment, let it be left to him/her.

**RESOLVED:** That the recommendations of the Committee dated 04.04.2018, **as per appendix**, be approved and the scheme be named as 'Earn While You Learn' with provision of experience certificates to the students.

**Minutes dated  
13.03.2018 regarding  
appointment of  
Adjunct Faculty**

11. Considered minutes dated 13.03.2018 (**Appendix-LIII**) of the Committee, constituted by the Vice-Chancellor, regarding proposal for appointment of Adjunct Faculty at the University Teaching Departments that the regular faculty be appointed as Adjunct Faculty from the respective Department that needs services of the faculty members.

**NOTE:** The Syndicate in its meeting dated 30.03/21.04/29.04.2018 (Para 28) (**Appendix-LIII**) considered request dated 16.03.2018 of Director, Research Promotion Cell, P.U. regarding adoption of guidelines provided by the UGC for empanelment of Adjunct Faculty in the University and Colleges and resolved that the matter be referred to the Committee already constituted for the purpose to look into the feasibility.

Professor Anita Kaushal suggested that it would be better if the scheme is extended to the affiliated Colleges also.

The Vice-Chancellor said that these are UGC guidelines and apply to the Colleges also. The Colleges could also adopt the scheme. All the Postgraduate Government Colleges must try to get Adjunct Faculty as the Colleges have so many alumni and if .1% of them take interest, at any time the Colleges could have 50 people as Adjunct Faculty. There are so many persons who after retirement have settled in Chandigarh and could serve. It could be got approved through the State Higher Education Council (SHEC). At one time, the UGC was not permitting it. He knows that about 30 years there was a TIFR Professor Mr. K.K. Gupta who was the student of Homi Bhabha used to stay at Kalka and wanted to come and teach in the University and there was no provision in this University that he could be permitted to come and take classes free. He had never married and had retired from NEHU Shillong and a resident of Kalka and wanted to teach in the University but could not be permitted to teach a course which is examined. But the provision did not permit this thing.

Shri Ashok Goyal said that the Vice-Chancellor has used a very important word 'never married'. Such persons are ineligible in the University as one College conducted the interview in the Panjab University Guest House. A High Court Judge, a retired IFS officer and he also were members of the Selection Committee. A girl applied for the post. She had written in the marital status 'never married'. They said such a girl should not be appointed who has already decided that she would not marry. He told them that it means that she has not yet got married. But they did not agree and said would he teach them English. In spite of his being asking them again and again, they did not agree to appoint that girl and said it would not be appropriate. He had to take the help of dictionary to tell them that in America, they do not write single or unmarried or divorcee and 'never married' means she is not married so far. Then he told them that they have nothing to do whether she is married or not, but she is on merit.

The Vice Chancellor said that 30 years ago, Mr. K.K. Gupta who was a theoretical Physicist, retired from NEHU. Then, he taught

in Manipur and when he could not teach at PU, he then went to Barkatullah University, Bhopal.

**RESOLVED:** That minutes dated 13.03.2018 of the Committee, constituted by the Vice-Chancellor, regarding proposal for appointment of Adjunct Faculty at the University Teaching Departments that the regular faculty be appointed as Adjunct Faculty from the respective Department that needs services of the faculty members, **as per Appendix**, be approved.

2. An office note is enclosed.

**RESOLVED:** That the consideration of the item be deferred.

### Conferment of title of Professor Emeritus

**13.** Considered the recommendations of the Committee dated 14.05.2018 (**Appendix-LIV**) that the title of 'Professor Emeritus', be conferred on the following distinguished teachers of Panjab University, under Regulation 3 at page 114 of P.U. Calendar Volume I, 2007:

Sr. No.	Name	Department
1.	Ms. Kamlesh Mohan Retired Professor & Chairperson Department of History Panjab University, Chandigarh	History
2.	Professor Ashok Kumar Agarwal Professor (Retd.) Centre for Advanced Study in Mathematics Panjab University, Chandigarh	Mathematics
3.	Professor Manmohan Gupta Retired Professor & Chairperson Centre of Advanced Study in Physics Panjab University, Chandigarh	Physics
4.	Professor Mahendra Kumar Retired Professor & Chairperson Department of Indian Theatre Panjab University, Chandigarh	Indian Theatre
5.	Dr. Virendra Kumar Retired Professor & Chairperson	Laws

	Department of Laws Panjab University, Chandigarh	
--	---	--

- NOTE:**
1. The Committee also recommended that Professor (Mrs.) Madhu Raka, Professor (Re-employed) be conferred the title of Emeritus Professor as and when she completes her period of re-employment and Emeritus Professorship awarded to her by CSIR for a period of three years. Bio-data of the Professor (Mrs.) Madhu Raka, Professor (Re-employed) is enclosed (**Appendix-LIV**).
  2. The Regulation 3 at page 114 of P.U. Calendar Volume I, 2007, reads as under:
 

“The Senate, may, on the recommendation of the Syndicate, confer the title of ‘Professor Emeritus’ on any distinguished teacher of the University on, or after his retirement, in recognition of his scholarship and conspicuous service to the University, provided that no such title shall be conferred unless the connection of the teacher with the University shall have extended over a period of not less than ten years. A professor Emeritus shall for all the purpose of courtesy and on ceremonial occasions be upon the same footing as a Fellow of the University but he shall not a such be entitled to membership of any University body or authority.”
  3. Bio-Data of the above teachers are enclosed (**Appendix-LIV**).

Professor Keshav Malhotra said that it is written in respect of Professor Madhu Raka that she is re-employed and Emeritus Fellow. It is correct that a re-employed teacher is not entitled for Professor Emeritus, but Emeritus Fellow has nothing to do with it. He informed that he has enquired from the department of Mathematics. She has brought a Project for the department.

The Vice Chancellor said that she could get Professor Emeritus title when her Emeritus Fellowship would end and the case would again be brought to the Syndicate.

Professor Keshav Malhotra said that the title of Professor Emeritus has also been given earlier some such person who were having Emeritus Fellowship.

The Vice Chancellor said that he personally is not recommending this.

Shri Ashok Goyal said that they are also recommending her case.

The Vice Chancellor said that they cannot award her the title as yet as they did not do in the case of Professor B.S. Brar. They brought his case again to the Syndicate.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

Shri Ashok Goyal wanted to ask as to why the note has been written at the end of the proceedings of the Committee dated 14.5.2017. In the case of Professor B.S. Brar, perhaps the Vice Chancellor might remember, it was discussed there that let it not be considered now as he was re-employed. What Professor Keshav Malhotra is referring to is Emeritus Professor of CSIR.

The Vice Chancellor said that he has told that they did not do it earlier also.

Professor Navdeep Goyal said that Professor Madhu Raka retired in November 2013 and she would remain in re-employment till November 2018.

Professor Keshav Malhotra said that her re-employment period is going to end in November, 2018 and requested that they should approve the award of the title of Professor Emeritus to her after November, 2018.

The Vice Chancellor said that when the case would be put up again to the Syndicate, they would see to it at that time.

Shri Ashok Goyal said that it could be done that her case be brought after her re-employment is over and nothing to do with Emeritus Fellowship. He requested the Professor Madhu Raka's case be placed before the Syndicate after her re-employment ends.

The Vice Chancellor, however said that her case be placed before the Syndicate after her re-employment and Emeritus Fellowship ends and the CSIR projects are over.

Shri Ashok Goyal said that it cannot be done because even the People who have appointed as Professor Emeritus by the Vice Chancellor, they bring Projects.

Professor Ashok Goyal and Professor Navdeep Goyal said that she could be conferred the title of Professor Emeritus after her re-employment ends as she cannot be the employee as well as Professor Emeritus.

Professor Keshav Malhotra suggested that they should approve it today and she could be given the title of Professor Emeritus after her re-employment ends.

Professor Navdeep Goyal said that the Committee has recommended her case so when her employment would end, the case would be placed before the Syndicate.

Shri Ashok Goyal said that they should recommend that it should be placed before the Syndicate immediately after the completion of her re-employment. The recommendation is accepted in principle to be placed before the Syndicate.

The Vice Chancellor said that apart from Professor B.S.Brar, there was another such case. He knew it because he deals with these committees every year. One of the Committees has said in respect of a teacher that till the time his CSIR project is completed, he could not be made Professor Emeritus.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

Shri Ashok Goyal said that a person could bring a CSIR Project even after the conferment of the title of Professor Emeritus.

Professor Navdeep Goyal said that in their University, the title of Professor Emeritus is conferred on such person.

The Vice Chancellor said that it was done in some committee, but Shri Ashok Goyal and Professor Navdeep Goyal supplemented to it by saying that it was done in the Syndicate also. But the Vice Chancellor said that at that time he was not awarded this title to which Shri Ashok Goyal and Professor Navdeep Goyal said, that was wrong.

Shri Ashok Goyal said that they conferred the title of Professor Emeritus on Professor R.C. Sobti, but thereafter, he became Vice Chancellor.

Shri Ashok Goyal said that they should accept the recommendations of the Committee, in principle, to be appointed immediately after her re-employment ends.

**RESOLVED:** That it be recommended to the Senate that the title of 'Professor Emeritus', be conferred on the following distinguished teachers of Panjab University, under Regulation 3 at page 114 of P.U. Calendar Volume I, 2007:

<b>Sr. No.</b>	<b>Name</b>	<b>Department</b>
1.	Ms. Kamlesh Mohan Retired Professor & Chairperson Department of History Panjab University, Chandigarh	History
2.	Professor Ashok Kumar Agarwal Professor (Retd.) Centre for Advanced Study in Mathematics Panjab University, Chandigarh	Mathematics
3.	Professor Manmohan Gupta Retired Professor & Chairperson Centre of Advanced Study in Physics Panjab University, Chandigarh	Physics
4.	Professor Mahendra Kumar Retired Professor & Chairperson Department of Indian Theatre Panjab University, Chandigarh	Indian Theatre
5.	Dr. Virendra Kumar Retired Professor & Chairperson Department of Laws Panjab University, Chandigarh	Laws

**RESOLVED FURTHER:** That the case of Professor (Mrs.) Madhu Raka for conferment of the title of Professor Emeritus be placed before the Committee when she completes her re-employment.

**Appointment of Mr. Gagan Madaan as Assistant Professor (temporary basis) in Computer Sc. at PURC, Sri Muktsar Sahib**

**15.** Considered if Mr. Gagan Madaan, be appointed as Assistant Professor (temporary basis) in the subject of Computer Science, in the pay-scale of Rs.15600-39100+GP 6000/-, under Regulation 5(A) at page 111 of P.U. **NOTE:** 1. The recommendation of the Administrative & Academic Committee dated 27.02.2018 alongwith request of Mr. Gagan Madaan dated 26.02.2018 is enclosed (**Appendix-LVI**).

2. An office note is enclosed (**Appendix-LVI**).

Shri Ashok Goyal enquired for how long they could continue a person under Regulation 5.

The Vice Chancellor said that this is a very serious question as for as this University is concerned. He has formed a Committee to look into it and before leaving, he would bring this item before the Syndicate so that they could take cognizance of it. The Vice Chancellor appoints a person for one year, after that the whole responsibility is put on the Syndicate, but the Syndicate keeps on changing and he continues. At some stage he anticipates that they would receive orders from Delhi to tell them about it and they ask them all these details. When they would ask, they would figure it out that there is no change in the salary of many people, basic pay remains the same, they are not given any increment. They are doing it for so many years and not advertising the positions, not even asking to have permission from them to advertise the positions. He expected that they would get into a jam one day, so he has personally decided, definitely during the next meeting, the complete statistical position would be placed before the Syndicate, before he quits. The Syndicate can start taking a call on it. What is to be done, what letters are to be

Syndicate Proceedings dated 26<sup>th</sup> May 2018

written to the MHRD, he is willing to write, before he quits, so that a status report could be filed that they have this serious difficulty and they want to fill up these positions. To fill those positions, they will have to advertise the positions. When they would advertise these positions, they would run into that danger that some of these people may not get selected when there is an open call.

Dr. Amit Joshi said that the nature of their job is temporary and it is clear to them, even if they advertise the posts, many of them might not apply.

The Vice Chancellor said that he would give this complete information.

Shri Ashok Goyal said that this is a fresh appointment which could be done by the Vice Chancellor himself.

The Vice Chancellor said that this position is at P.U.R.C., Muktsar and they were very desperate about this.

Shri Ashok Goyal while supplementing the Vice Chancellor view said the P.U.R.C., Muktsar are not having teachers and that is the purpose of doing this.

**RESOLVED:** That Mr. Gagan Madaan, be appointed as Assistant Professor in Computer Science (temporary basis), in the pay-scale of Rs.15600-39100+GP 6000/- , under Regulation 5(a), page 111 of P.U. - NOTE:** 1. The recommendation of the Academic and Administrative Committees alongwith letter dated 26.04.2018 of the Coordinator Centre for Public Health, IEAST, Panjab University, Chandigarh is enclosed (**Appendix-LIX**).
2. An office note is enclosed (**Appendix-LIX**).

Shri Ashok Goyal said that in this Item, extension in the term of appointment of Dr. Manoj Kumar, Assistant Professor at Centre for Public Health, Panjab University, Chandigarh, with advance increments is being sought. He asked why he is continuing. There is no justification. He has been continuing for the last 7-8 years. Is it regulations 5?

Professor Navdeep Goyal said that now it has been placed before the Syndicate.

Shri Ashok Goyal said that they should not approve it and not grant the extension blindly.

The Vice Chancellor said that it has been worrying people some time, so he is collating the whole information. He is also seeking Professor A.K. Bhandari's help because he has presided over all these things as Registrar and during Professor Sobti's time as well with him. A white paper is required to be brought, otherwise nobody would own it. He inherited some temporary people and he added to it and it continued.

Shri Ashok Goyal said that in this case in the year 2017-18, it was written that he be allowed to continue upto 29<sup>th</sup> June, 2018 as has been recommended and simultaneously it is written that he be appointed afresh from 9<sup>th</sup> July i.e. the beginning of the next academic session. He suggested that they should not do it and only extend the term of appointment till 29<sup>th</sup> June, 2018.

Dr. Amit Joshi said that it means they are giving him extension till 29<sup>th</sup> June, 2018.

The Vice Chancellor said that a fresh case has to be made.

Shri Ashok Goyal said that for fresh appointment the department would give justification because appointment under Regulation 5 could be done for one year and it can be extended further by the Syndicate more than one year and it has no limit.

Shri Prabhjit Singh that they have been continuing for the last 5-7 years.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

Shri Gurjot Singh Malhi said that in a way it is a backdoor entry.

Dr. Amit Joshi said, no, it is not a backdoor entry because when they have to appoint a person on adhoc basic, not good person would come to them. But when he works for five years, then it became the liability of the University. It depends upon the nature of job. If they advertise the regular post, they could find good persons who have published good number of papers in good journals.

The Vice Chancellor said that they should extend it till 29<sup>th</sup> June, 2018 only.

Professor Navdeep Goyal said that when posts would be advertised, those may be advertised as temporary and not under regulation 5.

Shri Gurjot Singh Malhi said that the posts should go through the competitive process.

The Vice Chancellor said that he has not carefully read it, he did not read his file properly because there were so many other files.

Dr. Amit Joshi said that those cases who have completed one year could be brought by the Registrar to the Syndicate.

The Vice Chancellor said that they have to look into all these cases, this is a very big liability on the University. Someone has to have a track on all this. This Body changes after every twelve months with the result it has very little history. If somebody starts enquiring into it, all the people abandon that they do not know anything about it and be again not good for the University. He just wants to safeguard the system as much as he can before he quits. On being asked by Professor Keshav Malhotra that they should identify the persons who are appointed on adhoc basis, the Vice Chancellor said that he would get them a consolidated information and asked them to wait for some time.

Professor Keshav Malhotra said that same is true for non-teaching staff also.

The Vice Chancellor informed that when PUSA election was held and when the result of Mr. Deepak Kaushik was declared, it was noticed that only 1107 members are regular and from the total 3600 persons, 2600 are working on temporary basis.

Shri Gurjot Singh Malhi said that it is all a backdoor entry.

The Vice Chancellor said that he would not say it is a backdoor entry. They are working since the last ten years. They are working for the University.

Professor Keshav Malhotra said that he is not talking about the non-teaching staff, he talking about the technical staff who have been appointed without interview.

The Vice Chancellor said that he has not seen the case of Technical staff.

The Vice Chancellor said that he has given the responsibility to draw out a detailed strategy as to how to provide training to 2600 people who are on temporary basis and who are likely to continue on temporary basis till the age of retirement. The said teacher of Life Long Learning who was given the responsibility has done well.

**RESOLVED:** That –

- (i) the term of appointment of Dr. Manoj Kumar, Assistant Professor at Centre for Public Health, IEAST, Panjab University, Chandigarh, be extended till 29.06.2018 (with one day break) i.e. on 01.05.2018, purely on temporary basis, in the pay-scale of Rs. 15600-39100+AGP of Rs. 6000/- + two increments, under Regulation 5 at page 111 of P.U. Calendar Volume-I, 2007, on the same terms and conditions on which he is working earlier; and
- (ii) to consider the re-appointment purely on temporary basis for the academic session 2018-19, the case be again placed before the Syndicate with the whole information.

**Minutes dated 12.05.2018 of the Committee constituted by the Vice-Chancellor to examine the matter in its entirety and to determine the nature of action to be taken against Shri Munish Verma**

**20.** Considered minutes dated 12.05.2018 (**Appendix-LXI**) of the Committee constituted by the Vice-Chancellor (as authorised by the Senate in its meeting dated 10.09.2017/24.09.2017 (Para IX) (**Appendix-LXI**), to examine the matter in its entirety and to determine the nature of action to be taken against Shri Munish Verma under the provision of Regulation of Panjab University, so as to resist his membership to Senate in future.

Shri Prabhjit Singh said they should resolve to recommend this item to the Senate.

Dr. Amit Joshi said that there are 2-3 other cases also they should also be brought together. He informed that one Centre Superintendent was deputed at Garhshankar also. He said they are also party in that case.

Shri Malhi suggested to deal with the present cases and the other cases should be taken up separately, otherwise nothing would be done.

Dr. Amit Joshi said that the other cases may be placed before the Syndicate in its next meeting.

**RESOLVED:** That the matter be forwarded to the Senate.

**RESOLVED FURTHER:** That other similar cases including the one at Garhshankar be placed before the Syndicate in its next meeting.

**Qualification, guidelines, nature of post etc. of Chief of University Security**

**21.** Considered minutes dated 27.04.2018 (**Appendix-LXII**) of the Committee, constituted by the Vice-Chancellor, (as authorized by the Syndicate in its meeting dated 24.02.2018 (Para 20 (**Appendix-LXII**)) to frame the qualification, guidelines, nature of post etc. for the post of Chief of University Security.

Professor Navdeep Goyal said that in the proposed qualifications for the post of Chief of University Security, there is a minor mistake. It should be 5 years experience as Security Officer/Assistant Security Officers in Central/State/ Semi-government/Public Sector Undertaking. Presently working in the grade pay of Rs. 5000/-.

Shri Ashok Goyal said that it can be divided in to two segments:-

- (i) At least 05 years experience as Security Officer/Assistant Security Officer in Central/State/Semi-government/Public Sector Undertaking;
- (ii) That he should be working in the grade pay of Rs. 5000/- as on the date of submitting the application.

Professor Keshav Malhotra said there is no need to give such a big advertisement, they should just give the link.

It was clarified (by the Registrar) that the grade pay has inadvertently been mentioned as Rs.5,000/- which may be read as Rs.6,600/-.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

**RESOLVED:** That minutes dated 27.04.2018 of the Committee, constituted by the Vice-Chancellor, (as authorized by the Syndicate in its meeting dated 24.02.2018 (Para 20 (**Appendix-LXII**)) to frame the qualification, guidelines, nature of the post etc. for the post of Chief of University Security, **as per Appendix**, be approved with the following modifications in the proposed qualifications/experience:

- (i) the pay band be read as Rs.15600-39100 + GP 6600/-;
- (ii) the experience be read as: At least 05 years experience as Security Officer/Assistant Security Officer in Central/State/Semi-Government/ Public Sector Undertaking. The candidate should be working in the grade pay of Rs.5000/- as per Sixth Central Pay Commission in the scale of Rs.10300-34800/- or equivalent on the date of submission of application.

**Request dated 30.04.2018 of Dr. Rajesh Chander, Assistant Professor in History, P.U. Constituent College Sikhwala for transfer to P.U. Constituent College, Balachaur**

**22.** Considered request dated 30.04.2018 (**Appendix-LXIII**) of Dr. Rajesh Chander, Assistant Professor in History, P.U. Constituent College Sikhwala, Distt. Sri Muktsar Sahib, with regard to transfer from P.U. Constituent College Sikhwala, Distt., Sri Muktsar Sahib, to P.U. Constituent College, Balachaur (Shaheed Bhagat Singh Nagar).

Dr. R.K. Mahajan said that the Selection of Dr. Rajesh Chander was done for P.U. Constituent Colleges, Sikhwala, Sri Muktsar Sahib. They have recently stopped such a transfer.

Dr. Subhash Sharma wanted to know whether his appointment was made for some constituent college or for any constituent college.

Dr. R.K. Mahajan said his appointment was made for P.U. Constituent Colleges, Sikhwala, Sri Muktsar Sahib.

Shri Gurjot Singh Malhi and Dr. Inderpal Singh Sidhu said then he cannot be transferred.

Professor Ronki Ram said that a Committee was formed. Earlier the transfers were done from the constituent college and Regional Centres to Panjab University and vice versa, but now it has been stopped. Now the transfer is possible only from one constituent college to other constituent college.

Professor Navdeep Goyal enquired whether the consent of the Principal is necessary.

Dr. Amit Joshi said that the consent of both the Principals should be made mandatory for this so that there could not be any arbitrary transfers. This was supported by many other members also.

Shri Ashok Goyal wanted to know as to how this application for transfer is received without being forwarded by the Principal. Can the letter be written to the Vice Chancellor without being routed through the Principal. How it reached the Vice Chancellor.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

Professor Navdeep Goyal said that it seems that the signatures are also pasted. This was also endorsed by Dr. Subhash Sharma and some other members.

Shri Ashok Goyal said that this should be enquired as to how this application reached the Vice Chancellor.

Shri Prabhjit Singh said that they should see his original application.

Shri Ashok Goyal said that it is a rule to route the application through proper channel. He should write to the Principal and the letter should be numbered.

Dr. R.K. Mahajan said that he should write to the Principal and the Principal should recommend it.

Shri Gurjot Singh Malhi said that it seems the address i.e. The Worthy Vice Chancellor, is written by someone else here.

The original application was requisitioned and checked by Shri Prabhjit Singh, Shri Gurjot Singh Malhi and Dr. Ameer Sultana. The application was also shown to Shri Ashok Goyal.

Shri Prabhjit Singh said that for address, the font is different and for contents of the application, the font is different.

Shri Gurjot Singh Malhi said that it should be enquired into through the Principal.

Dr. Inderpal Singh Sidhu said that enquiry should be held at the institute level.

The Vice Chancellor said that it should be referred to both the Principals.

Shri Ashok Goyal said that first they should seek the comments of the Principal of P.U. Constituent College, Sikhwala.

Principal S.S. Sangha said, is the candidate aware of it that an application has been sent for his transfer.

Dr. Amit Joshi requested the Vice Chancellor to make a policy that all the transfer applications must be routed through the Principal.

Shri Ashok Goyal said that the policy is already there.

Dr. R.K. Mahajan that N.O.C. from both the Principals should be taken.

The Vice Chancellor said that he receives many such papers.

Shri Ashok Goyal said that he is not saying why did the Vice Chancellor entertain it, he is saying that how did it reach office of the Vice Chancellor.

Professor Keshav Malhotra enquired as to whether a Committee for appointment of Vice Chancellor has been formed or not

to which the Registrar replied that he has not received any communication about it so far, but they are on the job.

At this stage, Shri Ashok Goyal said that he would like to express his concern who has been employed in the Constituent colleges. They have started the exercise of appointing regular faculty in some of the constituent colleges, but the non-teaching staff appointed in those college, right from their inception, they have not thought anything about them.

The Vice Chancellor said that initially it was not sure whether they would get money or not to pay every year. But from this budget the Punjab Government's commitment to pay everything stands established, particularly from this year's budget. He thinks this is the right time to have a policy as to what will be their plan. They can decide today itself, how to fill up positions on behalf of the constituent colleges on a regular basis because now they have started receiving money. If they did not appoint teachers, Principals and non-teaching staff there, then the lapse would be on the part of them. After this year's Punjab Government budget where one crore rupees have been initially provided for the Constituent colleges and the background that the money delivered to them for the constituent colleges over the last six years, they still have some money left from that money which they received. They have not expended everything that they received and they are promised Rs. One crore for these two colleges, on an annual basis from now onwards. The time has come to take a stock of assessing their financial position at the moment. They should have a strategy that every college and the two new colleges that they took over, they must also have regular Principals. All these Principals must be provided adequate staff of administrative kind and as well as security kind. There should be an arrangement for all this property and how to regularize all those things. He thinks that a small Committee should be formed.

Shri Ashok Goyal said that another thing which he would like to point out is that due to non-receipt of grant from Punjab Government from the last one year, the Vice Chancellor intervened to say that now it has arrived. The non-teaching staff which was recruited as per the advertisement on D.C. rates, but since those colleges did not have the requisite funds, he does not know under what circumstances and under what provision, the persons who were recommended to be appointed on D.C. rate have been appointed as part time, that too by saying that Rs. 7000/- per month will be paid. The persons who have been working there on the promised Rs. 7000/-p.m. for the last nine months, not even a single penny has been paid to them. The persons who were appointed in the same interview with them, one person is getting 18000/- p.m., another person is not getting a single penny, though they were appointed on 18000/- rupees per month, but to overcome their own internal problems, they got an internal note approved that these people be appointed on part time for Rs. 7000/-p.m. and the seven thousand has also to see the light of the day. My simple query is who is there in the University care for these people. They are working in the far flung area, having no houses, having no source of income, at least he feels, like the he (Vice Chancellor) was saying, still they are able to do anything. The other thing is that the people who are working on part time or DC rate who are not even on regular roll, he does not know under what provision, they are being transferred from one college to another. Contractual people are also being transferred and that on

administrative ground. He could understand that if somebody has made a request and they are accommodating someone, but on administrative ground they are transferring somebody to 120 Km and somebody to 60 Km. That is also not fair.

Dr. R.K. Mahajan said that charge of a college has been given to a person who is on adhoc basis.

Shri Ashok Goyal said whether the charge of a college could be given or not, it is another thing. He has been told that there was a Syndicate decision taken in 2017, as an outcome of that decision, the charge of charge of a college was given to existing Principal or another college and that decision of the Vice Chancellor, based on the decision of the Syndicate was placed before the Syndicate as an information item. Now he understands that the charge has been taken back. His simple submission is, that should also has been brought to the notice of the Syndicate that the decision which was taken in the light of the Syndicate again has been revisited and this what has been done so that the heartburning in the mind of somebody that it is on account of the Syndicate decision that he was given something and Vice Chancellor unilaterally on his own has reversed the decision that should not be taken by him. Now again at the cost of that decision, his concern might be addressed as far as those Clerks and Peons are concerned whom they have started paying Rs. 7000/-. Now the money has come, they should be paid at the rate of Rs. 18000/- for which they were selected. Shri Ashok Goyal also asked the Vice Chancellor that he would remind him about this so that the payment is released immediately.

**RESOLVED:** That –

- (i) since on perusal of the request, it seems that the scanned signatures of the applicant are pasted on the application and the application has not been routed through the Principal, this issue be got examined; and
- (ii) the application be routed through proper channel and consent of both the Principals for transfer be also obtained.

Arising out of the discussion, it was also resolved to examine the issue of transfer of non-teaching staff from one Constituent College to the other; payment of salary less than the one mentioned in the appointment letter and non-payment of salaries for a long time.

At this stage, Shri Ashok Goyal said that he is thankful to the Vice-Chancellor that he has streamlined the process of thesis submission and examination and it has improved to some extent but still more needs to be done. Even where the reports come where the deadlines is fixed that within a specified period, the viva should be held. If for one reason or the other the examiner is not able to come, the alternative arrangement be made so that the students should not suffer. But still some of the Departments are taking months together to conduct viva even after the receipt of the report for no reasons. This has also to be strengthened. Even if by chance a viva is conducted within a month, it is asked as to how it was conducted within a month. This is where they people raise their eyebrows. The

Departments are supposed to send the report immediately after the viva to the administrative office but they keep the report for days together. Instead of expediting the things, the departments are trying to prolong which in fact is against the spirit of the discussion in the Syndicate and Senate. He requested the Controller of Examinations to take into account as it is within his purview.

Professor Ronki Ram said that if for some reasons an external examiner is not able to come for the viva but they have the reports, could they authorise the Vice-Chancellor to get the viva done by an examiner from within the region.

Shri Ashok Goyal said that in case the original examiner is not able to come for some reasons, then the second examiner who has evaluated the thesis should be contacted as an alternative examiner so that the matter could be expedited. They have been following it but unfortunately neither the examiner reports for the viva nor expresses inability to come. Even the examiners do not reply the telephonic calls. He pointed out that the reports of the examiners are not received even after a period of 3 years especially in the subject of Sanskrit and Hindi.

Dr. Surinder Singh Sangha said that recently his colleague had proposed the names of 6 Professors for the panel for conducting the viva and the names are blocked until the viva is conducted. Whenever the names are sent, it is said that such a name already exists. He requested that either the limit be fixed for 6 months for the panel or the Associate Professor be allowed to conduct the viva.

It was requested (by the Dean College Development Council) to get it approved from the Faculty.

The Vice-Chancellor said that he would do it in anticipation of approval of the Syndicate.

Professor Navdeep Goyal said that in some subjects this problem is being faced where there are very less Professors like High Energy in the subject of Physics.

3. An office note is enclosed (**Appendix-LXVIII**).

**RESOLVED:** That probation period of Dr. Upasna Joshi Sethi, be extended for one year i.e. w.e.f. 10.08.2017.

**Leave cases of teaching staff**

**32.** Considered minutes (Item No. II, III and IV) dated 07.05.2018 (**Appendix-LXIX**) of the Committee, constituted by the Vice-Chancellor, in terms of the Syndicate decision dated 16.05.1981, to look into the leave cases of teaching staff.

**NOTE:** As far as the recommendations at IV are concerned, the orders have been issued vide letter No.3621/Estt.-I dated 22.05.2018 (**Appendix-LXIX**) and the same has been included in the Agenda as Information item.

Shri Ashok Goyal said that he feels that in this item subjectivity is more than the objectivity because the study leave to pursue Ph.D. at IIM has been recommended to be denied to Mr. Tarun Vashisth, Ludhiana. When they are grating leave to everybody but here no reason has been given for not recommending.

Professor Navdeep Goyal said that earlier also the candidate had been undergoing Ph.D. but did not complete.

Shri Ashok Goyal said that the Vice-Chancellor has sanctioned the leave whereas the Leave Cases Committee, to the sanction of the Vice-Chancellor, has denied the leave. The Committee has even told that instead of study leave, the candidate be given extraordinary leave without pay. He told as to what Professor Navdeep Goyal was saying that the person joined the Ph.D. earlier and he could not complete. Does it debar him from enrolling in Ph.D. after 10 years? It is wrong. He has asked for two years' study leave which be sanctioned.

Shri Gurjot Singh Malhi said that there is a objection that the work plan which he has submitted is such that the experts are not recommending it.

Shri Ashok Goyal said that the person applied for study leave last year and was told that since the time left is short, he should apply the next year. Then after a three months period from that, he applied and he was told that he has applied too early and asked to apply later on.

Professor Navdeep Goyal said that the study leave be allowed. Earlier the person had joined the Ph.D. but did not complete his research work and now it was not known whether he would do it or not.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

Professor Keshav Malhotra said that as per the Panjab University Calendar, the Leave Cases Committee is to assist the Vice-Chancellor.

Shri Ashok Goyal said that as per the Panjab University Calendar whatever leave is to be granted, it is granted on the recommendation of the Vice-Chancellor. The Vice-Chancellor for his convenience has appointed a Committee but the Committee is doing something contrary to the Vice-Chancellor.

The Vice-Chancellor said that as early as the person would complete the Ph.D., he would be able to provide his services to the University.

**RESOLVED:** That –

of P.U.S.C.**

**RESOLVED:** That recommendations (Sr. Nos. 1, 2, 3, and 4 Item Nos. 33, 34, 35 & 40, respectively) dated 10.5.2018 of the Executive Committee of P.U.S.C., **as per Appendix**, be approved.

**Minutes dated  
20.02.2018 of the  
Skill Development  
Board (SDB)**

**37.** Considered minutes (Item No. 2 & 5) dated 20.02.2018 (**Appendix-LXXIV**) of the Skill Development Board (SDB) relating to B.Voc. courses.

Shri Ashok Goyal said that he did not know as to why they are facing the problem in the University when the Government is very clear that that the skill development and B.Voc. courses are Bachelor Degree Courses and the Government has already clarified that for all intent and purposes these are considered at par with other bachelor degree courses rather the students get more expertise since these are purely vocation oriented courses. He did not know why the things are being stopped when the issue comes for admission to PG courses. The B.Voc. degree holders of Panjab University are not eligible for

admission to postgraduate degree in Panjab University itself and the issue is hanging fire. It is for the first time that that they have faced the problem because three years have already passed and it is the first batch which is passing out and are ready to take admission in postgraduate courses. The University till date has not sent any clarification that these students are eligible for admission to postgraduate courses in the respective subjects. He had talked to the Dean College Development Council who told that the things are in the pipeline and have been placed before the Faculty and Board of Studies meetings which are questioning some part of the syllabus. It is the scheme of the Government and they have no alternative except to go by what the Government guidelines say. Due to that the Colleges are not in a position to publish in the prospectus the eligibility criteria.

It was informed (by the Dean College Development Council) that the issue was discussed in the Skill Development Board. On page 322 of the agenda, a UGC notification has been mentioned which says that the B.Voc. degree is considered as the Bachelor Degree and the students are eligible for trans vertical mobility. The reference of this letter has been incorporated in the admission guidelines also so that the students who are willing in the relevant postgraduate course could not be denied the admission. The case which Shri Ashok Goyal is referring is with regard to the Fashion Technology. One of the Colleges enquired which was referred to the Department of Fashion Technology which says that the content of B.Sc. Fashion Technology and B.Voc. Fashion Technology is not the similar. But it has been re-looked into and has been put in the admission guidelines.

Shri Ashok Goyal requested the Dean College Development Council to reply to the College which has specifically asked.

**RESOLVED:** That minutes (Item No. 2 & 5) dated 20.02.2018 of the Skill Development Board (SDB) relating to B.Voc. courses, **as per Appendix**, be approved.

- NOTE:**
1. Request dated 23.04.2018 of the Chairman, Rayat Bahra Degree College at Village Bohan, Tehsil & Distt. Hoshiarpur (Pb.) is enclosed.
  2. Survey Committee Report dated 18.04.2018 is enclosed.
  3. An office note is enclosed.

Professor Keshav Malhotra said that there is a Jyoti B.Ed. College in Fazilka the inspection of which has been denied and the inspection the College under reference has been done whereas both the Colleges have the same issue. He requested that the Inspection Committee be sent to that College.

Shri Ashok Goyal said that the report has come and they could discuss it. But what Professor Keshav Malhotra is saying, what about the request of a College which is on similar lines and has not even been entertained by the University. The only difference, he did not know what this item is, that College under the bonafide belief as if they have to separate the land for open a Degree College which is already running an Education College having 6+ acre land and for the Education College they want to earmark 1.7 acre land though the requirement is 1 acre. The remaining 4.6 acre land for the Degree College meaning that the College has with it the land required for a Degree College. The College made a request to the University, though he feels that the College has made a wrong request, to release the land as if they have mortgaged the land to the University. The College has not mortgaged the land but shown to the University that this is the land for the purpose of educational institutions. The particulars of the land are already available with the University with all revenue records. So, the University should have told the College to send the proposal for the Degree College which it wanted to start. Instead of that, the reply goes to the College that there is no provision in the University for releasing the land which in fact is the job of the banks who mortgage the land for giving the loans to write that until the loan is paid, the land would not be released. The College must have stated that they have the land already available with them. According to him, they are supposed to guide the educational institutions about the procedure of the University to enable them to take necessary action.

Dr. Amit Joshi said that they are deferring the item to which Shri Ashok Goyal said that it be deferred.

It was informed (by the Dean College Development Council) that according to his information, that College is a B.Ed. College and now they want to start a Degree College. That communication has been sent to the Dean, Faculty of Education whether there is any provision of NCTE where B.Ed. College could start a Degree College. There are two options - one is the release of the land and the second is starting of a new College. If the College has to send the proposal for a new College, then they should send the proposal of a new College independently and not for the release of the land. Both the proposals have been received.

Shri Ashok Goyal enquired whether the NCTE debars a College to open another educational institution.

Dr. Surinder Singh Sangha said that actually the work which had to be performed by the Management, it has asked the University about it. By passing a resolution, the land required for a B.Ed. College has been separated and the balance land has been kept for the other College. Whereas the Management should have submitted the proposal for opening of a new College and they are having the land.

Dr. Subhash Sharma suggested that the application be taken from the College and the Survey Committee be asked to visit the College.

It was informed (by the Dean College Development Council) that the Management has to apply to the University for a new College.

Shri Ashok Goyal said that the Management has applied for a new College. He suggested that the Survey Committee be sent on receipt of the application. It should be done at the earliest so that there seems no bias.

Professor Navdeep Goyal said that the University should take the steps as required for the opening of a new College. When earlier the College was visited, there were no proper doors and windows. So, it should be got checked because if an examination centre is to be created in the College, at least the doors and windows should be in place.

Shri Prabhjit Singh said that first it should be checked whether the teachers are getting the salary.

**RESOLVED:** That the consideration of the item be deferred.

## Deferred item

**42.** Considered request dated 15.01.2018 of Principal CGM College Mohlan, Sri Muktsar Sahib with regard to not shifting the Examination Centre (CGM College Mohlan) for the session May, 2018.

- NOTE:** 1. The Controller of Examination has written that Professor Navdeep Goyal has recommended that in case of genuine enrolment as University had taken a lenient view to allow girls students of the College. It is recommended by him that other regular students may be allowed too. Observers/special flying squads may be deputed for the smooth conduct of exams.
2. Earlier, the Syndicate in its meeting dated 23.09.2017 (Para 24) considered the report dated 12.08.2017 of the Inspection Committee constituted by the affiliation Committee in respect of surprise visit at CGM College, Mohlan, Distt. Sri Muktsar Sahib, with regard to infrastructure and grant of temporary extension of affiliation in the various courses/subject and it was resolved that:
- (i) the matter related to C.G.M. College, Mohlan be referred to the Chief Vigilance Officer, Panjab University along with the relevant papers;
  - (ii) the college be asked to submit status report in respect of teachers, staff and students since its opening;
  - (iii) examination centre from the College be shifted to a suitable place;

- (iv) no new course be allotted to the College till a final decision in the matter;
  - (v) proper guidelines of the requirements for grant of affiliation be framed and provided to the Affiliation Committees
- The above recommendations of the Syndicate were noted and approved by the the Senate in its meeting dated 16.12.2017 (Para XXXIII I-134)).

3. The CGM Colleges, Malout, Distt. Sri Muksar Sahib, was not granted temporary extension of affiliation for certain courses/subject for the session 2017-18 by the Affiliation Committee. The decision of the Affiliation Committee was also noted and approved by the Senate in its meeting dated 16.12.2017 (Para XXXIII I-132)).
4. An office note is enclosed.

Dr. Inderpal Singh Sidhu suggested that it should be kept pending.

Shri Ashok Goyal enquired about this item.

Professor Navdeep Goyal said that when the College was inspected it was decided to shift the examination centre from the College. Later on the examination centre for the girls was allowed as it is a College situated in a remote area. Then the College also asked for the examination centre for boys but before that it has to be checked whether there is any improvement.

Shri Ashok Goyal said that if the examination centre for boys has been shifted, let it remain shifted.

Professor Keshav Malhotra said that the students face a lot of problems.

Shri Ashok Goyal said that he has a suggestion as far as the examination system is concerned. Instead of diluting it day-by-day, it needs to be strengthened. Unfortunately, the examination centres are being created even in those Colleges where as pointed out by Professor Navdeep Goyal that a College did not even had the doors and windows, the examination centres have been created in such Colleges. There are non-attending students not only in the rural area but in the district headquarters also.

Professor Navdeep Goyal said that Principal Hardiljit Singh Gosal had provided a list of such Colleges.

Dr. Amit Joshi suggested that the item be deferred.

**RESOLVED:** That the consideration of the item be deferred.

Syndicate Proceedings dated 26<sup>th</sup> May 2018

When this item was taken up for consideration, Principal S.S. Sangha abstained from the meeting.

Secretary, State Election commission, U.T., Chandigarh, to re-look on the enquiry report sent by the Commission vide letter No. 6/1/MCCE/SEC/CHD/17/225 dated 20.03.2017, imposing penalty on the delinquent officials of the Panjab University, who were deputed in the General Election to Municipal Corporation of Chandigarh held on 18.12.2016, at Ward No. 7, Polling Station No. 14, Anganwari Building No.3, Maloya Colony, Chandigarh, as simple advice to the delinquent officials is too inadequate vis-a-vis to their gross misconduct which led to re-poll.

**NOTE:** An office note is enclosed.

**RESOLVED:** That the consideration of the item be deferred.

At this stage, Shri Ashok Goyal pointed out that in the last meeting they had approved the change in the ratio for filling up the posts of Deputy Registrar. Therefore, he suggested that the LPA filed in the Punjab and Haryana High Court be withdrawn.

This was agreed to.

## **Report of PUCASH**

**46.** Considered the report (**Appendix-LXX**) received from Chairperson, PUCASH, Panjab University, Chandigarh regarding complaint submitted by students of Dr. Harvansh Singh Judge Institute of Dental Sciences & Hospital, Sector-25, Panjab University, Chandigarh.

Professor Navdeep Goyal and Dr. Ameer Sultana suggested that the report be forwarded to the Senate.

Dr. Amit Joshi said that this item be placed before the Senate in its special meeting.

The Vice-Chancellor said that the Senate would also take time to go through the report which has been provided to the members today. So, it could not be taken up in the meeting of the Senate to be held on 27<sup>th</sup> May.

Shri Ashok Goyal said that the Senate might not be able to consider this item.

Professor Navdeep Goyal said that let them forward it to the Senate which could consider the same as and when the next meeting takes place.

Shri Ashok Goyal said that as the Vice-Chancellor is saying that it is very shameful, when it would go to the public, is there any mechanism to avoid the bad name it would bring to the University.

The Vice-Chancellor said that he has provided the report in sealed cover and they have not discussed it and have decided just to pass it on to the next regular meeting of the Senate. He would have to have a longer Senate meeting to try to cover the backlog as much as they could do and did not want to leave the situation where the items are kept pending.

Shri Ashok Goyal asked as to how to avoid the bad name it would bring to the University.

Dr. Amit Joshi said that since there are regular complaints, it has already brought the bad name.

Dr. Amit Joshi said that what the Vice-Chancellor has said is much more than what is reported in the newspapers.

Dr. Ameer Sultana said that they have to take care of it because it is a very serious thing.

The Vice-Chancellor said that he received the report yesterday evening and has provided the report to the members in the morning today itself and the members have no time to read it.

Shri Ashok Goyal suggested that no member should leak it.

The Vice-Chancellor said that he did not want to take the burden of getting prepared 100 copies of it for tomorrow's Senate meeting and distributing in front of the Press. The report has been provided to the members today morning. He would prefer to send it quietly in properly sealed envelope to the Senate after tomorrow.

Shri Ashok Goyal said that in the form of a request could it be said that they would not share it with anyone.

The Vice-Chancellor said that every member has to take an appropriate decision according to his/her own conscious.

Dr. Ameer Sultana said that last time when the report in respect of Shri Komal Singh was provided, it was also provided in 3-4 sealed envelopes but it was reported verbatim in the newspapers whereas the PUCASH had submitted the letter to the Vice-Chancellor totally confidential.

Shri Ashok Goyal enquired whether it appeared before that.

Dr. Ameer Sultana said, 'yes', everything was in the newspaper. Since the media persons sit in the Senate meeting, they could think of calling a special meeting without the media. The report could be distributed on the floor itself and an hour time be given to the members to go through and then discuss.

Shri Ashok Goyal said that it is right, but what should be done so that it is not reported in the media.

Dr. Ameer Sultana said that it has to be a collective responsibility of the House.

The Vice-Chancellor said that he would not distribute the report in the Senate in the presence of press. Let the press be allowed only after that issue has been discussed. This is not to be presented to the press in tomorrow's meeting at all. He is not favouring that the report is distributed to the members in the presence of the press.

**Proposal dated  
30.4.2018 of D.U.I.  
regarding additional  
seats for Rural and  
Border Area students**

**48.** Considered proposal dated 30.4.2018(**Appendix-LXXII**) of D.U.I. regarding additional seats for Rural and Border Area students, pursuant to Syndicate decision dated 25.06.2017(Para 23) for the session 2018-2019.

**NOTE:** 1. The Syndicate in its meeting dated 25.06.2017(Para 23) (**Appendix-LXXII**) considered the proposal of Shri Varinder Gill, Fellow with regard to amendments in Rural Border Reservation Quota and it was resolved that the information be sought from the Punjabi University, Patiala and Guru Nanak Dev University regarding the policy of Punjab Government on the issue and the same be followed.

2. A statement showing the distribution of seats prevailing in Guru Nanak Dev University, Amritsar, Punjabi University, Patiala as also in P.U. is enclosed (**Appendix-LXXII**)

Dr. Surinder Singh Sangha said that earlier they had taken a decision about the rural area and border area. The discussion took

place on the issue that the students should have passed 10<sup>th</sup> or 12<sup>th</sup> class from rural area. But sometimes the students after passing 10<sup>th</sup> class from rural area shift to the cities where they pass 12<sup>th</sup>. They had taken the decision that the students should have passed the 10<sup>th</sup> and 12<sup>th</sup> class from rural areas. He suggested that they could take a decision regarding granting the benefit to the border area students who have passed the 10<sup>th</sup> class from border area and 12<sup>th</sup> class from anywhere because in most of the border areas, there are no schools at the level of 12<sup>th</sup> class. For the rest of Punjab, only the students passing the 10<sup>th</sup> and 12<sup>th</sup> class from rural areas should be given the benefit of rural area.

Professor Keshav Malhotra said that it is a very good suggestion.

Dr. Surinder Singh Sangha said that Punjabi University, Patiala and Guru Nanak Dev University, Amritsar had adopted the policy that a student should have passed either 10<sup>th</sup> or 12<sup>th</sup> class from a rural area to get the benefit. Some students passed 10<sup>th</sup> class from somewhere else and 12<sup>th</sup> class from a rural school and get the benefit, thus depriving the deserving candidates whereas the policy is that the students should have studied at least for 5 years in rural area and also passed 10<sup>th</sup> and 12<sup>th</sup> from rural area.

Professor Keshav Malhotra said whatever is being proposed by Dr. Sangha be considered as he has a deep knowledge about it.

**RESOLVED:** That proposal dated 30.4.2018 of D.U.I. regarding additional seats for Rural and Border Area students, pursuant to Syndicate decision dated 25.06.2017 (Para 23) for the session 2018-2019, **as per Appendix**, be approved.

**RESOLVED FURTHER:** That –

- (i) the candidates belonging to rural areas should have passed the 10<sup>th</sup> and 12<sup>th</sup> class examination from the rural area to become eligible for additional seats meant for rural area students; and
- (ii) the candidates belonging to border areas should have passed the 10<sup>th</sup> class from a school situated in border area and 12<sup>th</sup> class from a school situated in any other area to become eligible for additional seats meant for border area students.

At this point of time, Dr. Inderpal Singh Sidhu handed over a representation to the Vice-Chancellor and requested to get it investigated.

The Vice-Chancellor requested Dr. Inderpal Singh Sidhu to talk in this regard.
