The members observed that the Library Assistants working on contract basis should be given basic pay of the scale of Library Assistant plus dearness allowance. Immediate steps should be taken to fill up the vacant posts of Clerks on permanent basis. The non-teaching staff in the Colleges appointed on daily- wage basis should be paid at least the D.C. rates. Further, the services of a student who is fast and could speak for hours together; studying in School of Communication Studies should be utilized in the F.M. Radio.

XXXIV. The following Item 51 on the agenda was not considered, the matter being *sub-judice*:

- 51.** That the Syndicate decision dated 2.8.2009 (Para 30) be reiterated and all the provisions of Regulation 11.1 at page 160 of P.U. Calendar, Volume I, 2007 be invoked against SPM College, Mukerian.

XXXV. The recommendation of the Syndicate contained in Item 52 on the agenda was read out and unanimously approved, i.e. –

- 52.** That the following Fellow be assigned to the Faculties mentioned against his name in anticipation of the approval of the Senate:

Justice Mukul Mudgal Chief Justice Punjab & Haryana High Court (Chief Justice's Bungalow H.No. 35, Sector 4, Chandigarh)	1. Science 2. Law 3. Education 4. Design & Fine Arts
--	---

(Syndicate dated 30.1.2010, Para 26)

XXXVI. Considered the following Resolution proposed by Dr. A.C. Vaid, a Fellow (**Item 53 on the agenda**):

“Resolved that in the admission schedule, the late fee period should be extended and admission with the permission of Vice-Chancellor should be restricted to one week only. Admission with the Vice-Chancellor's permission should be an exception rather than a rule. It is further resolved that the fee for Vice-Chancellor's permission should be in addition to the late fee and should not exceed the amount of late fee”.

EXPLANATION:

Admission with Vice-Chancellor's permission is taking place in routine. Thousands of students are admitted under the permission and they are forced to pay a large amount of fee. The days with the permission of Vice-Chancellor are

more than the days admission with late fee. Since late fee is the revenue of the Government under grant-in-aid scheme, Colleges are facing audit objections due to the unfair rule.

NOTE: The Syndicate dated 30.1.2010 (Para 18) has resolved that the above Resolution proposed by Dr. A.C. Vaid, a Fellow, be forwarded to the Senate with the remark that it be **rejected**.

RESOLVED: That the above Resolution proposed by Dr. A.C. Vaid, a Fellow, be rejected.

XXXVII. Considered the following Resolution proposed by Dr. A.C. Vaid, a Fellow (**Item 54 on the agenda**):

“Resolved that the examination fee from the students should be cost based”.

EXPLANATION:

Students of Panjab University and its affiliated Colleges are paying a huge fee for appearing in the examinations. The examination fee is disproportionately high as part of the total cost of the course. High examination fee is unjustified and leaves little scope for the colleges to raise fee/fund to meet its own obligations to its staff.

NOTE: The Syndicate dated 30.1.2010 (Para 19) has resolved that the above Resolution proposed by Dr. A.C. Vaid, a Fellow, be forwarded to the Senate with the remark that it be **rejected**.

RESOLVED: That the above Resolution proposed by Dr. A.C. Vaid, a Fellow, be rejected.

XXXVIII. Considered the following Resolution proposed by Dr. A.C. Vaid, a Fellow (**Item 55 on the agenda**):

“Resolved that no property tax shall be collected from the students of affiliated Colleges”.

EXPLANATION:

Students of affiliated Colleges are paying property tax for their own campuses. They are not using University classrooms/labs. Therefore, there is no justification for charging the amount from the students of affiliated Colleges.

NOTE: The Syndicate dated 30.1.2010 (Para 20) has resolved that the above Resolution proposed by Dr. A.C. Vaid, a Fellow, be forwarded to the Senate with the remark that it be **rejected**.

RESOLVED: That the above Resolution proposed by Dr. A.C. Vaid, a Fellow, be rejected.

Grant-in-Aid 2009-2010

As against the approved original estimated deficit of Rs.12199.42 lac for 2009-10, the GOI, MHRD, has issued the capped directive for Rs.5478.20 lac only.

UT Administration Chandigarh:

60% share of maintenance Grant-in-Aid Rs.3286.92 lac (on the capped directive of Rs.5478.20 lac) for the year 2009-10 has been received in full.

Punjab Government:

40% share of maintenance Grant-in-Aid of the Punjab Government comes to Rs.2191.28 lac (on the capped directive of Rs.5478.20 lac).

The Punjab Government has been releasing a fixed amount as Grant-in-Aid for Rs.16 crore only against its due share since 2000-01.

Out of this fixed amount Rs.12 crore has been released and balance Rs.4.00 crore is yet to be received.

The Ministry of Human Resource Development in its Memorandum No.2-8(a)2006-4-H dated 22.2.2010 in Para 2(1) has decided that the Ministry of Home Affairs shall release the Central Government share of the actual deficit after adjusting the fixed contribution, i.e. Rs.16 Cr. of the State Government.

As per decision recorded at para 5(b) of the minutes of the meeting taken by the Principal Secretary to the Prime Minister, Shri Nair Ji, on 30.11.2009, the cap on the deficit has been removed.

In pursuance of this the Centre Government has released **Rs.42.66 crore on 29/3/2010 over and above the capped grant** of Rs.32.86 crore to meet the liability of additional deficit on actual basis for the year 2009-10 and part payment of arrears.

The Punjab Govt. has not been releasing its full share of maintenance Grant-in-Aid as per actual deficit directives issued by the MHRD, Government of India, New Delhi.

Salient Features of Budget 2010-11

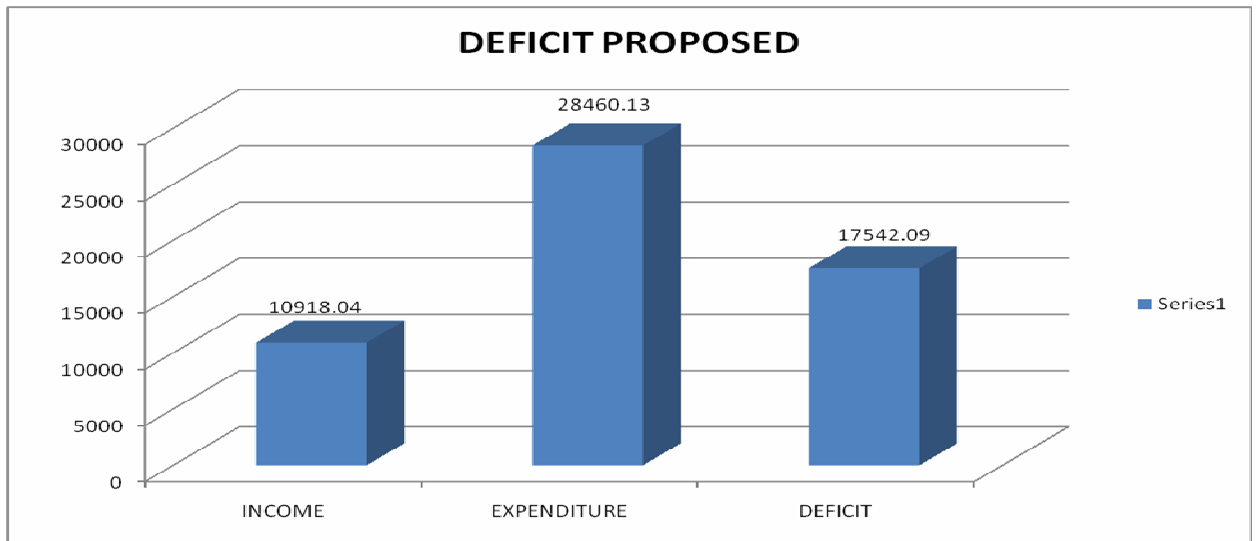

- 81.72% of the expenditure to be spent on salary. The expenditure on the salary has been reduced to the minimum by filling up only the need-based posts without adversely affecting the efficiency and effectiveness.
- 6.39% of the expenditure on Office Expenses.
- 2.13 % on improvement of Education Including Scholarships etc.
- 6.04% goes to the Infrastructure Development & Works.
- 3.71% goes to the Conduct of Exams (excluding salary component)
- Being an Educational Institution the salary expenditure has always been a major cost component. Due to the implementation of 5th Pay Commission Report, the salary component has rose to Rs.219.81 Cr. in 2010-11 (BE) from Rs.166.04 Cr. in 2009-10.
- However, we have been able to control and even reduce the non-salary component of the Budget.

I wish to record my deep gratitude and thanks to all of you for the kind unstinted co-operation, valuable advice and exceptional support to me in the conduct of activities of the university since my joining as a Vice-Chancellor.

I also take this opportunity to thank my colleagues in the Department of Computer Science as well as Computer Unit of the Administrative Block for their co-operation extended to me in this regard from time to time.

I would like to put on record my sincere thanks for the all out co-operation and help extended by the Punjab Government and the Chandigarh Administration through Shri Sanjay Kumar, Finance Secretary, particularly in making payment in advance, in respect of instalments of grant-in-aid as and when request was made to them to enable us to make the payment of salaries to the staff.

This was one of the factors which helped the university to a large extent, during the last many financial years in not resorting to the usual practice of taking

overdraft/loan and consequently we were able to effect considerable saving on account of interest, earlier used to be paid to the bank on account of such overdraft/loans.

Dr. Kuldip Singh		
1.	Whether a College Principal can deduct the salary of regular teachers during summer vacations for not reporting on duty? If PU Calendar does not permit to do so then what action was taken against the Principal of Guru Gobind Singh Girls College Jharh Sahib (Dist. Ludhiana) who deducted the salary of six permanent teachers from June 1 st to July 13 th 2009?	Reply attached at Annexure-I.
2.	How much time is required to get legal advice on a simple matter referred for legal advice? Kindly inform regarding the approval case of Mrs. Amarjit Kaur Makkar (Dept of Physical Education) Khalsa College for Women, Civil Lines Ludhiana which has been lying pending for legal advice since May 2008	No time limit has been fixed to get Legal opinion/advice on a case referred to the Legal Retainer of the University. It depends upon the convenience of the Legal Retainer to give his advice/ opinion. However, concerned official pays the visit to the residence of Legal Retainer for getting advice/opinion. In the instance case, the relevant file was sent to Shri Anupam Gupta, University Legal Retainer, for his legal opinion in year 2008. The same has not been received back in the office.
3.	Whether Panjab University has issued any directions to the affiliated colleges to implement the revised UGC pay scales of teachers from 01/01/2006	No direction has been issued by the Panjab University to the affiliated Colleges to implement the revised UGC pay scale of teachers from 1.1.2006.

1	The fate of my Resolution on Privilege Leave to Non-teaching employees of affiliated Colleges.	The Vice-Chancellor has constituted a Committee and the meeting of Committee has convened on 1.4.2010.

4	Some time back I was made Vice-Chancellor's nominee in the selection of Principal but my name was withdrawn as I was not an official of Professor rank. Later on, I learnt that many a times graduates/Lecturers/ officiating Principals have interviewed and selected Principals. It is not a case of blatant discrimination against me kindly let me know (i) In session 2008-09, 2009-10, how many persons (who are not academically) in Professors rank and were made members of such Selection Committees with a class mention of dates and colleges on/in which interview were held. No information is received by the University from the Govt. of Punjab regarding ban on recruitment of teaching and non-teaching staff in the non-Govt. Colleges under grant-in-aid scheme.
2.	I would like to know does the University send any written representation to the authorities of Government of Punjab to convey the stand taken by Senate on this issue and asking the Government to lift the ban and put a check on adhoc/contractual appointments of faculty. If any letter on the said issue has been sent by the University to the Government of Punjab, kindly provide a copy of the same. Mrs. Jasvir Kaur Chahal		
1.	What steps are being taken to make the University calendar's text to be written on the pattern of gender sensitivity and by when is it expected that this task will be completed?	While preparing/drafting the Rules/Regulations, generally the gender sensitivity is taken care of by the concerned Faculty. However, in Calendar Volume II the candidate/student word is mostly used which itself covers the gender sensitivity.

		Anyhow this issue will be kept in mind as and when new edition of all the three University Calendars is printed. The new edition of P.U Calendar Volume I and II is printed, when the amendments/ additions/ deletions are approved by the Govt. of India, but Volume III is printed only after the approval of the Syndicate.
2.	What is the University policy regarding inclusion of names of officials/persons in electoral lists for various elections held from time to time? To be more precise is it mandatory for a person to be designated vide official letter to an office to be included in a voter's list or any temporary make shift type of arrangement is sufficient enough for the same?	There are various constituencies existing in the Senate Election having different Act/Sections for preparation of voter's lists. No specific constituency has been mentioned in the letter under reference. However, lists of the voters are prepared according to the Act of the Panjab University, existing in Cal. Vol. I, 2007.
